French Social Theory

Roberta Garner, Black Hawk Hancock

French Social Theory:

French Social Theory Mike Gane, 2003-03-06 This accomplished book provides a peerless account of the French tradition. It provides an overview of French social theory, divides French social theory into three coherent cycles: positivist, anthropological, and Marxist, and situates the discussions of individuals and schools in the relevant social and political contexts.

French Social Theory Veronique Mottier, 2022-06-27 French theory has been the subject of intense interest in the Anglo American world for the last fifty years, and its influence is prominent in many fields in the humanities and social sciences. In this engaging work, Veronique Mottier explores the ideas of key authors in postwar French social theory, from de Beauvoir, Foucault, and Bourdieu to Boltanski and Kaufmann, and demonstrates their relevance today. The author shows how French social theorists characteristically frame their works as dialogues with or polemical attacks on each other. This underlying dimension of French social theory has often gone unacknowledged in the Anglo American world, and Mottier redresses the balance by examining the disagreements, controversies, and debates surrounding each thinker. This erudite and informative book offers a systematic and up-to-date discussion of the central ideas of key French theorists and their critical rethinking of power and politics, identity and agency, language and meaning, gender, race, and sexuality, outlining both the theoretical and the political implications of their work. It will be of great interest to all students and scholars in the arts and humanities, and in particular to social and political scientists.

French Social Theory Mike Gane, 2003-03-06 No national tradition of social theory has been more seductive to Anglo American readers than the French. There has been a long standing fascination with French ideas and debates. This extraordinarily accomplished book, written by one of Britain's leading commentators on social theory, provides a peerless account of the French tradition. The book provides a systematic account of French social theory from the aftermath of the French Revolution (St Simon, Bazard, and Comte) to the contemporary scene dominated by Kristeva, Deleuze, Bourdieu, and Baudrillard. It divides French social theory into three logically coherent cycles: 1800-80 positivist, 1880-1940 anthropological, 1940-2000 Marxist. It provides a detailed guide to the three phases of postwar French social theory: existential, structural, and post-structural, and situates the discussions of individuals and schools in the relevant social and political contexts. The book is a masterpiece of erudition and scholarship, but is written throughout in an engaging and informative style. It will be required reading for anyone interested in social theory and sociology.

French Post-War Social Theory Derek Robbins, 2011-11-09 Derek Robbins has shown once again that he is one of the few Anglophone scholars with an exceptionally profound and impressively comprehensive knowledge of the history of modern European social thought. This book is a must for anybody interested in twentieth-century French social theory. The coverage is wide-ranging; the information provided is authoritative; complex ideas are presented in an accessible language; key controversies are explained in an eloquent and thought-provoking fashion; and perhaps most importantly, seemingly abstract tensions between intellectual positions are put into historical context. Dr Simon Susen, City University.

London Detailed timely and original this book explores the trans cultural transmission of social theory Derek Robbins presents us with a chronological commentary on the intellectual production of five French social thinkers Aron Althusser Foucault Lyotard Bourdieu and on the English reception of their texts The book Sets up a Bourdieusian investigation of the habitus of the five thinkers and comparatively of the national sub fields of intellectual discourse Enables an inter active generation of enquiry based on the primacy of individual experience Challenges the social sciences to abandon their grand narratives and to advance the cause of social democratic inclusion Reconciles the legacies of the work of Bourdieu and Lyotard in order to advance practically a socio analytic recognition of dissensus or difference By representing modern classics of French social thought in socio political context this in depth study encourages all social researchers to reflect on their use of social theories in their practice

Social Theory Daniel W. Rossides,1998 Social Theory Its Origins History and Contemporary Relevance analyzes the tradition of social theory in terms of its origins and changes in kind of societies Rossides provides a full discussion of the sociohistorical environments that generated Western social theory with a focus on the contemporary modern world While employing a sociology of knowledge approach that identifies theories as aristocratic versus democratic liberal versus socialist and also liberal feminist versus radical feminist it attempts to construct a scientific unified social theory in the West Additionally it also features African American theory American culture studies political and legal philosophy and environmental theory

French Philosophy and Social Theory Jacob Dahl Rendtorff,2014-05-28 This book demonstrates how the conceptual resources of contemporary French philosophy from the early 20th Century to the present day can be applied to give us new perspectives on business ethics and the ethics of organizations In providing an overview of possible applications the book covers a wide range of philosophers philosophical movements and perspectives and provides detailed analyses of core materials relevant to business ethics It explores and analyzes French philosophy taking into account phenomenology existentialism French epistemology structuralism post structuralism deconstruction and postmodernism as well as recent discussions of philosophy of organizations and management Each chapter contains suggestions for further reading and educational illustrations of possible applications to the mainstream business ethics and ethics of organization literature

French Social Theory Mike Featherstone,1986 Social Theory in the Twentieth Century and Beyond Patrick Baert,Filipe Carreira da Silva,2010 This second edition of Patrick Baert s widely acclaimed Social Theory in the Twentieth Century has been brought right up to date with cutting edge developments in social theory today It offers an easy to read but provocative account of the development of social theory covering a range of key figures and classic schools of thought The authors also bridge the gap between philosophy and social theory locating the theoretical views of individuals such as Giddens Foucault and Habermas within wider historical traditions

Auguste Comte and the Religion of Humanity Andrew Wernick,2001-04-30 This 2001 book is a critique of Comte s concept of religion and its place in his thinking on politics sociology and philosophy of science

Recognition theory and contemporary French moral and

political philosophy Miriam Bankovsky,Alice Le Goff,2024-06-04 The revival of recognition theory has brought new energy to critical theory In general terms recognition theory aims to critically evaluate social structures against a standard of social freedom identified with norms of interaction which are freely recognised by all parties Until now attention has primarily focused on the categories and forms of recognition theory However the influence of contemporary French theory upon the development of theories of recognition has not yet received the consideration it merits This collection outlines the current state of recognition theory studies the impact of French theory and uses French thought to identify aspects of the recognitive process which are often overlooked Exploring French accounts of agonistic identity construction vulnerability power ethical obligation and reflexive theory construction this book supports the intentions of critical theory with heightened attentiveness to oppression in all of its forms

Classical Sociological Theory George Ritzer,Jeffrey Stepnisky,2020-03-27 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Classical Sociological Theory Eighth Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories

Social Theory Roberta Garner,Black Hawk Hancock,2014-04-29 The organization of this popular social theory reader which pairs classical articles with contemporary theoretical and empirical studies highlights the historical flow of social theory and demonstrates how disagreements and confrontations shape theory over time Written in clear down to earth language the introductions to each selection link theorists to one another illustrating how theoretical traditions are not rigidly separate but are always in conversation addressing and challenging each other The third edition incorporates significant changes more readings reflecting a wide diversity of theorists a completely revamped chapter on gender new chapters on race and culture and unique material on the transitional giants who have helped to transform classical theory into contemporary theory As well new contextual and biographical materials surround each reading and each chapter includes a study guide with key terms and innovative discussion questions and classroom exercises The result is a fresh take on social theory that foregrounds a plurality of perspectives and reflects contemporary trends in the field while still managing to be a teachable and affordable text

Sociological Theory George Ritzer,Jeffrey Stepnisky,2021-02-09 The authors are proud sponsors of the SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Sociological Theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s 19th century origins through the early 21st century Written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with biographical sketches of theorists placing them in historical and

intellectual context The Eleventh Edition includes examples of premodern sociological theory from Islamic scholar Ibn Khaldun Harriet Martineau s feminist writings contextualized within the history of sociological thought discussions of actor network theory through Donna Haraway s work on cyborgs and companion species illustrations of historical comparative sociology with Saskia Sassen s concepts of the global city and expulsions and more ways to help students to understand sociology s major theories Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides

Modern Sociological Theory George Ritzer,Jeffrey Stepnisky,2021-02-03 The authors are proud sponsors of the SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Modern Sociological Theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s 19th century origins through the mid 20th century Written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with with biographical sketches of theorists placing them in historical and intellectual context Social Theory, Volume II Roberta Garner,Black Hawk Hancock,2014-05-29 The third edition of this popular reader reflects considerable changes The framework for understanding theory as a set of conversations over time is maintained and deepened but Volume II now begins with a focus on key transitional theorists who helped reconceive of classical theory in new ways Extending from the classical tradition chapters on race gender culture media and globalization show how contemporary theory builds on the past even as it moves in new directions New contextual and biographical materials surround the primary readings and each chapter includes a study guide with key terms discussion questions and innovative classroom exercises The result is a fresh and expansive take on social theory that foregrounds a plurality of perspectives and reflects contemporary trends in the field while being an accessible and manageable teaching tool Handbook of Contemporary European Social Theory Gerard Delanty,2006-09-27 This innovative publication maps out the broad and interdisciplinary field of contemporary European social theory It covers sociological theory the wider theoretical traditions in the social sciences including cultural and political theory anthropological theory social philosophy and social thought in the broadest sense of the term This volume surveys the classical heritage the major national traditions and the fate of social theory in a post national and post disciplinary era It also identifies what is distinctive about European social theory in terms of themes and traditions It is divided into five parts disciplinary traditions national traditions major schools key themes and the reception of European social theory in American and Asia Thirty five contributors from nineteen countries across Europe Russia the Americas and Asian Pacific have been commissioned to utilize the most up to date research available to provide a critical international analysis of their area of expertise Overall this is an indispensable book for students teachers and researchers in sociology cultural studies politics philosophy and human geography and will set the tone for future research in the social sciences

French Social Theory Introduction

In the digital age, access to information has become easier than ever before. The ability to download French Social Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download French Social Theory has opened up a world of possibilities. Downloading French Social Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading French Social Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download French Social Theory. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading French Social Theory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading French Social Theory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download French Social Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About French Social Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
