Language And The Poet:

Language and the Poet Marie Borroff, 1979 Language and the Poet Marie Borroff, 1979 **Language Poets Use** Winifred Nowottny, 2000-12-01 Mrs Nowottny's chief aim in this valuable book which could serve as a useful introduction to practical criticism is to inquire what it is that makes the language of poetry poetic. The book grows out of the leading trends today in ideas about language and the way it works but to the matters discussed Mrs Nowottny brings a keen mind of her own and considerable powers as a literary critic. Stressing the continuity of poetry with other uses of language she shows how under the control of the poet's purpose everyday language contributes to the achievement of the most complex and profound effects and she illustrates these effects with a wealth of examples. **Exploring the Language of Poems, Plays and Prose** Mick Short, 2018-10-08 Exploring the Language of Poems, Plays and Prose examines how readers interact with literary works how they understand and are moved by them. Mick Short considers how meanings and effects are generated in the three major literary genres carrying out stylistic analysis of poetry, drama and prose fiction in turn. He analyses a wide range of extracts from English literature adopting an accessible approach to the analysis of literary texts which can be applied easily to other texts in English and in other languages. *Paul Muldoon and the Language of Poetry* Ruben Moi, 2020-01-13 Paul Muldoon and the Language of Poetry is the first book in years that attends to the entire oeuvre of the Irish American poet, critic, lyricist, dramatist and Princeton professor from his debut with *New Weather* in 1973 up to his very recent publications. Ruben Moi's book explores in correspondence with language philosophy and critical debate how Muldoon's ingenious language and inventive form give shape and significance to his poetry and how his linguistic panache and technical verve keep language forever surprising, new and alive. **Language, Poetry and Poetics** Krystyna Pomorska, Elzbieta Chodakowska, Hugh McLean, Brent Vine, 2015-04-28 No detailed description available for Language, Poetry and Poetics.

The Language Poets Use Winifred Nowottny, 1981 **Analysing Sign Language Poetry** R. Sutton-Spence, 2004-11-12 This new study is a major contribution to sign language study and to literature generally looking at the complex grammatical, phonological and morphological systems of sign language, linguistic structure and their role in sign language poetry and performance. Chapters deal with repetition and rhyme, symmetry and balance, neologisms, ambiguity, themes, metaphor and allusion, poem and performance and blending English and sign language poetry. Major poetic performances in both BSL and ASL with emphasis on the work of the deaf poet Dorothy Miles are analysed using the tools provided in the book. **The Language and Poetry of Flowers**, 1873 *The Dream of a Common Language: Poems 1974-1977* Adrienne Rich, 2013-04-01 Certain lines had become like incantations to me, words I'd chanted to myself through sorrow and confusion. Cheryl Strayed Wild. *The Dream of a Common Language* explores the contours of a woman's heart and mind in language for everybody, language whose plainness, laughter, questions and nobility everyone can respond to. No one is writing better or more needed verse than this. *Boston Evening Globe* English-language Poetry from Wales 1789-1806
