**Understanding Language through Humor** Stanley Dubinsky,Chris Holcomb,2011-09-15 Students often struggle to understand linguistic concepts through examples of language data provided in class or in texts Presented with ambiguous information students frequently respond that they do not get it The solution is to find an example of humour that relies on the targeted ambiguity Once they laugh at the joke they have tacitly understood the concept and then it is only a matter of explaining why they found it funny Utilizing cartoons and jokes illustrating linguistic concepts this book makes it easy to understand these concepts while keeping the reader s attention and interest Organized like a course textbook in linguistics it covers all the major topics in a typical linguistics survey course including communication systems phonetics and phonology morphemes words phrases sentences language use discourses child language acquisition and language variation while avoiding technical terminology

**The Language of Jokes in the Digital Age** Delia Chiaro,2017-11-23 In this accessible book Delia Chiaro provides a fresh overview of the language of jokes in a globalized and digitalized world The book shows how while on the one hand the lingua cultural nuts and bolts of jokes have remained unchanged over time on the other the time space compression brought about by modern technology has generated new settings and new ways of joking and playing with language The Language of Jokes in the Digital Age covers a wide range of settings from social networks e mails and memes to more traditional fields of film and TV especially sitcoms and game shows and advertising Chiaro s consideration of the increasingly virtual context of jokes delights with both up to date examples and frequent reference to the most central theories of comedy This lively book

will be essential reading for any student or researcher working in the area of language and humour and will be of interest to those in language and media and sociolinguistics *Linguistic Theories of Humor* Salvatore Attardo, 2010-01-13 No detailed description available for *Linguistic Theories of Humor*
