Way Of The Lightworker - Discovering Your Role & Following Your Path As A Healing Guide Kelly Wallace, 2021-05-13 People all over the world are becoming more enlightened as outworn beliefs are being discarded replaced with new discoveries and open minds This shift in awareness is naturally calling forth more and more Lightworkers As we increase in numbers so too will the power of our collective consciousness It will raise positive vibrations across the world and lift everything and everyone up We Lightworkers will lead others into a higher level of knowing and living Can you imagine what that means for all of us as humans as souls and for our planet Wow So what Is A Lightworker A Lightworker is someone who feels a strong need to help people animals or nature These spiritual souls are very much like angels on Earth doing whatever they can big or small to serve in some way Nearly all Lightworkers have faced more than their share of heartache abuse illness and injury They're very aware that they have a shadow side even if they haven't worked on making peace with this part of themselves This wounded darker side is often what leads them to their true calling in life even if they aren't exactly sure how or where to help Whether their role in life is modest or huge every Lightworker is a bridge between this world and the hereafter And whether they lead a throng of people or one at a time the goal is to bring others to a higher state of living and loving So what kind of Lightworker are you Are you a newly awakened Lightworker who wants to be of service somehow Or are you a long time Lightworker who came into this life knowing who you are and what you need to do Are you ready and eager to jump into your role Have you been a helper and healer for some time Or have you hidden this very important part of yourself from the world out of fear or uncertainty Wherever you're at on your journey I'm so glad that you've made the decision to explore and embrace your true calling in life The world needs you
