Is Jesus Your Personal Saviour:

You Can Believe This! Dr. John Thomas Wylie, 2018-11-10 I write in the midst of my own Christian ministerial pastoral experiences and with a divine devout reverential encounter with divinity For Christ I live and for Christ I will die That is the story of my life I live to direct others to the acceptance of Jesus Christ I am concerned about those persons who miss the life changing impact and influence Jesus Christ can bring to their lives The purpose of You Can Believe This is to encourage the reading and studying of the Bible and implore you to take the message of Jesus Christ seriously for incorporation into your personal life The only Bible truly valuable to anyone is a read Bible You can believe this The Son of man is come to seek and to save that which was lost Thou will call his name Jesus for he will save his people from their sins I thank God that Jesus Christ is my savior I had trespassed and sinned I was making a course for hell yet in his wondrous grace Jesus saved me and made me his child How would you view him It is safe to say that he is the savior of the world or would he say he is your savior Is Jesus Christ your very own personal savior If not at that point so far as you are concerned he died in vain The Big Betrayal Jack T. Chick, 1981 The true story of Charles Chiniquy a former Roman Catholic priest Before Charles Chiniquy was born his dad studied to become a Roman Catholic priest in Canada But he saw something happen in the Church which upset him so much that he quit He studied law and became a notary As Chiniquy's father was leaving the priesthood he was given a going away present by a close friend a beautiful French and Latin Bible When Charles was 5 years old his mother taught little Charles to read from that Bible because there were no schools Little did she know the profound influence that book would have on her son's life Charles Chiniquy wanted to obey and serve his church but as he studied the scriptures he became tormented as he learned that his church was wrong It will break your heart as you learn how Catholics are being deceived into following a false religion Chiniquy also reveals how Abraham Lincoln's legal assistance against the Jesuits set him up for his murder Chiniquy's story was originally published in book form 50 Years in the Church of Rome and is now available in comic book format The Enchanter Jack T. Chick, 2007 Theme Mormonism The validity of Mormonism stands or falls on the testimony of Joseph Smith Here is his story revealing the man for what he really was Calling himself the second Mohammad Smith was an occultic opportunist fond of the ladies lots of them who blended Masonic rituals into his temple rituals The story is a fascinating one filled with incredible quotes from Smith himself After people read this illustrated book they will not be vulnerable to the Mormon recruiters Read the incredible story of how Joseph Smith founded Mormonism It's a story of intrigue murder lust and greed Learn how just a few months after marrying the first of his 27 wives Joseph Smith began to build his religion on a set of golden plates that he claimed had been given to him by a mysterious spirit Great Preaching on the Deity of Christ, 2000-08 **You May Not Like This But** Edmund Farmer, 2021-12-31 For some time now I have taken it upon myself to write a blog of this title based squarely upon religion and spirituality from a Christian perspective as I have engaged with it and my personal experience of it I hope that this makes the whole thing more personal

Disciplined Soldiers for Christ Tim W. Callaway,2013-04-17 The comparative scarcity of academic attention given Prairie Bible Institute located at Three Hills Alberta Canada serves as the primary motivation behind this book This work should therefore be regarded as an attempt to contribute to and refine the very small amount of research available regarding how Prairie Bible Institutes first half century should be understood and interpreted by students of North American church history Drawing on an insiders perspective of PBI former PBI staff kid Tim W Callaway challenges the adequacy and accuracy of Canadian scholar Dr John G Stackhouse Jr s inference that the kind of sectish evangelicalism that typified PBI in the twentieth century was substantially different from the characteristics that define the traditional understanding of American fundamentalism The undertaking contained in these pages advances the perspective that Prairie Bible Institute during the L E Maxwell era did in fact reflect the influence and attributes of American fundamentalism to a far greater extent than what Stackhouse allowed for in his research Love to All God's Children Bethanie Luv,2008-11 *Homiletic Review* ,1894

The Harvest Is Past, The Summer Is Ended, And We Are Not Saved! , *The Advent of Evangelicalism* Michael A. G. Haykin,Kenneth J. Stewart,2008 Various scholars discuss the thesis put forth in David Bebbington s increasingly popular 1989 book *Evangelicalism in Modern Britain A History from the 1730s to the 1980s* **Today's Decisions** Oladipo David,2019 God made us free moral agents giving us the power of choice between good and evil If He had wanted us to do what He says automatically He would have made us as robots or puppets with no ability to think or act for ourselves The world would have been a grand show of puppets and the puppet master However He wanted us to be in His image hence He gave us part of His essence the power of choice While we have the power to make the choices we want unfortunately we do not have total control of the consequences The consequences of your decisions or indecisions usually have a cascading effect Besides the direct impact on you the consequences could affect your children your spouse your extended family your

community and ultimately your relationship with God In the same vein some of the ills we suffer today could have been caused by wrong decisions taken by our parents From contemporary and biblical examples we can see that the decisions of yesterday impact today and today s decisions will impact tomorrow And apart from breathing we do nothing more in our lives than make decisions these cannot be left to chance This book is a revelation that will restore refresh revive and renew anyone who cares to pay attention God bless you *The Sixties and Beyond* Nancy Christie,Stephen J. Heathorn,Michael Gauvreau,2013-03-07 In the decades following the Second World War North America and Western Europe experienced widespread secularization and dechristianization many scholars have pinpointed the 1960s as a pivotally important period in this decline *The Sixties and Beyond* examines the scope and significance of dechristianization in the western world between 1945 and 2000 A thematically wide ranging and interdisciplinary collection *The Sixties and Beyond* uses a framework that compares the social and cultural experiences of North America and Western Europe during this period The internationally based contributors examine the dynamic place of Christianity in both private lives and public discourses and practices by assessing issues such as gender relations family life religious education the changing relationship of church and state and the internal dynamics of religious organizations *The Sixties and Beyond* is an excellent contribution to the burgeoning scholarship on the 1960s as well as to the history of Christianity in the western world **A Journey To A Holy Life** Jessica Rosas,2022-11-03 *A Journey to a Holy Life* is a magnificent study on how God wants us to live and what he requires of each and every Christian This title was and is inspired by God and the book itself is also inspired by God and what the Bible says in 1 Peter 1 16 This book is good for a Bible study as well as for individual reading It could also be a book that can draw you near to the spirit of God *A Journey to A Holy Life* will guide you and answer multiple questions you may have It is recommended for believers as well as nonbelievers seeking the answers and seeking the presence of God Writing this book has changed my life and I hope reading it changes yours *Calling All Overcomers: An Interpretation of the Book of Revelation* James Harman,2015-04-02 Perplexed by the book of Revelation Not sure what all the signs symbols and metaphors really mean Jim Harman s latest work unravels Apostle John s remarkable revelation of Jesus Christ and what s in store for the inhabitants of planet Earth This extraordinary commentary is not another cookie cutter rehash of the popular teachings fostered by the Left Behind phenomena so prevalent in today s church This unique book outlines the 7 strategic sections of John s vision that are further divided into 7 segments The reader will come away with a new and enlightened understanding of what the last book in God s Word is all about Understand the book of Revelation and why it is so important for believers living in the last days of the Church age *Calling All Overcomers* is more than the title to this book it s the personal call of God s own heart One of the central messages in the book of Revelation is that God is calling men to be genuine overcomers Jesus Christ has been sent out from the throne of God to conquer men s hearts so they can also be overcomers The purpose of this book is to encourage people to embrace him as the King of their heart and allow his life to

reign in theirs He wants you to be able to overcome by his mighty power and strength living inside of you just as He overcame for all of us Jesus will be looking for a faithful remnant qualified to rule and reign with him when he returns This book will help you prepare to be the overcomer Jesus will be looking for Learn about Who the Rider on the 1st Horse Really Is the 7 Blessings Available to Believers How to be a Genuine Overcomer 7 Promises Available to All Overcomers Sign of Christ s Coming and much much more **Bits and Pieces Through the Journey in Christ** NokwaNela

Sijadu-Jabanga,2018-02-23 This book is aimed at bringing people close to God as they walk with Christ and collect learn and use all the bits and pieces I have shared I also challenge those in Christ to do the same in their journeys collect and share the bits and pieces they come across with to equip fellow brethren as challenges continually appear in life Women may relate more to this book because most of what I am sharing is from my experiences but it is aimed to challenge people who have not yet accepted Christ to accept him as their personal savior To those who have already accepted Jesus its meant to enhance their relationship and stay connected to him **The Kingdom of Heaven and the Kingdom of God** Earl B.

Schrock,2014-01-06 God has prepared a kingdom John 14 1 3 through Jesus Christ our Lord The kingdom is free and available to all willing to be a child of God Romans 8 14 Inheriting the kingdom of God does not take place by desire Nor can it be entered into by force Its not a place that you can see or touch or feel or search for on a map It is not a place it is a relationship It is the relationship mankind has with their Creator God when they surrender their all to Him allowing Him to be the King of every aspect of their lives Thus they become the children of God Dear children do not let anyone lead you astray The one who does what is right is righteous just as he is righteous The one who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devils work No one who is born of God will continue to sin because Gods seed remains in them they cannot go on sinning because they have been born of God This is how we know who the children of God are and who the children of the devil are Anyone who does not do what is right is not Gods child nor is anyone who does not love their brother and sister 1 John 3 7 10 The kingdom or inheritance of God is entered into by the righteous Its entered into by those who recognize they are lost sinners who have been redeemed by the blood of the Lamb Revelation 5 9 12 11 Its inherited by those who surrender their will to God allowing Him to mold them into what He wants them to be as the potter molds Isaiah 64 8 the clay in making a useful vessel *What Everyone Should Know but It Is Not Taught in School!* Alan Shinkfield,2015-10-13 School is a place of education taking us from childhood to adulthood There we learn many things but not everything needed to live a full and fruitful life We are not taught about real everyday finance of how to finance future projects or what to do when life s trials beset us or our families This book uses common sense to impart knowledge to the reader **1st Corinthians** Walter
