Faust I & II, Volume 2 Johann Wolfgang von Goethe, 2014-04-06 One of the great classics of European literature Faust is Goethe's most complex and profound work To tell the dramatic and tragic story of one man's pact with the Devil in exchange for knowledge and power Goethe drew from an immense variety of cultural and historical material and a wealth of poetic and theatrical traditions What results is a tour de force illustrating Goethe's own moral and artistic development and a symbolic cautionary tale of Western humanity striving restlessly and ruthlessly for progress Capturing the sense poetic variety and tonal range of the German original in present day English Stuart Atkins's translation presents the formal and rhythmic dexterity of Faust in all its richness and beauty without recourse to archaisms or interpretive elaborations Featuring a new introduction by David Wellbery this Princeton Classics edition of Faust is the definitive English version of a timeless masterpiece

Randall Jarrell and His Age Stephanie Burt, 2005-04-06 Randall Jarrell 1914-1965 was the most influential poetry critic of his generation He was also a lyric poet comic novelist translator children's book author and close friend of Elizabeth Bishop Robert Lowell Hannah Arendt and many other important writers of his time Jarrell won the 1960 National Book Award for poetry and served as poetry consultant to the Library of Congress Amid the resurgence of interest in Randall Jarrell Stephen Burt offers this brilliant analysis of the poet and essayist Burt's book examines all of Jarrell's work incorporating new research based on previously undiscovered essays and poems Other books have examined Jarrell's poetry in biographical or formal terms but none have considered both his aesthetic choices and their social contexts Beginning with an overview of Jarrell's life and loves Burt argues that Jarrell's poetry responded to the political questions of the 1930s the anxieties and social constraints of wartime America and the apparent prosperity domestic ideals and professional ideology

that characterized the 1950s Jarrell's work is peopled by helpless soldiers anxious suburban children trapped housewives and lonely consumers Randall Jarrell and His Age situates the poet critic among his peers including Bishop Lowell and Arendt in literature and cultural criticism Burt considers the ways in which Jarrell's efforts and achievements encompassed the concerns of his time from teen culture to World War II to the Cuban Missile Crisis the book asks too how those efforts might speak to us now

Warren, Jarrell, and Lowell Joan Romano Shifflett, 2020-06-03 Robert Penn Warren Randall Jarrell and Robert Lowell maintained lifelong well documented friendships with one another often discussing each other's work in private correspondence and published reviews Joan Romano Shifflett's Warren Jarrell and Lowell Collaboration in the Reshaping of American Poetry traces the artistic and personal connections between the three writers

Her study uncovers the significance of their parallel literary development and reevaluates dominant views of how American poetry evolved during the mid twentieth century Familiar accounts of literary history most prominently the celebration of Lowell's Life Studies as a revolutionary breakthrough into confessional poetry have obscured the significance of the deep connections that Lowell shared with Warren and Jarrell They all became quite close in the 1930s with the content and style of their early poetry revealing the impact of their mentors John Crowe Ransom and Allen Tate whose aesthetics the three would ultimately modify and transform The three poets achieved professional maturity and success in the 1940s during which time they relied on one another's honest critiques as they experimented with changes in subject matter and modes of expression Shifflett shows that their works of the late 1940s were heavily influenced by Robert Frost This period found Warren Jarrell and Lowell infusing ostensibly simple verse with multifaceted layers of meaning capturing the language of speech in diction and rhythm and striving to raise human experience to a universal level During the 1950s the three poets became public figures producing major works that addressed the nation's postwar need to reconnect with humanity Warren Jarrell and Lowell continued to respond in interlocking ways throughout the 1960s with each writer using innovative stylistic techniques to create a colloquy with readers that directed attention away from superficial matters and toward the important work of self reflection Drawing from biographical materials and correspondence along with detailed readings of many poems Warren Jarrell and Lowell offers a compelling new perspective on the shaping of twentieth century American poetry

Selected Letters of Robert Penn Warren Robert Penn Warren, 2008-05-01 Volume four of the Selected Letters of Robert Penn Warren covers a crucial time of personal and professional rejuvenation in Warren's life During the fifteen year period spanned by this correspondence he completed Brother to Dragons Segregation The Inner Conflict in the South and Who Speaks for the Negro As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection Promises Along with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life including his move to Yale University his marriage to his second wife Eleanor and the birth of his two children As a chronicle of Warren's thoughts on his family his work his friends the state of literary studies and the culture at large these letters are invaluable Unlike many writers Warren rarely drafted

his correspondence with future readers and scholars in mind he typically saved his prepared statements about the human condition and the state of the world for his poetry fiction and social commentary His letters offer a candid and personal glimpse of Warren s relationships as well as his personal views on literature politics and social trends Their recipients include Ralph Ellison Allen Tate Saul Bellow Robert Lowell Eudora Welty and Louis Rubin as well as Warren s editors reviewers collaborators and other friends Providing an unusually vivid and personal account of Warren s rich and fully realized life these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history

Cold War Ecology Arvid Nelson,2008-10-01 East Germany its economy and its society were in decline long before the country s political collapse in the late 1980s The clues were there in the natural landscape Arvid Nelson argues in this groundbreaking book but policy analysts were blind to them Had they noted the record of the leadership s values and goals manifest in the landscape they wouldn t have hailed East Germany as a Marxist Leninist success story Nelson sets East German history within the context of the landscape history of two centuries to underscore how forest and ecosystem change offered a reliable barometer to the health and stability of the political system that governed them Cold War Ecology records how East German leaders indifference to human rights and their disregard for the landscape affected the rural economy forests and population This lesson from history suggests new ways of thinking about the health of ecosystems and landscapes Nelson shows and he proposes assessing the stability of modern political systems based on the environment s system qualities rather than on political leaders goals and beliefs
