Father Father:

Jesus and the Father Kevin N. Giles, 2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity In Jesus and the Father Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father Son Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so called economic Trinity and the immanent Trinity Does the Father Son relationship in the Trinity prescribe male female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity Millard Erickson author Christian Theology By showing that subordinationism is a revival of a heresy that was systematically rejected by the non Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully considered Paul D Molnar professor of systematic theology St John s University

The Shape of Social Inequality David Bills,2005-08-24 This volume brings together former students colleagues and others influenced by the sociological scholarship of Archibald O Haller to celebrate Haller s many contributions to theory and research on social stratification and mobility All of the chapters respond to Haller s programmatic agenda for stratification research A full program aimed at understanding stratification requires first that we know what stratification structures consist of and how they may vary second that we identify the individual and collective consequences of the different states and rates of change of such structures and third seeing that some degree of stratification seems to be present everywhere that we identify the factors that make stratification structures change The contributors to this Festschrift address such topics as the changing nature of stratification regimes the enduring significance of class analysis the stratifying dimensions of race ethnicity and gender and the interplay between educational systems and labor market outcomes Many of the chapters adopt an explicitly cross societal comparative perspective on processes and consequences of social stratification The volume offers both conceptually and empirically important new analyses of the shape of social stratification

Sacred Fire Kalonymus Kalmish Shapira,2002-08-22 Sacred Fire Torah from the Years of Fury 1939 1942 consists of commentaries on each weekly Torah portion It also includes a number of lengthy sermons delivered on the major Jewish Festivals as well as a few discourses alluding to people loved and lost Because writing is not permitted on the Sabbath these words of Torah were transcribed from memory after the Sabbath or festival had ended Although the pages of Sacred

Fire are not stained with the names of its author's tormentors there are numerous references to historical events through which parallels can be drawn Rabbi Shapira often refers for example to the binding of Isaac and the martyrdom of Rabbi Akiba Sacred Fire forms a religious spiritual response to the Holocaust that speaks from the heart of the darkness In doing so it may well form the basis for what could one day become Judaism's formal liturgical response to the events that occurred during those years of fury **House Documents** USA House of Representatives,1844 **Vital Statistics of the United States** ,1941 **Commentaries on the Laws of England, in Four Books.
