*Fatal Female Figures in Three Plays* Lola E. Jones, 1983 **American Book Publishing Record**, 2006 The Reprint Bulletin, Book Reviews, 1982 *The Routledge Anthology of Early Modern Drama* Jeremy Lopez, 2020-03-10 The Routledge Anthology of Early Modern Drama is the first new collection of the drama of Shakespeare's contemporaries in over a century. This volume comprises seventeen accessible thoroughly glossed modernized play texts intermingling a wide range of unfamiliar works including the anonymous *Look About You* Massinger's *The Picture* Heminge's *The Fatal Contract* Heywood's *The Four Prentices of London* and Greene's *James IV* with more familiar works such as Marlowe's *Doctor Faustus* Webster's *The Duchess of Malfi* and Middleton's *Women Beware Women*. Each play is edited by a different leading scholar in the field of early modern studies bringing specific expertise and context to the chosen play text. With an unprecedented variety of plays and critical introductions that focus on the diversity and strangeness of different early modern approaches to the artistic and commercial enterprise of play making *The Routledge Anthology of Early Modern Drama* will offer vital new perspectives on early modern drama for scholars, students and performers alike.

**Transgressing Women** Jamaluddin Aziz, 2012-01-17 *Transgressing Women* focuses on the literary and cinematic representation of female characters in contemporary noir thrillers. The book argues that as the genre has grown, expanded and been subverted since its initial conception along with the changing definition of gender, the representation of a female character has also inevitably gone through some dramatic changes. So the book asks some important questions: What links the female characters in canonical noir to their contemporary counterparts? Is gender division still relevant in a text that transgresses gender boundaries? What happens when it is the human body itself that betrays the traditional definition or constitution of a human being? While many have written about the male protagonists and the femmes fatales in the noir genre, little attention has been given to the other female characters who inhabit the noir world and are transgressors themselves. The main concern of the book is to trace the transgressive female characters in contemporary noir thrillers, both novels and films, by engaging itself with some of the most topical debates within both post-feminist and postmodernist theories. The book is structured around two key concepts: space and the body. These temporal and spatial indicators are central in contemporary cultural theories such as postmodernism and post-feminism along with other theorizations of gender and the noir genre. This means that the analysis is drawn from the classical noir examples and will then arrive at the neo-noir sub-genre and then will move on to the most recent phenomenon in the genre: future noir.

Examining narrative style and spectatorship, Loreck investigates the power of art cinema to depict transgressive femininity.

*Violent Women in Contemporary Theatres* Nancy Taylor Porter, 2017-12-14 This book brings together the fields of theatre, gender studies and psychology/sociology in order to

explore the relationships between what happens when women engage in violence how the events and their reception intercept with cultural understandings of gender how plays thoughtfully depict this topic and how their productions impact audiences Truthful portrayals force consideration of both the startling reality of women's violence not how it's been sensationalized or demonized or sexualized but how it is and what parameters what possibilities should exist for its enactment in life and live theatre These women appear in a wide array of contexts they are mothers daughters lovers streetfighters boxers soldiers and dominatrixes Who they are and why they choose to use violence varies dramatically They stage resistance and challenge normative expectations for women This fascinating and balanced study will appeal to anyone interested in gender feminism issues and theatre Reclaiming Female Agency Norma Broude, Mary D. Garrard, 2005-04-11

Reclaiming Feminine Agency identifies female agency as a central theme of recent feminist scholarship offers 23 essays on artists issues from the Renaissance to the present written in the 1990s after *Critical Perspectives on Contemporary Plays by Women* Penny Farfan, Lesley Ferris, 2021-07-22 This book foregrounds some of the ways in which women playwrights from across a range of contexts and working in a variety of forms and styles are illuminating the contemporary world while also contributing to its reshaping as they reflect rethink and reimagine it through their work for the stage The book is framed by a substantial introduction that sets forth the critical vision and structure of the book as a whole and an afterword that points toward emerging currents in and expansions of the contemporary field of playwriting by women on the cusp of the third decade of the twenty first century Within this frame the twenty eight chapters that form the main body of the book each focusing on a single play of critical significance together constitute a multi faceted inevitably partial yet nonetheless integral picture of the work of women playwrights since 2000 as they engage with some of the most pressing issues of our time Some of these issues include the continuing oppression of and violence against women people of color LGBTQ people and ethnic minorities the ongoing processes of decolonization the consequences of neoliberal capitalism the devastation and enduring trauma of war global migration and the refugee crisis the turn to right wing populism and the impact of climate change including environmental disaster and species extinction The book is structured into seven sections Replaying the Canon Representing Histories Staging Lives Reimagining Family Navigating Communities Articulating Intersections and New World Order's These sections group clusters of plays according to the broad critical actions they perform or in the case of the final section the new world orders that they capture through their stagings of the seeming impasse of the politically and environmentally catastrophic global present moment There are many other points of resonance among and across the plays but this seven part structure foregrounds the broader actions that drive the plays both in the Aristotelian dramaturgical sense and in the larger sense of the critical interventions that the plays creatively enact In this way the seven part structure establishes correspondences across the great diversity of dramatic material represented in the book while at the same time identifying key methods of critical approach and areas of focus that align the book's contributors across this diversity The

structure of the book thus parallels what the playwrights themselves are doing but also how the contributors are approaching their work. Plays featured in the book are from Canada, Australia, South Africa, the US, the UK, France, Argentina, New Zealand, Syria, Brazil, Italy, and Austria; the playwrights include Margaret Atwood, Leah Purcell, Yael Farber, Paula Vogel, Adrienne Kennedy, Suzan-Lori Parks, Debbie Tucker Green, Lisa Loomer, Hélène Cixous, Anna Deavere Smith, Lola Arias, Lisa Kron, and Jeanine Tesori. Marie Clements, Quiara Alegria Hudes, Alia Bano, Holly Hughes, Whiti Hereaka, Julia Cho, Liwaa Yazji, Grace Pass, Dominique Morisseau, Emma Dante, Frances Ya Chu, Cowi Lynn Nottage, Elfriede Jelinek, Caryl Churchill, Colleen Murphy, and Lucy Kirkwood. Encompassing several generations of playwrights and scholars ranging from the most senior to mid-career to emerging voices, the book will be essential reading for established researchers, a valuable learning resource for students at all levels, and a useful and accessible guide for theatre practitioners and interested theatre goers. **Revenge**

**Drama in European Renaissance and Japanese Theatre** K. Wetmore, 2008-04-14. **Revenge Drama in European Renaissance and Japanese Theatre** is a collection of essays that both explores the tradition of revenge drama in Japan and compares that tradition with that in European Renaissance drama. Why are the two great plays of each tradition regarded as defining their nations and eras? *Kanadehon Chushingura* and *Hamlet* both revenge plays. What do the revenge dramas of Europe and Japan tell us about the periods that produced them and how have they been modernized to speak to contemporary audiences? By interrogating the manifestation of evil, women, ghosts, satire, parody, and censorship, contributors such as Leonard Pronko, J. Thomas Rimer, Carol Sorgenfrei, Laurence Kominz, explore these issues. Decadent Plays: 1890-1930 Michael Field, Lesya Ukrainka, Rachilde, Remy de Gourmont, Jean Lorrain, Leonid Andreyev, Djuna Barnes, Izumi Kyoka, Maurice Maeterlinck, Gabriele D'Annunzio, 2023-12-14. Poisoned cigars, seductive apparitions, minds and empires in the last of their decline and the most notorious kiss in dramatic history: decadent plays challenged the moral as much as the dramatic imagination of their own day and continue to probe horizons of taste and the possibilities of stagecraft. In the late 19th and early 20th centuries, many writers reacted to urban modernity by embracing decadent themes and styles, and dramatists were no exception. Decadence offered these writers a framework for exploring nonconformist identities and beliefs that challenged behavioural norms as much as the desirability of modern progress. Decadent plays were at once behind the times in their celebration of antiquity and forward thinking in their staging of themes that have become all the more timely in the 21st century, including queerness, unconventional eroticism, and critiques of empire and industrial progress. Equally, the diversity of decadent drama cannot be pigeon-holed; many of these plays still have the capacity to offend worldviews and invite us to interrogate present-day conventions and propriety. International in scope and eclectic in content, this edited anthology is an authoritative and accessible introduction to a fast-expanding field of decadent literature. The first publication of its kind to deal with decadent drama and featuring plays translated into English for the first time, *Decadent Plays 1890 to 1930* breaks new ground by foregrounding decadence as a dramatic sensibility in this most pivotal of periods in the history of

modern drama Featuring canonical and little known works by Oscar Wilde Michael Field Lesya Ukrainka Rachilde Remy de Gourmont Jean Lorrain Leonid Andreyev Gabriele D Annunzio Maurice Maeterlinck Izumi Kyoka and Djuna Barnes this anthology is an essential introduction to decadent drama that will pique the interest of specialists and non specialists alike

over women whose weaker natures render them perpetually suspect women's bonds with other women animate defenses of virtue and obedience fidelity and love work loose the fabric of patrilineal power that undergirds masculine privileges in marriage and signify a discursive shift that constitutes the site of agency within a system of oppression that ought to prohibit such agency That women's agency in the early modern period must be tied to the formations of power that officially demand their subjection need not undermine their acts In what Alfar calls Shakespeare's cuckoldry plays women's rhetoric of defense is both subject to the discourse of sexual honor and finds a ground on which to shift it as women take control of and replace sexual slander with their own narratives of marital betrayal
