Is The New Testament Reliable:

Is the New Testament Reliable? Paul Barnett, 2004-12-09 If everyone writes from a point of view and with an agenda can we reasonably expect any historical account to be objective to tell us the truth In this second edition Paul Barnett defends the task of the historian and the concept of history addressing questions about the New Testament that are of importance to people of faith and skeptics alike *The New Testament Documents, Are They Reliable?* F. F. Bruce, 2018-09-11 Since Christianity claims to be a historical revelation it is not irrelevant to look at its foundation documents from the standpoint of historical criticism Historical and philological lines of approach have of course their limitations They cannot establish the Christian claim that the New Testament completes the inspired record of divine revelation But non theological students for whom he book was written are in my experience more ready to countenance such a claim for a work which is historically reliable than for one which is not It is indeed difficult to restrict a discussion of the New Testament writings to the purely historical plane theology insists on breaking in But that is as it should be history and theology are inextricably intertwined in the gospel of our salvation which owes its eternal and universal validity to certain events which happened in Palestine when Tiberius ruled the Roman Empire F F B **Is the New Testament Reliable** Paul William Barnett, 1986 *Is the New Testament Reliable?* Phil Fernandes, 2018-07-20 Is the New Testament historically reliable Does it present an accurate portrait of the historical Jesus In this book Phil Fernandes defends the accuracy and reliability of the New Testament documents He shows that Jesus of Nazareth did claim to be God and that the New Testament was authored by reliable witnesses **Is the New Testament Reliable?** Peter M. Head, 2003-01-01 **The Reliability of the New Testament** Bart D. Ehrman, This volume highlights points of agreement and disagreement between two leading intellectuals on the subject of the textual reliability of the New Testament Bart Ehrman James A Gray Distinguished Professor at the University of North Carolina at Chapel Hill and Daniel Wallace Professor of New Testament Studies at Dallas Theological Seminary and Executive Director of the Center for the Study of New Testament Manuscripts This book provides interested readers a fair and balanced case for both sides and allows them to decide for themselves What does it mean for a text to be textually reliable How reliable is the New Testament How reliable is reliable enough *Myths and Mistakes in New Testament Textual Criticism* Elijah Hixson, Peter J. Gurry, 2019-11-05 A renewed interest in textual criticism has created an unfortunate proliferation of myths mistakes and misinformation about this technical area of biblical studies Elijah Hixson and Peter Gurry along with a team of New Testament textual critics offer up to date accurate information on the history and current state of the New Testament text that will serve apologists and offer a self corrective to evangelical excesses The Supernatural in the New Testament Possible, Credible, and Historical. ... Charles Adolphus Row, 1875 *The Supernatural in the New Testament* Charles Adolphus Row, 1875 **The New Testament Documents** Frederick Fyvie Bruce, 1984 F F Bruce examines historical evidence for the reliability and truth of the New Testament Trustworthy Benjamin

Shaw,2024-07-30 How do we know the New Testament is reliable In this clear introduction Dr Ben Shaw systematically surveys key scholarly topics related to the New Testament s historical credibility Concise chapters provide guidance for exploring a wide variety of evidence including archaeology authorship text criticism and non Christian sources **Why I Trust the Bible** William D. Mounce,2021-09-14 A Clear Guide to Help Readers Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy From social media memes to popular scholarship so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible such as Did Jesus actually live Did the biblical writers invent their message How can we trust the gospels since they were written so long after Jesus lived How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science Aren t the biblical manuscripts we have just copies of copies that are so corrupted they don t represent what the original authors wrote Why should we believe the books that are in the Bible since many good ones were left out like the Gospel of Thomas Why trust the Bible when there are so many contradictory translations of it If you find yourself unable to answer questions such as these but wanting to Why I Trust the Bible by eminent Bible scholar and translator William Mounce is for you These questions and more are discussed and answered in a reasoned definitive and winsome way The truth is that the Bible is better attested and more defensible today than it ever has been Questions about the Bible are perhaps the most significant challenge confronting Christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible New Testament Basics for Catholics John Bergsma,2015-10-02 Award winning author and theology professor John Bergsma follows up his popular Bible Basics for Catholics which has sold more than 60 000 copies with a more in depth look at the New Testament Using simple illustrations and the same clear conversational style that characterized his earlier book Bergsma introduces four of the most important writers in the New Testament Matthew Luke Paul and John With humor and simple illustrations theology professor John Bergsma focuses on Matthew Luke Paul and John whose writings comprise about 90 percent of the New Testament The gospel of Matthew written for Jewish Christians illuminates the life and teachings of Christ as the long promised Messiah In Luke s gospel readers will delve into the infancy and Triduum narratives as well as the Acts of the Apostles and the life of the early Church This leads the reader to discover St Paul and his first and arguably greatest theological treatise Romans Finally the beloved apostle St John draws us in to the unsurpassed beauty of the fourth gospel as well as the most mysterious book of the New Testament the book of Revelation A concluding chapter offers suggestions for further study Intended as an introductory work for those who are new to scripture study New Testament Basics for Catholics does not aspire to be a comprehensive guide to all twenty seven books of the New Testament but is intended to lay the foundation for a lifetime of scripture reading *The Uniqueness of the Bible* Larry Siekawitch,2015-12-09 How do we know what is true about God and religion Ultimately this question boils down to whether we consider our supreme authority to be tradition or revelation In

The Uniqueness of the Bible author Dr Larry Siekawitch explains that self and tradition fail as final arbiters of truth because humans are both finite and sinful incapable of supplying truth without error But if God has revealed His truth by revelation in such a way that is completely trustworthy and without error then that revelation is the obvious candidate for supreme authority because it is God Himself speaking God has revealed Himself and His ways in the Bible but how can we convince Jews Muslims Catholics and Mormons of this wonderful fact We do so by simply showing them the uniqueness of the Bible and convincing them of Gods ultimate authority This study deals with the Hebrew Scriptures and demonstrates how reliable and miraculous they are It then compares the Bible to the Koran particularly focusing on the New Testament and its amazing supernatural nature Finally The Uniqueness of the Bible examines Roman Catholicisms exaltation of tradition to equality with Scripture and the Mormon addition of the Book of Mormon This study seeks to present convincing evidence in order to help people see the superiority of the Bible to all other means of discovering spiritual truth Getting at Jesus Peter S.

David Limbaugh,2014-11-17 In Jesus on Trial New York Times bestselling author David Limbaugh applies his lifetime of legal

experience to a unique new undertaking making a case for the gospels as hard evidence of the life and work of Jesus Christ Limbaugh a practicing attorney and former professor of law approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew Mark Luke and John His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian Ultimately Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive enquiry including his examination of historical and religious evidence beyond the gospels and thereby affirms Christian faith spirituality and tradition Can We Trust the Gospels? Mark D.
