socio political use of art as a cultural soft power both within the American and Italian contexts Fourth it highlights the important role race and culture of Italians and Italian Americans played in the installation and success of this exhibition Lastly therefore this study connects an investigation of modernist sculpture modern design post war exhibitions sociology and transatlantic politics and economics to highlight the important role sculpture played in post war Italian and American cultural production The book will be of interest to scholars working in art history design history museum studies Italian studies and American studies **Fausto Melotti** Elena Geuna,2008 *Enrico Castellani* Enrico Castellani,2011
