Do You Now Believe G. David Gardiner, 2012-07 The most important thing in this life is to know that we are in the faith and in Christ In church we hear many things pertaining to the time when Jesus will come and restore all things to the way that they should be It is a wise thing to examine our own lives to be sure that we are truly living in the faith of Jesus Christ the way we should be 2 Corinthians 13 5 Examine yourselves as to whether you are in the faith Prove yourselves Do you not know yourselves that Jesus Christ is in you unless indeed you are disqualified 2 Timothy 2 15 Be diligent to present yourself approved to God a worker who does not need to be ashamed rightly dividing the word of truth In Philippians 3 8 9 we read that the righteousness of God is what we are after But indeed I also count all things loss for the excellence of the knowledge of Christ Jesus my Lord for whom I have suffered the loss of all things and count them as rubbish that I may gain Christ and be found in Him not having my own righteousness which is from the law but that which is through faith in Christ the righteousness which is from God through faith Romans 1 16 17 For I am not ashamed of the gospel of Christ for it is the power of God to salvation for everyone who believes for Jew first and also for the Greek For in it the righteousness of God is revealed from faith to faith as it is written The just shall live by faith The righteousness of God is revealed in scripture Let us be sure that we do not hide ourselves from the righteousness of God Matthew 5 6 Blessed are those who hunger and thirst for righteousness for they shall be filled

Beyond Multiculturalism Charles A. Cook, Lorajoy Tira-Dimangondayao, Lauren Umbach, 2024-10-29 The Canadian socio cultural landscape is undergoing constant transformation due to immigration Communities of faith have traditionally embraced this diversity through a stance of hospitality framed by a modern idea of multiculturalism However the modern idea of multiculturalism often falls short of fully integrating newcomers into the family life and leadership of a congregation As diverse cultural expressions of world Christianity continue to blossom throughout Canada both new and established Canadians must explore relational approaches to transcend historical cultural racial and linguistic divides The goal is to foster genuine community and forge deeper covenantal unity allowing the transformative nature of King Jesus to be evident to the world Beyond Multiculturalism advocates for Christians to showcase tangible examples of Jesus Kingdom culture in which humility compassion and self giving love are valued Authored by Canadian scholars and practitioners representing twelve ethnicities and ten denominations the chapters delve into various theological sociological and pragmatic aspects that churches should address These considerations aim to guide churches into deeper conversation enabling them to align with the evolving dynamics of God's work in Canada and worldwide

Living "Illegal" Marie Friedmann Marquardt, Timothy J. Steigenga, Philip J. Williams, Manuel A. Vásquez, 2013-04-02 A myth busting account of the tragedies trials and successes of undocumented immigration in the United States For decades now America s polarizing debate over immigration revolved around a set of one dimensional characters and unchallenged stereotypes The resulting policies from the creation of ICE in 2003 to Arizona s draconian law SB 1070 are dangerous and profoundly counterproductive Based on years of research into the lives of ordinary migrants Living Illegal offers richly textured stories of real people working building families and enriching their communities even as the political climate grows more hostile In the words of Publishers Weekly it is a compassionate and well reasoned exploration of why migrants come to the U S and how they integrate into American society Moving beyond conventional arguments Living Illegal challenges our assumptions about who these people are and how they have adapted to the confusing patchwork of local immigration ordinances This revealing narrative takes us into Southern churches often the only organizations open to migrants into the fields of Florida onto the streets of major American cities during the immigrant rights marches of 2006 and across national boundaries from Brazil to Mexico and Guatemala
