Country Roads of Western BC Liz Bryan,2011-05-15 In her third book of off the beaten track explorations of western Canada Liz Bryan travels scenic roads of British Columbia s Lower Mainland and Vancouver Island From country routes winding through the Fraser Valley to forest roads on Vancouver Island leading to coastal settlements such as Zeballos and Telegraph Cove these journeys celebrate amazing landscapes and trace the early human history of these regions Since some of coastal BC s interesting places are accessible only by boat the book also takes readers on excursions along the fjord riven coast to such places as Friendly Cove and Sechart Whaling Station From sandy bays to rocky headlands quiet farmland to rugged forest high mountains to rushing rivers Liz Bryan captures the beauty of western British Columbia Sharing the Land, Sharing a Future Katherine Graham,David Newhouse,2021-06-11 Sharing the Land Sharing a Future looks to both the past and the future as it examines the foundational work of the Royal Commission on Aboriginal Peoples RCAP and the legacy of its 1996 report It assesses the Commission s influence on subsequent milestones in Indigenous Canada relations and considers our prospects for a constructive future RCAP s five year examination of the relationships of First Nations Metis and Inuit peoples to Canada and to non Indigenous Canadians resulted in a new vision for Canada and provided 440 specific recommendations many of which informed the subsequent work of the Truth and Reconciliation Commission of Canada TRC Considered too radical and difficult to implement RCAP s recommendations were largely ignored but the TRC reiterates that

longstanding inequalities and imbalances in Canada's relationship with Indigenous peoples remain and quite literally calls us to action. With reflections on RCAP's legacy by its co-chairs, leaders of national Indigenous organizations and the Minister of Crown-Indigenous Relations and leading academics and activists, this collection refocuses our attention on the groundbreaking work already performed by RCAP. Organized thematically, it explores avenues by which we may establish a new relationship, build healthy and powerful communities, engage citizens and move to action.
