What Philosophy Can Tell You About Your Lover Sharon M. Kaye, 2012-05-08 Be warned in your journey through this volume you will encounter many true stories Some will make you laugh others could make you cry and all are enough to thoroughly embarrass the authors These stories would never be allowed to see the light of day if they did not open the door to important truths about love The authors speak to you sometimes in their own voices sometimes through dialogue and sometimes through fiction You will recognize yourself in their struggles and triumphs Can the good life be attained without true love What is jealousy Is it possible to be a feminist and a heterosexual lover at the same time What is the logic of the lovers quarrel Is rough sex immoral Is pornography a great lover s friend or a foe What did Plato Aristotle Kant Nietzsche Russell Beauvoir and other great geniuses of Western history have to say about what goes on under the boardwalk Is there any freedom in love Is erotic desire a function of body or spirit What is the best kind of love Is there such a thing as a soul mate You will have to face these questions and more when you dare to ask what philosophy can tell you about your lover Everyone who has experienced it knows that romantic love truly is a crazy little thing It keeps us awake at night and makes us do things we would never have dreamed we were capable of In this volume twenty five philosophy professors are gathered together to discuss various connections between romantic love and philosophy They have left their tweed jackets and spectacles behind It is as though you have run into them by chance at a bar in some far away city where they are at ease ready to tell you what they really think Perhaps you have taken a few philosophy classes or perhaps you always kind of wanted to This is your chance to enjoy some deep reflection on one of life s greatest mysteries without any of the scholarly jargon the academic pretenses or the impossible exams This volume will explain the lasting value of their ideas in simple modern terms without the use of a single footnote

How Marriage Became One of the Sacraments Philip L. Reynolds, 2016-06-30 An indispensable guide to how marriage acquired the status of a sacrament This book analyzes in detail how medieval theologians explained the place of matrimony in the church and her law and how the bitter debates of the sixteenth century elevated the doctrine to a dogma of the Catholic faith

The Essential Laws of God and Man for the Saints Ezekiel O. Olarewaju, 2003-07

Hegel and Right Philip J. Kain, 2018-07-11 In this book Philip J Kain introduces Hegel s Philosophy of Right by focusing on disagreements both with

standard interpretations of his work and with Hegel himself Arguing that Hegel s justification for punishment ultimately fails Kain shows how this failure brings into focus the inherent difficulties in justifying punishment at all thus producing a valuable Hegelian argument against punishment Whereas many of Hegel s critics have argued that he misunderstands Kant s categorical imperative Kain argues the opposite that Hegel has a sophisticated understanding of it and simply attempts to provide a broader ethical context for Kant s position In addressing these and other questions such as whether Hegel s theory of recognition properly understood can provide philosophical support for same sex marriage and whether supporting monarchy over democracy means that Hegel seeks less rather than greater power for the state Kain makes Hegel s work more approachable by drawing out philosophical points of independent importance

Subjectivity and Truth Michel Foucault, 2017-07-22 The working hypothesis is this it is true that sexuality as experience is obviously not independent of codes and systems of prohibitions but it needs to be recalled straightaway that these codes are astonishingly stable continuous and slow to change It needs to be recalled also that the way in which they are observed or transgressed also seems to be very stable and very repetitive On the other hand the point of historical mobility what no doubt change most often what are most fragile are modalities of experience Michel Foucault In 1981 Foucault delivered a course of lectures which marked a decisive reorientation in his thought and of the project of a History of Sexuality outlined in 1976 It was in these lectures that arts of living became the focal point around which he developed a new way of thinking about subjectivity It was also the moment when Foucault problematized a conception of ethics understood as the patient elaboration of a relationship of self to self It was the study of the sexual experience of the Ancients that made these new conceptual developments possible Within this framework Foucault examined medical writings tracts on marriage the philosophy of love or the prognostic value of erotic dreams for evidence of a structuration of the subject in his relationship to pleasures aphrodisia which is prior to the modern construction of a science of sexuality as well as to the Christian fearful obsession with the flesh What was actually at stake was establishing that the imposition of a scrupulous and interminable hermeneutics of desire was the invention of Christianity But to do this it was necessary to establish the irreducible specificity of ancient techniques of self In these lectures which clearly foreshadow *The Use of Pleasures* and *The Care of Self* Foucault examines the Greek subordination of gender differences to the primacy of an opposition between active and passive as well as the development by Imperial stoicism of a model of the conjugal bond which advocates unwavering fidelity and shared feelings and which leads to the disqualification of homosexuality

took a leave of absence from his position as a philosophy professor to serve as a Peace Corps volunteer in China he supplemented his main task teaching English with leading a weekly philosophical discussion group with Chinese undergraduate and graduate students at Sichuan Normal University in Chengdu In each session the students debated topics as diverse as the status of truth the meaning of life the reality of fate the definition of sanity the necessity of religion and the value of romantic love Each of the twenty five chapters focuses on the topic of one evening s discussion which was always in the form of a question How are ancient conceptions of virtue holding up in a society overrun by capitalism Are traditionally conservative sexual values going the way of the rickshaw Can an atheistic country even have a sense of morality This unprecedented portrait of the Chinese mind allows the up and coming generation known as the ba ling hou or post 1980s generation to express its unique perspective on China and America In addition the book provides the reader with a crash course in Chinese culture both ancient and modern as students discuss everything from Confucius to the Edison Chen scandal a Chinese pop star whose sexually explicit pictures found their way onto the Internet from classical Chinese poetry to the Super Boy and Super Girl competitions Chinese versions of American Idol Throughout the author provides the intellectual and historical context necessary to appreciate and understand today s China *Marriage and Divorce, 1867-1906* United States. Office of Census and Statistics,1921 *Comic Grace* James Combs,2013-07-26 *Comic Grace* is Comb s third book on the movies for Cambridge Scholars Publishing These books hardly form a trilogy but they do express a pragmatic interest of the author namely the aspects of movies that we have not adequately studied More specifically the first *Movie Time* examines the inadequately understood temporal appearance of movies in movies set in the past the present and the future attempting to make sense of such questions as to why certain past periods still fascinate how an emergent present is accompanied by cinematic treatment and what kind of futures we like to speculate about by watching alternative futures on film This temporal interest was complemented in the second book *Wit s End* by examination of qualitative interest discussing how and why certain movies come to be regarded and remembered by the movie culture as great and memorable

Even though there is obviously no unanimous agreement on which movies are canonical there is enough consensus among those who study and value films for us to constitute inquiry into why some films are thought great This third book in this sustained inquiry poses the question of not only why we think some movie comedies are great but also what is unique and enduring in the legacy of comedy on film The book looks at comedy with humane interest entertaining the proposition that comedy may well be motion picture s greatest achievement If so then it behooves inquirers to understand what movie audiences enjoy and cherish about movie comedy and what it is about the film medium that so adequately communicates the comedic across such vast audiences and why they never tire of certain kinds of comedy These interests will inspire students of the remarkable medium of film to inquire further into not only these questions but also others that they find interesting and illuminating about the film experience Important Discoveries Joseph Clarke Addington,1879 **The Oeconomy of the Covenants Between God and Man, Comprehending a Complete Body of Divinity ... Is Marriage Necessary Introduction

In today's digital age, the availability of Is Marriage Necessary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Is Marriage Necessary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Is Marriage Necessary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Is Marriage Necessary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Is Marriage Necessary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Is Marriage Necessary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Is Marriage Necessary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Is Marriage Necessary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Is Marriage Necessary books and manuals for download and embark on your journey of knowledge?
