Bartlett, 2024-01-25 Begins where diversity audits end informing and supporting academic school and public librarians in the quest to embed diversity equity and inclusion in a meaningful and sustainable manner throughout collections policies and practices A primary question for many librarians directors and board members is how to evaluate diversity in a collection on an ongoing basis Curating Community Collections provides librarians with the tools they need to understand the results of diversity audits and to formulate a reasonable achievable plan for increasing diversity equity and inclusion not only in the collection itself but also in library collection policies and practices Information on ways to make diversity equity and inclusion part of a library s everyday workflow will help ensure the sustainability of these principles Mary Schreiber and Wendy Bartlett teach readers how to increase the number of diverse materials in their collections and make them more discoverable to library patrons through the implementation of a community collections program Stories from librarians around the United States and Canada who are auditing and improving the diversity of their collections add broad scalable perspectives for libraries of any size budget and mission Action steps provided at the end of each section offer a practical road map for all types of libraries to curate a diverse equitable and inclusive community collection We are an African People Russell John Rickford, 2016 A history of black independent schools as the forge for black nationalism and a vanguard for black sovereignty in the 1960s and 70s Alexandria's Freedmen's Cemetery: A Legacy of Freedom Char McCargo Bah, Edited by Mumini M. Bah, 2019 At the beginning of the Civil War Federal troops secured Alexandria as Union territory Former slaves called contrabands poured in to obtain protection from their former masters. Due to overcrowding mortality rates were high Authorities seized an undeveloped parcel of land on South Washington Street and by March 1864 it had been opened as a cemetery for African Americans Between 1864 and 1868 more than 1 700 contrabands and freedmen were buried there For nearly eighty years the cemetery lay undisturbed and was eventually forgotten Rediscovered in 1996 it has now been preserved as a monument to the courage and sacrifice of those buried within Author and researcher Char McCargo Bah recounts the stories of those men and women and the search for their descendants back cover Festivals of Freedom Mitch Kachun, Mitchell Alan Kachun, 2006-03-01 With the abolition of the transatlantic slave trade in 1808 many African Americans began calling for a day of publick thanksgiving to commemorate this important step toward freedom During the ensuing century black leaders built on this foundation and constructed a distinctive and vibrant tradition through their celebrations of the end of slavery in New York State the British West Indies and eventually the United States as a whole In

this revealing study Mitch Kachun explores the multiple functions and contested meanings surrounding African American emancipation celebrations from the abolition of the slave trade to the fiftieth anniversary of U S emancipation Excluded from July Fourth and other American nationalist rituals for most of this period black activists used these festivals of freedom to encourage community building and race uplift Kachun demonstrates that even as these annual rituals helped define African Americans as a people by fostering a sense of shared history heritage and identity they were also sites of ambiguity and conflict Freedom celebrations served as occasions for debate over black representations in the public sphere struggles for group leadership and contests over collective memory and its meaning Based on extensive research in African American newspapers and oration texts this book retraces a vital if often overlooked tradition in African American political culture and addresses important issues about black participation in the public sphere By illuminating the origins of black Americans public commemorations it also helps explain why there have been increasing calls in recent years to make the Juneteenth observance of emancipation an American not just an African American day of commemoration Black Enterprise .1989-02 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance Making the World a Better Place Jacqueline Jones Royster, 2023-06-27 In Making the World a Better Place Royster argues that African American women must be taken seriously as historical actors who were more consistently and more variously engaged in community and nation building than they have been given credit for Their considerable rhetorical expertise becomes evident when looking carefully at their work in terms of identity agency authority and expressiveness Their writings constitute a substantial artifactual record of their levels of engagement their excellence in sociopolitical work and the legacies of leadership and action The writing of African American women during the nineteenth century reflects their own perceptions of the ways and means of their lives They deserve to be recognized as consequential contributors to the narratives of the nation rather than marginalized as a group To that end Jacqueline Jones Royster offers a deeper understanding often through their own words of these women their practices and their achievements Freedom <u>Libraries</u> Mike Selby, 2019-10 This book delves into how Freedom Libraries were at the heart of the Civil Rights Movement and the remarkable courage of the people who used them As the Civil Rights Movement exploded across the United States numerous libraries were desegregated on paper only and there was another virtually unheard of struggle the right to read

Department Stores and the Black Freedom Movement Traci Parker,2019-04-08 In this book Traci Parker examines the movement to racially integrate white collar work and consumption in American department stores and broadens our understanding of historical transformations in African American class and labor formation Built on the goals organization and momentum of earlier struggles for justice the department store movement channeled the power of store workers and consumers to promote black freedom in the mid twentieth century Sponsoring lunch counter sit ins and protests in the 1950s

and 1960s and challenging discrimination in the courts in the 1970s this movement ended in the early 1980s with the conclusion of the Sears Roebuck and Co affirmative action cases and the transformation and consolidation of American department stores In documenting the experiences of African American workers and consumers during this era Parker highlights the department store as a key site for the inception of a modern black middle class and demonstrates the ways that both work and consumption were battlegrounds for civil rights Freedom's Racial Frontier Herbert G. Ruffin, Dwayne A. Mack, 2018-03-15 Between 1940 and 2010 the black population of the American West grew from 710 400 to 7 million With that explosive growth has come a burgeoning interest in the history of the African American West an interest reflected in the remarkable range and depth of the works collected in Freedom's Racial Frontier Editors Herbert G Ruffin II and Dwayne A Mack have gathered established and emerging scholars in the field to create an anthology that links past current and future generations of African American West scholarship The volume s sixteen chapters address the African American experience within the framework of the West as a multicultural frontier The result is a fresh perspective on western U S history centered on the significance of African American life culture and social justice in almost every trans Mississippi state Examining and interpreting the twentieth century while mindful of events and developments since 2000 the contributors focus on community formation cultural diversity civil rights and black empowerment and artistic creativity and identity Reflecting the dynamic evolution of new approaches and new sites of knowledge in the field of western history the authors consider its interconnections with fields such as cultural studies literature and sociology Some essays deal with familiar places while others look at understudied sites such as Albuquerque Oahu and Las Vegas Nevada By examining black suburbanization the Information Age and gentrification in the urban West several authors conceive of a Third Great Migration of African Americans to and within the West The West revealed in Freedom's Racial Frontier is a place where black Americans have fought and continue to fight to make their idea of freedom live up to their expectations of equality a place where freedom is Freedom in My Heart Cynthia Jacobs Carter, 2008 This unparalleled still a frontier for most persons of African heritage companion volume uses the remarkable artifacts images and documents of the United States National Slavery Museum to trace the entire history of slavery in North America from the societies of ancient Africa to the repercussions still faced by Americans today and to celebrate the perseverance and ultimate triumph of a people Handbook of Black Librarianship Andrew P. Jackson, Marva L. DeLoach, Michele Fenton, 2024-12-15 Winner of the BCALA 2025 Literary Award for Outstanding Contribution to Publishing As Dr Josey and Ms DeLoach wrote in their Introduction to the second edition of The Handbook of Black Librarianship In designing the second edition of The Handbook of Black Librarianship the editors felt that this work should be a reference tool related to the various aspects of African Americans in librarianship and their work in libraries That first edition covered issues faced by black library professionals in the various fields of librarianship organizations formed black library collections and books resources and other areas of progress The second edition published twenty three years

later highlighted more current events in Black librarianship early and contemporary library organizations vital issues African American resources discussions on and about librarianship a focus on health librarianship and information resources and education It has now been another twenty two years since the last edition and time to reflect on various aspects of African Americans in our profession as well as the advancements over the past two and a half decades and to review those issues African Americans still face and how modern technological advancements have impacted our profession and the lives of Black librarians This third edition s coverage includes Pioneers and Landmark Episodes A Chronology of Events in Black Librarianship African American Forerunners in Librarianship Modern Day Black Library Organizations Vital Issues in Black Librarianship Library Service to Our Communities Library Technology and Black Librarianship Pearls from Our Retirees Issues in Diversity Inclusion and Multiculturalism African Library Resources and Education Banned Books and Significant Books and Periodicals for Black Collections Freedom by Any Means Betty DeRamus, 2009-02-03 Following up Betty DeRamus's Essence bestselling Forbidden Fruit Freedom by Any Means follows the story of extraordinary acts of courage and love by Blacks in the American slave era with beautifully written and inspiring stories of how slaves used the law against all odds to gain freedom for themselves and loved ones In Freedom by Any Means Betty DeRamus explains that Much of what we think we know about African American history isn t completely true Slave freedom isn t limited to the usual story slaves gained their freedom by running away being freed by their owners buying their way out of bondage or having someone else buy them But history doesn t account for the slaves who bluffed their way to freedom sidestepped tricks and traps won lawsuits or even gained their freedom by their cooking Riveting and surprising DeRamus captures the tumultuous lives of the humans in inhumane situations who were able to salvage their families and marriages and achieve freedom together against tremendous odds It takes a broader look at the various extraordinary ways that enslaved and dehumanized people achieved freedom and the means to a self determined life Among these people are visionaries who not only survived against the odds but prospered building businesses owning land and other property Freedom by Any Means also features the return of many of the beloved figures from her previous book Forbidden Fruit including Lucy Nichols Al and Margaret Wood and Sylvia and Louis Stark This inspiring account steeped in rich historical research attests to the resolve of the human spirit and reveals how men and women were willing to risk it all to escape the slavery
