## **Language Processing And The Reading Of Literature Toward A Model Of Comprehension:**

**Language Processing and the Reading of Literature** George L. Dillon, 1978      **The Reader and the Text** Diana Sorensen Goodrich, 1986 The shift toward the reader stems from a double source the questioning of the sleuthlike approach to a text aiming at the discovery of the author's intended meaning coupled with the recognition that the work liberated from its dependence on the authorial voice will generate a wealth of meanings through acts of reading      **Narrating Knowledge in Flannery O'Connor's Fiction** Donald E. Hardy, 2003 It also he maintains allows readers to appreciate the mysteries O Connor sought to underscore      The Brain of Robert Frost Norman N. Holland, 2024-02-02 Originally published in 1988 this book brings brain science to literary criticism The Brain of Robert Frost combines psychoanalysis with the findings of brain research and cognitive psychology to model the way we create and respond to literature Norman Holland draws three central ideas from the mind's new science the critical supercharged period in infancy when individuality is formed the binding of emotion to intellect deep in the old brain the top down inside out feedback processing of language in the new Then using Robert Frost as an example both of a writer and a reader and comparing Frost's reading of a poem to readings by six professors of literature Holland builds a new powerful way of thinking about literary criticism and teaching A book about literary cognition The Brain of Robert Frost furthers our understanding of the reading process of poet's brains and of our own      Language, Literature and Critical Practice David Birch, 2005-08-18 Using a wide ranging variety of texts the author reviews and evaluates a broad range of approaches to textual commentary introducing the reader to the fundamental distinction between actual and virtual worlds in critical practice      Narrative Theory: Political narratology Mieke Bal, 2004

**What Writers Know** Martin Nystrand, 2023-07-24      **Language and World Creation in Poems and Other Texts** Elena Semino, 2014-09-25 Language and World Creation in Poems and Other Texts introduces an interdisciplinary and practical approach to the analysis of poetry which focuses on text worlds namely the contexts scenarios or types of reality that readers construct in their interaction with the language of texts The book demonstrates in detail three ways of approaching poetic text worlds namely as discourse situations possible worlds and mental constructs Clear and detailed introductions to linguistic theories of definiteness and deixis possible world theory and schema theory are included making the book accessible to readers who are unfamiliar with these frameworks      **A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies More than 10 000 titles are included The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies British and Irish American and world literatures written in English are included Other fields covered are folklore film literary theory general and comparative literature language and linguistics rhetoric and composition bibliography and textual criticism and women's studies      *BLL*, 1979      **A Companion to Faulkner Studies** Charles A. Peek, Robert W. Hamblin, 2004-06-30 Faulkner scholarship is one

of the largest critical enterprises currently at work Because of its size and scope accessing that scholarship has become difficult for scholars students and general readers alike This reference includes chapters on individual approaches to Faulkner studies including archetypal historical biographical feminist and psychological criticism among others Each chapter is written by an expert contributor and surveys the contributions of that approach to Faulkner scholarship The volume concludes with a selected general bibliography and glossary of critical terms William Faulkner is one of the most widely read and studied American writers His works have also generated a vast body of scholarship and elicited criticism from a wide range of approaches Because of its size scope and diversity accessing that scholarship has become difficult for scholars students and general readers alike This reference comprehensively overviews the present state of Faulkner studies The volume includes chapters written by expert contributors Each chapter defines a particular critical approach and surveys the contributions of that approach to Faulkner studies Some of the approaches covered are archetypal biographical feminist historical and psychological among others The book closes with a selected general bibliography and glossary of critical terms

*Linguistics for Students of Literature* Elizabeth Closs Traugott, Mary Louise Pratt, 1980      **Reading, Literature, and Psychology in Action** Philip Davis, Rhiannon Corcoran, Josie Billington, Arthur Frank, 2023-06-23 Psychology in Action is a term coined by the Guest Editors from the Centre for Research into Reading Literature and Society CRILS University of Liverpool in their work in filming recording and analyzing shared reading groups led by The Reader organization It refers both to the work of psychology within literary texts and to the responses of multifarious reader participants to literature read live and aloud in small community groups within a variety of settings In particular psychology in action has meant seeing readers suddenly activated into deep personal thinking responding to situations imaginatively simulated by reading literature in ways that trigger surprised and involuntary emotion autobiographical memory and spontaneous empathy      Australian journal of human communication disorders , 1983      *The Linguistic Reporter* , 1981      *Language and Literature Index Quarterly* ,      *Language* George Melville Bolling, Bernard Bloch, 1979 Proceedings of the annual meeting of the Society in v 1 11 1925 34 After 1934 they appear in Its Bulletin      **Developing Response to Poetry** Patrick Dias, Mike Hayhoe, 1988

**The New Poetries** Donald Wesling, 1985 This penetrating analysis of the prosody of modern poetry traces the growth of sprang rhythm free verse and the prose poem out of traditional metered poetry and examines the multiplicity of ways in which modern poetry innovatively employs the complex logical and grammatical structures of language to create poetic style and to distinguish itself from ordinary discourse      **Approaches to Literature Through Literary Form** Paula Kay Montgomery, 1995-11-10 The form in which literature is fashioned and presented often determines its impact Approaches to Literature through Literary Form discusses the various structures of literature narration exposition persuasion procedure and description and identifies sources that will engage student interest Activities teaching techniques and resources are provided for introducing the forms of literature that are explored
