## **Fatal Forces:**

**Horrible Science: Fatal Forces** Nick Arnold, 2014-05-01 Fatal Forces is packed with the most amazing things about physics Readers can find out how gravity can make them lose their heads how they can get walloped by a lamppost what can make fillings explode and how to reach terminal velocity Eek Redesigned in a bold funky new look for the next generation of HORRIBLE SCIENCE fans     Under Pressure Ann Fullick, 2004-04 An overview of what forces are and how they affect the way we live describing such forces as gravity pressure balanced and unbalanced forces and motion on a curve     **Vanishing Point** Tom Wilber, 2023-05-15 In Vanishing Point award winning journalist and author Tom Wilber pieces together the largely forgotten story of the bomber Getaway Gertie and an eclectic group of enthusiasts who have spent years searching for it At the height of World War II a B 24 Liberator bomber vanished with its crew while on a training mission over upstate New York The final hours and ultimate resting place of pilot Keith Ponder and seven other US aviators aboard the plane remain mysteries to this day The tale is at once a compelling instance of loss on the World War II American home front and a more extensive largely unreported history Ponder a 21 year old from rural Mississippi and his crew were tragically unexceptional casualties in the monumental effort to recruit and train an air force en masse to counter the global conquest of Nazi Germany and Imperial Japan More than fifteen thousand American airmen and in some cases women burned crashed or fell to their deaths in stateside training accidents during the war their lives and stories shuffled away in piles of Air Force bureaucracy The forgotten story of Getaway Gertie was originally inspired by summer evenings around the campfire on the shores of Lake Ontario where parts of the plane have washed up Building on those campfire tales Wilber deftly connects myth with fact and memory with historicity The result is a vivid portrait of the forgotten soldier of the home front and a new take on the meaning of wartime sacrifice as the last survivors of the Greatest Generation pass away     Cinepaternity Helena Goscilo, Yana Hashamova, 2010-03-30 This wide ranging collection investigates the father son dynamic in post Stalinist Soviet cinema and its Russian successor Contributors analyze complex patterns of identification disavowal and displacement in films by such diverse directors as Khutsiev Motyl Tarkovsky Balabanov Sokurov Todorovskii Mashkov and Bekmambetov Several chapters focus on the difficulties of fulfilling the paternal function while others show how vertical and horizontal male bonds are repeatedly strained by the pressure of redefining an embattled masculinity in a shifting political landscape     **Medicolegal Neuropathology** David Dolinak, Evan W. Matshes, 2002-05-30 With nearly 600 autopsy photographs this atlas shows various trauma and diseases of the brain and spinal cord in the forensic context of sudden death investigation It also provides a simple straight forward concise text organized in a primarily case oriented format Unlike most other neuropathology texts attention is given to skull fractures and scalp injuries Where necessary radiologic and microscopic images have also been included to facilitate learning along with a brief general anatomy of the brain and spinal cord Thus pathologists who are not specialized in neuropathology can compare a variety of autopsy findings with cases illustrated in the text     **Cognitive**

**Semiotics** Per Aage Brandt,2020-05-14 Interrogating the relatively new field of cognitive semiotics this book explores shared issues in cognitive science and semiotics Building on research from recent decades Per Aage Brandt investigates the potential of a cognitive semiotic approach to enhance our understanding of language thought and semiosis in general Introducing a critical non standard approach both to cognitive science and to semiotics this book discusses the understanding of meaning and mind through four major dimensions mental architecture mental spaces discourse coherence and eco organization Encompassing a rich variety of topics and debates Cognitive Semiotics outlines several bridges between continental and analytic thinking in the study of semantics pragmatics discourse and the philosophy of language and mind

*Nationalism in Contemporary Western European Cinema* James Harvey,2018-06-21 This book investigates screen representations of 21st century nationalism arguably the most urgent and apparent phenomenon in the Western world today

The chapters explore recurrent thematic and stylistic features of 21st century western European cinema and analyse the ways in which film responds to contemporary developments of mounting tensions and increasing hostilities to difference. The collection blends incisive sociological and historical engagement with close textual analysis of many types of screen media including popular cinema, art house productions, low budget independent work, documentary and video installation. Identifying motifs of nationhood and indigeneity throughout the contributors of this volume present important perspectives and a timely cultural response to the contemporary moment of nationalism.

**Second World and Green World** Harry Berger (Jr.), 1988  
 Harry Berger is a brilliant, tenacious, indefatigable close reader of Renaissance texts. In fact, his remarkably restless and capacious intelligence illuminates virtually the whole range of Renaissance cultural artifacts and then turns upon itself to illuminate its own theoretical assumptions and critical procedures. The essays in this book are essential reading for students of Renaissance culture. Stephen Greenblatt, University of California Berkeley. This collection of Harry Berger's essays is a major and long awaited event for students of Renaissance literature and art. Readers in other fields will also be interested in following an exceptionally innovative mind as it moves across many disciplinary boundaries. Margaret W. Ferguson, University of Colorado Boulder.

**A Poetic History of the Oceans** Søren Frank, 2022-07-18  
 What is the ocean's role in human and planetary history? How have writers, sailors, painters, scientists, historians and philosophers from across time and space poetically envisioned the oceans and depicted human entanglements with the sea? In order to answer these questions, Søren Frank covers an impressive range of material in *A Poetic History of the Oceans*. Greek, Roman and Biblical texts, an Icelandic Saga, Shakespearean drama, Jens Munk's logbook, 19th century writers such as James Fenimore Cooper, Herman Melville, Jules Michelet, Victor Hugo, Jules Verne, Jonas Lie and Joseph Conrad, as well as their 20th and 21st century heirs like J.G. Ballard, Jens Bjørneboe and Siri Ranva Hjelm Jacobsen. *A Poetic History of the Oceans* promotes what Frank labels an amphibian comparative literature and mobilises recent theoretical concepts and methodological developments in Blue Humanities, Blue Ecology and New Materialism to shed new light on well known texts and introduce readers to important but lesser known Scandinavian literary engagements with the sea.
