Is Christianity True:

Is Christianity True? Michael T. W. Arnhem, 1984 *Is Christianity True?* Jonathan Menn, 2024-10-29 *Is Christianity True* is an excellent resource for twenty first century Christians and non Christians who want to investigate the truth claims of Christianity This book tackles the most important issues in a clear and compelling way Part 1 looks at the trustworthiness of the Bible and at Jesus Christ who claimed to be God incarnate He verified his claim by his fulfillment of prophecy and his resurrection from the dead Part 2 shows that the great alternative to Christianity the belief that there is no God or supernatural realm and that the universe and all that exists do so simply by natural forces not only is false but is impossible Part 3 deals with perhaps the greatest challenge to Christianity the problem of evil i e if God is all knowing all powerful and all good then why is there so much evil in the world The book does not shy away from discussing up to date scientific knowledge and shows how this knowledge actually confirms the claims of Christianity This book is a clear yet challenging explanation of the biblical historical philosophical and scientific evidence which shows that indeed Christianity is true

christianity I explain why christianity is true *Worldview of the Christian Faith* Joseph Charles Beach,2022-10-27

Worldview of the Christian Faith explores the differing worldviews of our society against the backdrop of what Christians should believe Joseph Charles Beach a devoted believer in our Lord and Savior Jesus Christ answers questions such as Why do morals and values matter Is the Bible still relevant in today s modern world How can Christians stand up for the truth instead of caving in to the whims of society Can Christians defend their faith amid so many assaults on God and the Bible The author also explores whether science and the Bible can coexist and argues that skeptics of the Word should give Christianity another look It may surprise you how accurate the Bible is despite what you may have heard Only the Christian faith can offer hope truth and value to you as an individual Whether you have lost your faith want to ignite it or are confused about what to believe you ll find valuable guidance in this book **The Case Against Christianity** Michael Martin,1991 In this

systematic philosophical critique of the major tenets of Christianity Michael Martin examines the semantic and epistemological bases of religious claims and beliefs Beginning with a comparison and evaluation of the Apostles Creed the Niceno Chalcedonian Creed and the Athanasian Creed Martin discusses the principal theological historical and eschatological assumptions of Christianity These include the historicity of Jesus the Incarnation the Second Coming the Virgin Birth the Resurrection Salvation through faith in Jesus and Jesus as a model of ethical behavior Until now an adequately convincing criticism of Christianity did not exist Martin s use of historical evidence textual analysis and interpretations by philosophers and theologians provides the strongest case made to date against the rational justification of Christian doctrines **What is a Christian?** Bill Parker,2016-02-29 Many many people who claim to be Christians have no idea of what the Bible really teaches on this subject so for many it will challenge their claim It will test their faith which is

always a good thing for a professing Christian to do How should we define what a Christian is and what a Christian is not The true answers to these questions cannot come from any of us no matter what we claim and no matter how we choose to live They must come from the Bible **31 Surprising Reasons to Believe in God** Rick Stedman,2017-07-01 In the style of C S

Understanding the Church: God's Alternative Society Dr. Frankie O. Phillips Sr., 2013-10 This book was not written it was built I was not the architect but a laborer under the direction of the Holy Spirit whose purpose is to honor the Lord Jesus Christ It is not intended for casual reading but to inspire further study of the Word It is my hope and prayer that readers will be inspired to build upon the concept of the church as God's alternative society It is my hope that many sermons will grow out of what the Holy Spirit has given me to put in this book It is my hope that it will lead to study of the Word which reveals Jesus Christ who said I will build my church Why Believe Tawa J. Anderson, 2021-07-09 Why Believe provides accessible explanations of several core concerns of apologetics from arguments for the existence of God and the validity of Christ's resurrection to common questions about the practice of faith **Christian Agnostic** Dustin Lawson, 2012-01-24 Could it be true that Jesus requires his followers to admit room for doubt in him According to this book yes Lawson writes in Christian Agnostic Greatness in order to be great must have a great adversary Who would Luke Skywalker be without Darth Vader Who would Rocky be without Apollo Creed Who would Winston Churchill be without Hitler Would we ever have known who David was without Goliath What would faith be without doubt Where maybe no other religious book does the Bible understands that even though faith and doubt are great adversaries faith loves doubt because faith loves the fight and knows that it could not be great without uncertainty More than that the Bible sees doubt as an ally because it knows that if doubt could be eliminated and true certainty attained then faith the resource that fuels the Bible's followers could not exist for there can be no faith where there is no doubt The majority of the church and the world at large views faith as a resource that erases doubt and decides truth This misconception has caused much of the Christian world for most of its history to embrace a method of searching for truth that is weak and lazy This book shows that despite the church's mistaken belief about the nature of faith the Bible understands how to search for truth with the legitimacy that only comes from having the courage to be honest about the room for doubt present wherever faith is used to believe and then being open to challenging one's own beliefs wherever that room for doubt exists In recent decades millions have walked away from the church because they think the Bible lacks credibility What they do not realize is that the Bible has credibility but that the Christian world holds back its

legitimacy instead choosing to unintentionally make the Bible appear weak because it refuses to embrace the more honorable method of searching for truth that the book promotes Christian Agnostic will show the world many of the Bible's strengths that the church has been unknowingly concealing
