**Father and Son Reading Group Guide** Larry Brown, 1997-09-01      **Reading Raps** Rita Soltan, 2005-12-30 Book clubs are sprouting up all over and so are book club guides but not all book club guides are equal Many focus on a specific type of book club or they take a generic approach of one size fits all and most do not take into account the special needs of librarians and educators working with young readers This guide has it all and it will help you ensure that your book club meetings are both fun and educational Focusing on children in grades 3 8 and their families the book offers 100 ready made book club instructions for popular children s and YA titles from newer releases such as Theresa Nelson s Ruby Electric and Blue Balliett s Chasing Vermeer to perennial favorites and award winning classics such as Johanna Hurwitz s Much Ado about Aldo and Gary Soto s Baseball in April and Other Stories Along with thought provoking discussion questions you ll find all the background information you need to conduct lively book discussions with a variety of readers plot summary themes and characters description genre reading level author and award information related reads and more The guide describes four types of family oriented book clubs family mother daughter father son and readers rap as well as a book club for kids only The author provides practical instructions for making each type of book club successful For each title she provides a plot summary characterization sketches questions to use for provocative discussion and follow up bibliographies on similar reads Notes on genres themes and reading levels are also provided The selected titles reflect some of the best most current and most popular children s literature In addition a broad scope of genres and multicultural titles are included Perfect for public library programs and after school book clubs this is a one stop resource with practical ready made plans that can easily be adapted to multiple environments Grades 3 8      **The Countess** Rebecca Johns, 2011-09-27 Was the Blood Countess history s first and perhaps worst female serial killer Or did her accusers create a violent fiction in order to remove this beautiful intelligent ambitious foe from the male dominated world of Hungarian politics In 1611 Countess Erzs bet B thory a powerful Hungarian noblewoman stood helpless as masons walled her inside her castle tower dooming her to spend her final years in solitary confinement Her crime the gruesome murders of dozens of female servants mostly young girls tortured to death for displeasing their ruthless mistress Her opponents painted her as a bloodthirsty krata a witch a portrayal that would expand to grotesque proportions through the centuries In this riveting dramatization of Erzs bet B thory s life the countess tells her story in her own words writing to her only son a final reckoning from his mother in an attempt to reveal the truth behind her downfall Countess B thory describes her upbringing in one of the most powerful noble houses in Hungary recounting in loving detail her devotion to her parents and siblings as well as the heartbreak of losing her father at a young age She soon discovers the price of being a woman in sixteenth century Hungary as her mother arranges her marriage to Ferenc N dasdy a union made with the cold calculation of a financial transaction Young Erzs bet knows she has no choice but to accept this marriage even as she laments its loveless nature and ultimately turns to the illicit affections of another man Seemingly

resigned to a marriage of convenience and a life of surreptitious pleasure the countess surprises even herself as she ignites a marital spark with Ferenc through the most unromantic of acts the violent punishment of an insolent female servant The event shows Ferenc that his wife is no trophy but a strong determined woman more than capable of managing their vast estates during Ferenc's extensive military campaigns against the Turks Her naked assertion of power accomplishes what her famed beauty could not capturing the love of her husband The countess embraces this new role of loving wife and mother doing everything she can to expand her husband's power and secure her family's future But a darker side surfaces as Countess Bthory's demand for virtue obedience and above all respect from her servants takes a sinister turn What emerges is not only a disturbing unflinching portrait of the deeds that gave Bthory the moniker Blood Countess but an intimate look at the woman who became a monster

**The Last September** Nina de Gramont, 2015-09-15 The Last September is a wonderful glowing book populated by characters that become a part of your life long after the last page has been turned It is the type of novel writers admire and readers long for Jason Mott author of *The Returned* Brett has been in love with her husband Charlie from the day she laid eyes on him in college When he is found murdered Brett is devastated But if she is honest with herself their marriage had been hanging by a thread for quite some time All clues point to Charlie's mentally ill brother Eli but any number of people might have been driven to kill Charlie a handsome charismatic man who unwittingly damaged almost every life he touched Brett is determined to understand how such a tragedy could have happened and whether she was somehow complicit Set in the desolate autumn beauty of Cape Cod this riveting emotional puzzle explores the psyche of a woman facing down the meaning of love and loyalty Brilliant rendering of love story and murder mystery I was hooked by the first paragraph which somehow contains all the beautiful luminous grief of the whole story and I truly did not want to let it go in the end Brad Watson author of *Aliens in the Prime of Their Lives* A moody murder mystery Boasts lovely understated writing sharply drawn settings and once again characters who are irresistibly attractive flawed and dangerous A fine literary whodunit from an accomplished storyteller Kirkus Reviews
