

12 Language and Masculinity

BETHAN BENWELL

1. Introduction

A chapter entitled “Language and Masculinity” in a *Handbook of Language, Gender, and Sexuality* is not unproblematically descriptive, but embeds within it certain assumptions, some of which I hope to problematize in what follows. One reading is that, with no companion chapter on “Language and Femininity,” it offers a kind of performative judgment on how we have historically viewed the study of gender as synonymous with the study of the (oppressed) condition of femininity or women. So what does it mean to isolate masculinity from broader considerations of gender in this way? In her insightful overview of the field of language and masculinity, Johnson argues that by exposing the hitherto neglected topic of masculinity to analytical scrutiny we offer a corrective to the view that the female/feminine is the problematic or “marked” sex/gender in the gender order (Johnson 1997, 12–13), and we challenge the status of masculinity as an unmarked and thus “invisible” category (Black and Coward 1998, 118; Benwell 2003, 155). An explicit (rather than implicit) (Johnson 1997, 13) study of masculinity, particularly as a relational, and power-based phenomenon, facilitates a clearer feminist understanding of the operations of male power and the perpetuation of the gender order. Such a project is not without contention, however: a common feminist critique of the “exposure” and topicalization of masculinity is that it is an ideologically mobile and appropriable politics which has fueled the antifeminist, reactionary strand of men’s studies (see Ashe 2007 for a useful overview) as much as it has facilitated a critical deconstruction of the operations of masculine power and privilege. As Sally Robinson argues in *Marked Men: White Masculinity in Crisis*, “there is much symbolic power to be reaped from occupying the social and discursive position of the subject-in-crisis” (2000, 19).

Apart from these political objections, theoretical and ontological arguments are also presented in response to a contemplation of masculinity as an object of study. Recent ethnomethodologically inspired accounts of gender, particularly within the approaches of discursive psychology and conversation analysis (CA), have tended to problematize a conceptualization of masculinity and femininity as a

Language And Masculinity:

Language and Masculinity Sally Johnson, Ulrike Hanna Meinhof, 1996-12-23 Feminist linguistics has come of age Yet in more than two decades of research male speaking patterns have largely been taken for granted This is the first extensive account of men s language of male ways of speaking and of language in the construction of masculinity **Language and Masculinity** Sally A. Johnson, Ulrike Hanna Meinhof, 1997 *Masculinities and Language* Paul Baker, Gavin Brookes, 2025-03-31 Today the topic of gender identity is being discussed more widely than ever before With the rise of online misogyny and in the wake of metoo language around masculinity and toxic masculinity merits closer examination Accessibly written by two leading linguists this book provides a comprehensive treatment of the debates around language and masculinity asking how language is used to perform masculinity and how language is used to represent men Including examples of research from a range of international scholars along with original case studies and engaging examples from popular culture media literature advertising and politics the authors address a wide range of theoretical and methodological standpoints The book examines concepts of gender performativity hegemonic masculinity and queer theory drawing on disciplines and methods including conversation analysis phonetics ethnography interviews focus groups visual analysis discourse analysis critical discourse studies and corpus linguistics Situating male language use in terms of power dominance and subordination the book concludes with an examination of the more recent concepts of toxic masculinity and healthy masculinity exploring critical stances towards and around language used by men This book demonstrates the role that linguistic research can play in addressing real world problems associated with masculinity problems experienced by people of all genders and the natural world more broadly *Masculinities and Language* is vital reading for scholars researchers and students of language and gender sexuality identity discourse analysis and sociolinguistics within linguistics English language and related areas The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *Language and Mediated Masculinities* Robert Lawson, 2023 From television shows to the manosphere and from alt right communities to fatherhood forums debates about masculinity have come to dominate the media landscape What does it mean to be a man in contemporary society How is masculinity constituted in different media spaces This growing cultural tension around masculinities has been discussed and analyzed both for general audiences and in burgeoning academic scholarship What has been typically overlooked however is the role that language plays in these mediated performances of masculinity In *Language and Mediated Masculinities* Robert Lawson draws on data from newspapers social media sites television programs and online forums to explore language and masculinities across a range of media contexts The book offers a critical evaluation of the intersection between language masculinities and identities in contemporary society and addresses three key questions How are masculinities constructed in both public and private spheres through linguistic and discursive strategies

How does language about masculinity and men affect and recreate gender ideologies in different social political and historical contexts What might the language of men tell us about the state of contemporary gender relations in the twenty first century Lawson furthers our understanding of how language is implicated in re creating gender ideologies and how it shapes contemporary gender relations Against a cultural backdrop of rising neoliberalism ethnic nationalism online radicalization networked misogyny and fractious gender relations this book is an important contribution to charting how language is used to monitor evaluate and police masculinities in online and offline spaces **Language and Masculinities** Tommaso M. Milani, 2014-12-05 This volume showcases cutting edge research in the linguistic and discursive study of masculinities comprising the first significant edited collection on language and masculinities since Johnson and Meinhof's 1997 volume Overall the chapters are linked together by a critical analytical perspective that seeks to understand the relationships between discourse masculinities and power Whereas some of the chapters offer detailed linguistically informed critiques of the ways in which old and new expressions of masculinities are complicit in the reproduction of men's hegemonic positions of power others provide a more complex picture one in which collusion and subversion go hand in hand Contributions argue for the need for research on language and masculinities to expand its remit so as to engage with gay masculinities and unsettle gendered categories in order to consider the ways in which women transgender and intersex individuals also perform a variety of masculinities Finally unlike Johnson and Meinhof's 1997 collection this volume not only offers a wider and perhaps queerer perspective on the study of language and masculinities but also covers a broader geographical and socio cultural spectrum including work on Brazil Israel New Zealand Singapore and South Africa

Masculinities and Language Paul Baker, Gavin Brookes, 2025-03-31 Today the topic of gender identity is being discussed more widely than ever before With the rise of online misogyny and in the wake of metoo language around masculinity and toxic masculinity merits closer examination Accessibly written by two leading linguists this book provides a comprehensive treatment of the debates around language and masculinity asking how language is used to perform masculinity and how language is used to represent men Including examples of research from a range of international scholars along with original case studies and engaging examples from popular culture media literature advertising and politics the authors address a wide range of theoretical and methodological standpoints The book examines concepts of gender performativity hegemonic masculinity and queer theory drawing on disciplines and methods including conversation analysis phonetics ethnography interviews focus groups visual analysis discourse analysis critical discourse studies and corpus linguistics Situating male language use in terms of power dominance and subordination the book concludes with an examination of the more recent concepts of toxic masculinity and healthy masculinity exploring critical stances towards and around language used by men This book demonstrates the role that linguistic research can play in addressing real world problems associated with masculinity problems experienced by people of all genders and the natural world more broadly *Masculinities and Language* is

vital reading for scholars researchers and students of language and gender sexuality identity discourse analysis and sociolinguistics within linguistics English language and related areas The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Men Talk Jennifer Coates, 2008-04-15 *Men Talk* draws on rich conversational material from a wide range of contexts to illuminate our understanding of men and masculinities at the turn of the millennium Draws on rich conversational material to illuminate our understanding of men and masculinities at the turn of the millennium Collects data from a wide range of conversations including garage mechanics on a break carpenters at the pub after work and university academics chatting after hours Focuses on stories which occur within all male conversations Makes a distinctive contribution to our understanding of the intersection of language and masculinity

Language and Mediated Masculinities Robert Lawson, 2023

The Handbook of Language, Gender, and Sexuality Susan Ehrlich, Miriam Meyerhoff, Janet Holmes, 2017-10-10 Significantly expanded and updated the second edition of *The Handbook of Language Gender and Sexuality* brings together a team of the leading specialists in the field to create a comprehensive overview of key historical themes and issues along with methodologies and cutting edge research topics Examines the dynamic ways that women and men develop and manage gendered identities through their talk presenting data and case studies from interactions in a range of social contexts and different communities Substantially updated for the second edition including a new introduction 24 newly commissioned chapters ten updated chapters and a comprehensive index Includes new chapters on research in non English speaking countries from Asia to South America and cutting edge topics such as language gender and popular culture language and sexual identities and language gender and socio phonetics New sections focus on key themes and issues in the field such as methodological approaches to language and gender incorporating new chapters on conversation analysis critical discourse analysis corpus linguistics and variation theory Provides unrivalled geographic coverage and an essential resource for a wide range of disciplines from linguistics psychology sociology and anthropology to communication and gender studies

Men and Masculinities in Global English Language Teaching R. Appleby, 2014-12-10 This book draws on a range of sources including tales of castaways fictional narratives and interviews with teachers in conversation schools and universities in Japan to explore many current concerns around teacher identity gender and intercultural sexuality in global English language teaching

Queering Masculinities in Language and Culture Paul Baker, Giuseppe Balirano, 2017-12-08 How do we learn what it means to be a man And how do we learn to question what it means to be a man This collection comprises a set of original interdisciplinary chapters on the linguistic and cultural representations of queer masculinities in a range of new and older media television film online forums news reporting advertising and fiction This innovative work examines new and emerging forms of gender hybridisation in relation to complex socialisation and immigration contexts including the role of EU institutions in ascertaining asylum seekers sexual orientation and the European laws on gender policy The book employs

numerous analytical approaches including critical discourse analysis corpus linguistics multimodal analysis literary criticism and anthropological and social research The authors show how such texts can disrupt question or complicate traditional notions of what it means to be a man queering the idea that men possess fixed identities or desires instead arguing that masculinity is constantly changing and negotiated through the cultural and political overlapping contexts in which it is regularly produced These nuanced analyses will bring fresh insights for students and scholars of gender masculinity and queer studies linguistics anthropology and semiotics *Alpha Masculinity* Eric Louis Russell, 2021-04-15 This book examines the linguistic and discursive mechanisms that realize the mythological American Alpha Male Providing an in depth dissection of corpora from an online socio commercial community a pop psychology guru and fictional gay erotica it unravels the ways language gender and hegemony play out in this ideological figure of neopositive essentialist masculinity Through a detailed multi level analysis Russell shows how the Alpha figure combines elements of dominance normativity and androcentrism and how these forces intersect with neoliberal and pseudoscientific discourses to establish a uniquely hybridized male hegemony one that is familiar to most but whose internal mechanisms remain largely unquestioned and unexamined This book will be of interest to academic scholars in sociolinguistics discourse analysis cultural studies and gender and sexualities studies

Masculinities in Theory Todd W. Reeser, 2011-09-15 *Masculinities in Theory* is a clear concise and comprehensive introduction to the field of masculinity studies from a humanities perspective Serves as a much needed introduction to the field for students and scholars of cultural studies literature art film communication history and gender studies Includes discussions of gay queer feminist and gender studies in relation to masculinity Covers the key theoretical approaches to the study of masculinity and introduces new models Explores the question What is masculinity and how does it work Looks at language discourse signification power cross dressing female queer and transsexual masculinity race and masculinity nation and masculinity interracial masculinities and masculinities in history Portrayals of Masculinity in Nigerian Plays Beatrice Nwawuloke Onuoha, 2023-10-16 *Portrayals of Masculinity in Nigerian Plays* explores Nigerian people's notions of masculinity as portrayed in twelve Nigerian plays written by three generations of Nigerian playwrights She argues that hegemonic masculinity and other forms which are referred to as alternative masculinities exist in traditional Nigerian society By analyzing plays written by first second and third generation Nigerian playwrights Onuoha tracks how notions about masculinity have evolved over the years Further she discusses the malleability of masculinity by exploring how women manifest qualities associated with masculinity within Nigerian plays Through a review of critical studies on gender constructions Onuoha examines not only the negative experiences of women within an African patriarchal system but also the negative experiences of the men who are also direct or indirect victims of such a system Representations of Masculinity in Literature and Film Sara Martín, 2020-09-11 How are men represented on the printed page the stage and the screen What do these representations say about masculinity in the past the present and the future The twelve essays in this volume

explore the different ways in which men and masculinity have been represented from the plays of William Shakespeare to the science fiction of Richard K Morgan passing through classic fiction by Emily Bront and Charles Dickens and popular favourites by Terry Pratchett and Isaac Asimov without forgetting the Star Wars saga Collectively these essays argue that although much has been written about men it has been done from a perspective that does not see masculinity as a specific feature in need of critical appraisal Men need to be made aware of how they are represented in order to alter the toxic patriarchal models handed down to them and even break the extant binary gender models For that it is important that men distinguish patriarchy from masculinity as is done here and form anti patriarchal alliances with each other and with women This book is then an invitation to men s liberation from patriarchy by raising an awareness of its crippling constraints The Routledge Handbook of Language and Media Colleen Cotter, Daniel Perrin, 2017-08-04 The Routledge Handbook of Language and Media provides an accessible and comprehensive overview of state of the art research in media linguistics This handbook analyzes both language theory and practice demonstrating the vital role of this research in understanding language use in society With over thirty chapters contributed by leading academics from around the world this handbook addresses issues of language use form structure ideology practice and culture in the context of both traditional and new communication media investigates mediated language use in public spheres organizations and personal communication including newspaper journalism broadcasting and social media examines the interplay of language and media from both linguistic and media perspectives discussing auditory and visual media and graphic modes as well as language and gender multilingualism and language change analyzes the advantages and shortcomings of current approaches within media linguistics research and outlines avenues for future research The Routledge Handbook of Language and Media is a must have survey of this key field and is essential reading for those interested in media linguistics Language in Public Spaces in Japan Nanette Gottlieb, 2014-06-11 This book throws light on ideologies practices and sociocultural developments currently shaping language use in Japan by departing from the more common investigation of language in private contexts and examining aspects of the language found in a range of significant public spaces from the material an international airport the streets of Tokyo the JSL classroom in Japan and courtrooms to the electronic television dramas local government web pages and cyberspace Through its study of the language encountered in such settings the volume provides a deeper understanding of multifaceted aspects of linguistic diversity both in terms of the use of languages other than Japanese and of issues relating to the Japanese language itself The variety of theoretical approaches brought to bear by contributing authors ensures a substantial intellectual contribution to the literature on language in contemporary Japan This book was published as a special issue of Japanese Studies Library of Congress Subject Headings Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, 2013 **David Mamet and American Macho** Arthur Holmberg, 2012-02-02 What does it mean to be an American man Holmberg demonstrates how David Mamet s plays

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Language And Masculinity eBooks, including some popular titles.

FAQs About Language And Masculinity Books

What is a Language And Masculinity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Language And Masculinity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Language And Masculinity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Language And Masculinity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Language And Masculinity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
