Lott, 1958 Pepita Jiménez Juan Valera, 2013-04-01 Pepita Jimenez de Juan Valera ha seguido siendo un clásico hispánico desde su publicación en 1874 Escrita durante un periodo comúnmente conocido como el sexenio revolucionario 1868 1874 y en medio de una exacerbación de la larga lucha disfrazada de cuestión religiosa en el siglo diecinueve entre conservadores y liberales la novela busca una vía a media de conciliación entre los dos partidos Como ha dicho Manuel Azaña Valera no servía en política como sirven los hombres de partido Su finura mental le impedía ser fanático Valera sigue utilizando el disfraz de la religión para su cuento en concreto la crisis en la vocación sacerdotal del protagonista pero su verdadero interés está en lo que podríamos calificar como la llamada de la naturaleza y la influencia de esta en la vida de sus personajes A pesar de esto la honda creencia del autor en el patrimonio cultural humano y en ciertos valores culturales relacionados con la convivencia social y veremos que Valera pudo darnos una poderosa mezcla de personajes y opiniones y a la vez forjar esta novela global una comedia humana a la española en medio de los conflictos que le rodeaban Gender and Representation Lou Charnon-Deutsch, 1990-01-01 Applying recent European and Anglo American feminist scholarship to the problems of gender representation Charnon Deutsch challenges

the prevailing idea that the 19th century Spanish novel is woman centered The author s examination of novels by Valera Pereda Alas and Galdos demonstrates that these works are instead a complex exploration of male identity Decoding the gender ideology of women s roles discourse and representations Charnon Deutsch uncovers in the novels multiple configurations of androcentricity as well as voyeuristic tendencies which she interprets as a means of mastering what is threatening to the male psyche
