Iron Soldiers Dave Lockett, 2005 Medieval warfare was fierce and bloody and as combat techniques changed arms and armour needed to become more sophisticated It was the task of the blacksmith and later the armourer to find ways of defending against each new advance in warfare Medieval armourers had to create better and better protective clothing and superior weaponry to make fighting men less vulnerable in battle

Talented artisans created everything from ring mail and chain mail to full body armour that a knight could turn somersaults in. It seemed that the art of the armorer had reached its highest level until a revolutionary development in weaponry reduced it to so much scrap metal. Assembly West Point Association of Graduates (Organization), 1994 The Demon's Prison Gareth Lewis, 2023-05-07 Earth and Faerie are at war. Kind of. When an increase in odd and horrific incidents on Earth suggests the enemy have weaponised stories in their campaign to Make Faerie Fearsome Again, Aelik must navigate the toxic waters of political intrigue in search of a way to end the cold war and prevent a civil war in Faerie. At least espionage stories limit the casualties. War stories try to drag everyone in. Then it threatens to detour into horror and in horror the story always wins. Trapped in everyone else's stories, Aelik must choose what type of story he wants to be. Ideally, one he can live with. This legend was forgotten until today. Reborn in iron armor and with a sword as cold as the grave, a new power has arisen, bound to a destiny as twisted as the dark magic that flows through his veins. But the world is no longer the same. Old empires have crumbled, gods have fallen silent, and humanity clings to survival under the shadow of cruel beasts and tyrants. In a realm full of ancient terrors, a lone warrior rises, a fragile spark in an endless storm, armed with cursed magic and an unbending will. Now a path of rebellion is forged through this unforgiving world. With every step, secrets come to light that would have been better left buried, and powers emerge that can hardly be restrained. Forged anew in the fire of revenge, unstoppable and implacable, this new champion marches toward an uncertain destiny. This world has not yet known true darkness, but that will soon change.
