L'île Formose: histoire et description Camille Imbault-Huart,1893      *L'île Formose Histoire Et Description* ,1968  
Formosa Under the Dutch William Campbell,1903      Japanese Rule in Formosa Yosaburō Takekoshi,1907      *L'île Formose* Camille Imbault-Huart,1893      **Formosa** George H. Kerr,2019-03-31 Peking ceded Formosa to Japan in 1895 whereupon Japan became the first Asian power in modern times to possess a colony and the island became a testing ground for imperial policies For two centuries the Formosan Chinese had resisted authority imposed upon them by inefficient continental Chinese Now Tokyo extended to insular Formosa many organizing modernizing measures characterizing Japan s own vigorous Meiji Revolution During the next fifty years as living standards rose to approach those of Japan proper early leaderless Formosan resistance to alien rule developed into organized appeals for effective representation in local government and at Tokyo With reversion to continental Chinese control at the end of World War II Formosans expected to conserve and enhance gains made during the Japanese era Bitter disappointment promptly led again to rebellious relations with the continent The author long resident in Formosa and exclusively concerned with Formosan affairs while in government service during and after World War II is well qualified to comment upon Formosa s history and prospects He concludes that the Japanese era left an ineradicable mark upon the island people an understanding of which will illuminate developments when Peking later undertakes the formidable task of converting Formosa into a fully disciplined and integrated province of the People s Republic of China      **Papers of the American Society of Church History** American Society of Church History,1895 Includes annual reports      **The Pretended Asian** Michael Keevak,2004 The Pretended Asian also traces Psalmanazar s later career as a Grub Street hack writer and how his lifelong refusal to reveal his real identity even after Europeans stopped believing he was a native of Formosa may have rendered Psalmanazar a permanent outsider BOOK JACKET      Half a Decade of Chinese Studies (1886-1891) Henri Cordier,1892      *Actas* ,1907      **L'île Formose** Camille Clément Imbault-Huart,1968      *Taiwan* Murray A. Rubinstein,2007 This is a comprehensive portrait of Taiwan It covers the major periods in the development of this small but powerful island province nation The work is designed in the style of the multi volume Cambridge History of China      **Subject Index of Modern Books Acquired** British Library,1903

**Aborigines of Taiwan** Josiane Cauquelin,2004-07-31 The first comprehensive study of the Puyuma people of Taiwan this book is based on extensive field research over a period of twenty years      **Lost Colony** Tonio Andrade,2013-08-04 How a Chinese pirate defeated European colonialists and won Taiwan during the seventeenth century During the seventeenth century Holland created the world s most dynamic colonial empire outcompeting the British and capturing Spanish and Portuguese colonies Yet in the Sino Dutch War Europe s first war with China the Dutch met their match in a colorful Chinese warlord named Koxinga Part samurai part pirate he led his generals to victory over the Dutch and captured one of their largest and richest colonies Taiwan How did he do it Examining the strengths and weaknesses of European and Chinese

military techniques during the period Lost Colony provides a balanced new perspective on long held assumptions about Western power Chinese might and the nature of war It has traditionally been asserted that Europeans of the era possessed more advanced science technology and political structures than their Eastern counterparts but historians have recently contested this view arguing that many parts of Asia developed on pace with Europe until 1800 While Lost Colony shows that the Dutch did indeed possess a technological edge thanks to the Renaissance fort and the broadside sailing ship that edge was neutralized by the formidable Chinese military leadership Thanks to a rich heritage of ancient war wisdom Koxinga and his generals outfoxed the Dutch at every turn Exploring a period when the military balance between Europe and China was closer than at any other point in modern history Lost Colony reassesses an important chapter in world history and offers valuable and surprising lessons for contemporary times      Taiwan: A New History Murray A. Rubinstein, 2015-02-12 This is a comprehensive portrait of Taiwan It covers the major periods in the development of this small but powerful island province nation The work is designed in the style of the multi volume Cambridge History of China      **Monthly Bulletin of the Philippine Library and Museum** National Library (Philippines), 1912      *Bulletin of the Philippine Library* National Library (Philippines), Philippine Library and Museum, Manila, 1912      *Titles of Books Added to the Public Library of the City of Boston from April 17 ... 1893 to April 14, 1894.
