Freeing Yourself From The Unspeakable Jealousy Envy Rage:

The Body as Shadow Eleanor Limmer MSW,2014-04-10 The Body is very often the personification of this shadow of the ego Sometimes it forms the skeleton in the cupboard wrote Carl Jung and everybody naturally wants to get rid of such a thing Through the symbolism of illness and physical symptoms our bodies reflect the darkness and the light the shadow holds for us until we are ready to accept it It is the shadow face of our souls that holds the light and the darkness until we are strong enough to face and heal what we have previously denied or rejected about ourselves Our bodies and their ailments are not our enemies and neither are our shadows The shadow reveal the negative ego patterns we had previously rejected or denied through the messages of our illnesses so we can recognize forgive and heal them The shadow is the ally of our true self and the enemy of our negative egos

Did You Receive the Holy Spirit When You Believed? (Acts 19:2) Bob McArthur,2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched

The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Dont be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way

This is a remarkable book written by a remarkable person Within these pages Carolyn shares something of her own experiences and uses them to give us insight into the effects of trauma and abuse Perhaps what is most notable is that it is all done within the glorious hope of the transformation that Jesus can bring to the darkest of places Thank you for this book which brings hope and confidence that Jesus through his Church can bring healing and restoration to those who have suffered so much Rev John Ryeland Director of Christian Healing Mission London Carolyn Bramhall is living proof that even the deepest issues can be fully resolved in Christ As a sufferer from DID for many years she knows what she is talking about Even better she has now spent a decade or more living free of it and helping others to take hold of that freedom for themselves If you want a good understanding of what DID is and how it can be resolved in Christ it s difficult to imagine a better book to read Steve Goss International Director of Freedom in Christ Ministries *Abiding in Christ* Reimar A.
