Languages In Contact

**James Noel Adams, Mark Janse, Simon
Swain**

Languages In Contact:

Languages in Contact Uriel Weinreich, 2010-12-14 This remains the fundamental base for studies of multilingual communities and language shift Weinreich laid out the concepts principles and issues that govern empirical work in this field and it has not been replaced by any later general treatment Prof Dr William Labov University of Pennsylvania Department of Linguistics

Languages in Contact Uriel Weinreich, 2011 Based on the author's fieldwork this title contains a detailed report on language contact in Switzerland in the first half of the 20th century especially along the French German linguistic border and between German and Romansh in the canton of Grisons Graubunden

The Routledge Handbook of Language Contact Evangelia Adamou, Yaron Matras, 2020-07-26 The Routledge Handbook of Language Contact provides an overview of the state of the art of current research in contact linguistics Presenting contact linguistics as an established field of investigation in its own right and featuring 26 chapters this handbook brings together a broad range of approaches to contact linguistics including experimental and observational approaches and formal theories a focus on social and cognitive factors that impact the outcome of language contact situations and bilingual language processing the emergence of new languages and speech varieties in contact situations and contact linguistic phenomena in urban speech and linguistic landscapes With contributions from an international range of leading and emerging scholars in their fields the four sections of this text deal with methodological and theoretical approaches the factors that condition and shape language contact the impact of language contact on individuals and language change repertoires and formation This handbook is an essential reference for anyone with an interest in language contact in particular regions of the world including Anatolia Eastern Polynesia the Balkans Asia Melanesia North America and West Africa

Dynamics of Language Contact Michael G. Clyne, 2003-03-20 The past decade has seen an unprecedented growth in the study of language contact associated partly with the linguistic effects of globalization and increased migration all over the world Written by a leading expert in the field this much needed account brings together disparate findings to examine the dynamics of contact between languages in an immigrant context Using data from a wide range of languages including German Dutch Hungarian Italian Spanish Croatian and Vietnamese Michael Clyne discusses the dynamics of their contact with English Clyne analyzes how and why these languages change in an immigration country like Australia and asks why some languages survive longer than others The book contains useful comparisons between immigrant vintages generations and between bilinguals and trilinguals An outstanding contribution to the study of language contact this book will be welcomed by students and researchers in linguistics bilingualism the sociology of language and education

Language Contact Cornelius Hasselblatt, Bob de Jonge, Muriel Norde, 2010 The study of languages in contact is an ever relevant topic in linguistics especially at present times when increasing globalization leads to a number of new contact situations This volume features ten papers on various aspects of language contact by leading specialists in the field In these papers contact induced change in a wide variety of

languages is approached from various perspectives reflecting the current state of affairs in language contact studies The first main theme in the volume is related to the linguistic effects of migration both in the present and in the past and both in the standard language spoken by ethnic minorities and in immigrant languages that are influenced by the standard The second theme concerns border areas a traditional treasure trove for the study of contact phenomena The third theme is about contact effects without physical contact as well as the role played by translators in this process

The Handbook of Language Contact Raymond Hickey, 2020-09-01 The second edition of the definitive reference on contact studies and linguistic change provides extensive new research and original case studies Language contact is a dynamic area of contemporary linguistic research that studies how language changes when speakers of different languages interact Accessibly structured into three sections The Handbook of Language Contact explores the role of contact studies within the field of linguistics the value of contact studies for language change research and the relevance of language contact for sociolinguistics This authoritative volume presents original findings and fresh research directions from an international team of prominent experts Thirty seven specially commissioned chapters cover a broad range of topics and case studies of contact from around the world Now in its second edition this valuable reference has been extensively updated with new chapters on topics including globalization language acquisition creolization code switching and genetic classification Fresh case studies examine Romance Indo European African Mayan and many other languages in both the past and the present Addressing the major issues in the field of language contact studies this volume Includes a representative sample of individual studies which re evaluate the role of language contact in the broader context of language and society Offers 23 new chapters written by leading scholars Examines language contact in different societies including many in Africa and Asia Provides a cross section of case studies drawing on languages across the world The Handbook of Language Contact Second Edition is an indispensable resource for researchers scholars and students involved in language contact language variation and change sociolinguistics bilingualism and language theory

Global and local perspectives on language contact Katrin Pfadenhauer, Sofia Rüdiger, Valentina Serreli, 2024-01-30 This edited volume pays tribute to traditional and innovative language contact research bringing together contributors with expertise on different languages examining general phenomena of language contact and specific linguistic features which arise in language contact scenarios A particular focus lies on contact between languages of unbalanced political and symbolic power language contact and group identity and the linguistic and societal implications of language contact settings especially considering contemporary global migration streams Drawing on various methodological approaches among others corpus and contrastive linguistics linguistic landscapes sociolinguistic interviews and ethnographic fieldwork the contributions describe phenomena of language contact between and with Romance languages Semitic languages and English es

Languages in Contact and Contrast Vladimir Ivir, Damir Kalogjera, 1991 The papers in this collection throw fresh light on the relation between language contact and

contrastive linguistics The book focuses equally on the mutual influence of linguistic systems in contact and on the language contrasts that govern the linguistic behaviour of the bilingual speaker Language Contact Ernst H. Jahr, 2011-06-24

TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints High quality standards are ensured through anonymous reviewing Language Contact and Bilingualism René Appel, Pieter Muysken, 2005 What happens sociologically linguistically educationally politically when more than one language is in regular use in a community How do speakers handle these languages simultaneously and what influence does this language contact have on the languages involved Although most people in the world use more than one language in everyday life the approach to the study of language has usually been that monolingualism is the norm The recent interest in bilingualism and language contact has led to a number of new approaches based on research in communities in many different parts of the world This book draws together this diverse research looking at examples from many different situations to present the topic in any easily accessible form Language contact is looked at from four distinct perspectives The authors consider bilingual societies bilingual speakers language use in the bilingual community finally language itself do languages change when in contact with each other Can they borrow rules of grammar or just words How can new languages emerge from language contact The result is a clear concise synthesis offering a much needed overview of this lively area of language study Heritage Languages Suzanne Aalberse, Ad Backus, Pieter Muysken, 2019-11-28 Heritage languages such as the Turkish varieties spoken in Berlin or the Spanish used in Los Angeles are non dominant languages often with little prestige Their speakers also speak the dominant language of the country they live in Often heritage languages undergo changes due to their special status They have received a lot of scholarly attention and provide a link between academic concerns and educational issues This book takes a language contact perspective we consider heritage languages from the perspective of their history their structural properties and their interaction with other surrounding languages Languages in Contact Uriel Weinreich, 2011-11-23 The appearance of Uriel Weinreich's *Languages in Contact Findings and Problems* 1953 marked a milestone in the study of multilingualism and language contact Yet until now few linguists have been aware that its main themes were first laid out in Weinreich's Columbia University doctoral dissertation of 1951 *Research Problems in Bilingualism with Special Reference to*

Switzerland Based on the author's fieldwork it contains a detailed report on language contact in Switzerland in the first half of the 20th century especially along the French German linguistic border and between German and Romansh in the canton of Grisons Graubünden The present edition reproduces Weinreich's original text in full with only minor alterations and corrections as well as the author's fieldwork photographs and many of his hand drawn diagrams A new foreword reviews Weinreich's life and legacy as well as developments in contact linguistics and the Swiss linguistic situation over the past 60 years With selected comments on noteworthy points and references to more recent literature this volume will be of interest not only to those working on the languages of Switzerland or specialists in language contact but all scholars today whose work builds on the broad and lasting foundations laid over half a century ago by Uriel Weinreich **Language Contact.**

Volume 1 Jeroen Darquennes, Joseph C. Salmons, Wim Vandebussche, 2019-08-19 Language Contact An International Handbook offers a comprehensive overview of current topics in research on language contact Broadly conceived it stands out for its international approach to language contact complementing the theoretical state of the art with examples from traditionally eclipsed areas and languages Next to a thorough introductory overview of the ground breaking methodological and theoretical approaches that shaped the discipline ample attention goes to the new and innovative insights on language contact in the 21st century Combining concise introductory contributions with in depth treatment of the most relevant case studies in the field the handbook speaks to both junior and established scholars **Language Contact and Contact**

Languages Peter Siemund, Noemi Kintana, 2008-08-21 This new volume on language contact and contact languages presents cutting edge research by distinguished scholars in the field as well as by highly talented newcomers It has two principal aims to analyze language contact from different perspectives notably those of language typology diachronic linguistics language acquisition and translation studies and to describe explain and elaborate on universal constraints on language contact The individual chapters offer systematic comparisons of a wealth of contact situations and the book as a whole makes a valuable contribution to deepening our understanding of contact induced language change With its broad approach this work will be welcomed by scholars of many different persuasions **Language Contact and Language Conflict** Martin

Pütz, 1994-03-31 The selected articles compiled in the present volume are based on contributions prepared for the 17th International L A U D Linguistic Agency University of Duisburg Symposium held at the University of Duisburg on 23-27 March 1992 The 13 papers in this book focus on problems and issues of intercultural communication The first part is devoted to theoretical aspects related to the interaction of language and culture and deals with the issue from anthropological cognitive and linguistic points of view Part II raises issues of language policy and language planning such as the manipulation of language in intercultural contact it includes case studies pertaining to multilingual settings for example in Africa Australia Melanesia and Europe The volume opens with a foreword by Dell H Hymes *Language Contact* Yaron Matras, 2020-09-10 Revised edition of a seminal introduction to language contact providing an overview of the field and its most recent

developments *Bilingualism in Ancient Society* James Noel Adams, Mark Janse, Simon Swain, 2002 Bilingualism the field of language contact has seen an explosion of work in recent years yet relatively little of this has focused on written texts This volume aims to introduce classicists ancient historians and other scholars interested in sociolinguistic research to the evidence of bilingualism in the ancient Mediterranean world Language contact intruded into virtually every aspect of ancient life and topics which have been fashionable in sociolinguistics for some time have now begun to attract the attention of scholars working in Graeco Roman studies The fifteen original essays in this collection which have been written by well regarded experts cover theoretical and methodological issues and key aspects of the contact between Latin and Greek and among Latin Greek and other languages The collection is held together by a wide ranging introduction which discusses the many important topics recurring in the volume in the light of current work in classics and sociolinguistics

Understanding Language Contact Evangelia Adamou, Barbara E. Bullock, Almeida Jacqueline Toribio, 2023-08-29 Understanding Language Contact offers an accessible and empirically grounded introduction to contact linguistics Rather than taking a traditional focus on the outcomes of language contact this book takes the novel approach of considering these outcomes as an endpoint of bilingualism and multilingualism Covering speech production and comprehension language diffusion across different interactional networks and timeframes and the historical outcomes of contact induced language change this book Discusses both how these areas relate to one another and how they correspond to different theoretical fields and methodologies Draws together concepts and methodological theoretical advances from the related fields of bilingualism and sociolinguistics to show how these can shed new light on the traditional field of contact linguistics Presents up to date research in a digestible form Includes examples from a wide range of contact languages including Creoles and pidgins Indigenous minority and heritage languages mixed languages and immigrants linguistic practices to illustrate ideas and concepts Features exercises to test students understanding as well as suggestions for further reading to expand knowledge in specific areas Written by three experienced teachers and researchers in this area Understanding Language Contact is key reading for advanced undergraduate and postgraduate students approaching bilingualism and language contact for the first time

Language Contact in Japan Leo J. Loveday, 1996-06-20 The Japanese are often characterized as exclusive and ethnocentric yet a close examination of their linguistic and cultural history reveals a very different picture although theirs is essentially a monolingual speech community they emerge as a people who have been significantly influenced by other languages and cultures for at least 2000 years In this primarily sociolinguistic study Professor Loveday takes an eclectic approach drawing on insights from other subfields of linguistics such as comparative and historical linguistics and stylistics and from a number of other disciplines cultural anthropology social psychology and semiotics Focusing in particular on the influence of Chinese and English on Japanese and on how elements from these languages are modified when they are incorporated into Japanese Professor Loveday offers a general model for understanding language

contact behaviour across time and space The study will be of value to those in search of cross cultural universals in language contact behaviour as well as to those with a particular interest in the Japanese case *Boundaries and Bridges* Kofi Yakpo, Pieter C. Muysken, 2017-06-26 Multidirectional language contact involving more than two languages is little described However it probably represents the most common type of contact in the world where colonization rapid socioeconomic and demographic change and society wide multilingualism have led to dramatic linguistic change This book presents fascinating cases of multidirectional contact and convergence between highly diverse languages in an emerging linguistic area in Suriname and the Guianas and proposes a framework for comparable studies

Adopting the Melody of Appearance: An Emotional Symphony within **Languages In Contact**

In some sort of taken by displays and the ceaseless chatter of quick connection, the melodic beauty and psychological symphony produced by the prepared term frequently fade into the backdrop, eclipsed by the persistent sound and disruptions that permeate our lives. However, located within the pages of **Languages In Contact** a marvelous fictional value full of fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that charming masterpiece conducts viewers on a psychological journey, well unraveling the concealed songs and profound impact resonating within each carefully crafted phrase. Within the depths of the moving review, we will explore the book is main harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Languages In Contact Introduction

In today's digital age, the availability of Languages In Contact books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Languages In Contact books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Languages In Contact books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Languages In Contact versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Languages In Contact books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Languages In Contact books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Languages In Contact books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Languages In Contact books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Languages In Contact books and manuals for download and embark on your journey of knowledge?

FAQs About Languages In Contact Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Languages In Contact is one of the best book in our library for free trial. We provide copy of Languages In Contact in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Languages In Contact. Where to download Languages In Contact online for free? Are you looking for Languages In Contact PDF? This is definitely going to save you time and cash in something you should think about.
