Irving Wallace John Leverence, 1974 This profile of Irving Wallace and his work includes more than 200 photographs and illustrations It recounts his Midwest Hollywood and European years his experiences during a lifetime of travel his adventures as a journalist in the Far East and Europe his embroilment in political and literary controversies his legal battles and many other facets of his extraordinary life **The Word** Irving Wallace, 1972 *The Man* Irving Wallace, 1964 **The Plot** Irving Wallace, **The Guest of Honor** Irving Wallace, 1991-01-01 The Guest of Honour Irving Wallace, 1989 **The Golden Room** Irving Wallace, 1989-01-01 **The R Document** Irving Wallace, 2023-10-10 Irving Wallace's novels have made him one of America's best known and best selling storytellers Now to the list of such best sellers as *The Fan Club* *The Word* *The Seven Minutes* and *The Plot* he has added his most timely and compelling novel to date *The R Document* the story of a conspiracy to destroy the Bill of Rights of an attempt by the FBI to take over the country Against a background of rising violence and crime Wallace pits two opposing forces those who are working to amend the Constitution so that the Government can impose a drastic rule of law and order and those who recognize that the proposed 35th Amendment may conceal a far more sinister and far reaching plan one that would subvert the entire process of Constitutional government and replace it with a police state Opponents in this life and death conflict are the bull like powerful Director of the FBI Vernon T Tynan and the new Attorney General Christopher Collins an ambitious honest man who supports the controversial 35th Amendment despite his private misgivings but who discovers that there is a secret plot of an evil and vicious nature behind it For Collins the first doubt is stirred at the deathbed of his predecessor whose last words are a warning of *The R Document* the dangerous mysterious elusive key to the nation's future In search of this vital document in a desperate fight against time Collins stumbles upon the possibility that the FBI is terrorizing important leaders in California and that the Government may be secretly preparing a concentration camp in the desert against the day when the Amendment has been ratified As his hunt for *The R Document* continues Collins finds himself involved in a widening series of dirty tricks an attempt at sexual blackmail against himself the establishment of a zombie like American town in which as a pilot program the citizens have been stripped of their Constitutional rights a brutal double murder a revelation of scandal in his wife's past that causes her to vanish As the hours rush by to the moment when California will take the final decisive vote on the ratification of the 35th Amendment the fate of the country rests on Collins shoulders on the outcome of his death struggle with Director Tynan and on the hunt for *The R Document* Shocking authentic excitingly readable blending inside fact with fiction as only Irving Wallace can *The R Document* will be one of the most widely read and talked about novels of the year *The Man* Irving Wallace, 1999 The time is 1964 The place is the Cabinet Room of the White House An unexpected accident and the law of succession have just made Douglass Dilman the first black President of the United States This is the theme of what was surely one of the most provocative novels of the 1960s It takes the reader into the storm center of the presidency where Dilman until now an almost unknown senator must bear the weight of three burdens his office his race and his private life

From beginning to end *The Man* is a novel of swift and tremendous drama as President Dilman attempts to uphold his oath in the face of international crises domestic dissension violence scandal and ferocious hostility Push comes to shove in a breathtaking climax played out in the full glare of publicity when the Senate of the United States meets for the first time in one hundred years to impeach the President *The Seven Minutes* Irving Wallace, 1969 ***The Book of Significa*** Irving Wallace, David Wallechinsky, Amy Wallace, 1983 Gathers interesting and little known facts about people history America the law war language inventions transportation sports money and food
