Fateful Deception:

Fateful Deception Ron Flanigan, Jeff Keller, 1995 **Fatal Deception** Michael Bowker, 2003-09-02 STILL LEGAL STILL LETHAL Most Americans mistakenly believe asbestos was banned long ago In fact it is still legal and can still kill you Its microscopic fibers cause painful and incurable diseases Despite being outlawed in nearly every other industrialized country asbestos remains a legal component of more than three thousand common products in the United States These include toasters washers dryers ovens building supplies and automobile brakes Our confusion about asbestos is no accident Fatal Deception is a chilling expos of the asbestos industry s successful seventy year campaign to hide the deadly effects of its products from the American people The stakes are high tens of thousands of lives and hundreds of billions of dollars Michael Bowker rips the cover off the decades of deceit including the treachery in Libby Montana site of the most deadly environmental disaster in U S history He also unveils a startling and ongoing cover up at Ground Zero where thousands of New Yorkers may still be suffering from exposure to dangerous levels of asbestos fibers Compelling enraging and very timely Fatal Deception is not just a fascinating story it is a plea to the government and to the American people to help sponsor research into asbestos related diseases and a call to arms to ban asbestos now Fatal Flaw (Fatal Series, Book 4) Marie Force, 2021-10-15 Back from their honeymoon Senator Nick Cappuano and D C Police Lieutenant Sam Holland are ready for some normalcy after the whirlwind of their wedding but someone has other plans for them When Sam discovers wedding cards containing thinly veiled death threats she s not sure if she or Nick is the target Already on edge Sam and her team start investigating a series of baffling murders The victims are well liked with no known enemies and the murders are carried out in a clean and efficient manner Unable to find a clear motive for the deaths she feels like she s chasing her tail With no obvious connection between the victims Sam soon suspects that she may be the ultimate prize in the killer s clever game When the danger starts to hit a little too close to home she has two goals find the elusive murderer and manage to live long enough to enjoy her happily ever after **The Search for Modern Tragedy** Mary Ann Frese Witt, 2001 The attempt to apply an aesthetic or literary approach to fascism remains controversial In The Search for Modern Tragedy Mary Ann Frese Witt explores the work of a group of European writers and artists who came to fascism by way of aesthetics In Italy and France she maintains an ideological aesthetic of Mediterranean fascism developed to a large extent independently of German Nazism Witt s study of the relationship between fascism and modern tragedy encompasses theoretical writing on tragedy and tragedies by key authors including Luigi Pirandello Henry de Montherlant and Jean Anouilh She looks at these tragedies in the context of their reception under fascism in Italy and in Vichy France Fascism in the minds of many of its supporters was an aesthetic or spiritual movement although its aesthetic and political elements were often intertwined The Search for Modern Tragedy is not concerned primarily with drama written as a means of conveying fascist propaganda Rather Witt is concerned with the influence of aesthetic fascism on the theory and practice of modern tragedy **2010 Novel & Short**
