

FastTrack® is (you guessed it!) a fast way to learn to read music and learn how to be a better singer.

Skeptical of method books? (Yeah, we think they're kind of boring, too.) That's why we've tried to make **FastTrack**® different from the rest: user-friendly, plenty of cool songs, and a lot more fun.

In addition to teaching you what you need to know about your voice and the complicated world of music notation, we've included lots of stuff you want to know: scales, intervals, warm-up exercises, tips on breathing and handling a microphone, syncopation and much more.

And while we're bragging, there's an added bonus: the last section of all the **FastTrack**® books (Lead Singer, Guitar, Bass, Keyboard, Drums, Harmonica, Saxophone) are the same so that you and your friends can form a band and jam together!

So, turn the book over (unless you want to read it backwards?!), step out of the shower, loosen up your vocal cords, and let's learn to read music and sing!

Now including **PLAYBACK+**, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, pan left or right — available exclusively from Hal Leonard.

The price of this book includes access to audio tracks online, for download or streaming, using the unique code inside the book.

Also available in the **FastTrack**® Music Instruction series:
