Fateful Bargain:

The Fateful Bargain Betty Neels, 2012-04-16 They had made a binding arrangement Dutch surgeon Sebastian van Tecqx had offered Emily's father the chance to have a life changing operation But favors don't come cheap and the doctor expected something in return It wasn't hard for Emily to exchange her drab nurse's lodgings for Sebastian's luxurious home but how could Emily stop herself from falling in love with her charismatic employer Especially once Sebastian made it clear that marriage was not part of the bargain *The Fateful Bargain* Random House, 1998-12-01 *Fiction* Alfred Harmsworth Northcliffe (Viscount), Samuel Sidney McClure, 1910 *The American Miracle* Michael Medved, 2017-09-05 The New York Times bestselling author of *God's Hand on America* reveals that what the Founders always believed has been proven true that America's rise to prosperity and power from the writing of the Constitution to the Civil War unfolded according to a master plan THE INSPIRATION FOR THE MOTION PICTURE EXPERIENCE THE AMERICAN MIRACLE OUR NATION IS NO ACCIDENT Absolutely spectacular The stories are genuinely staggering fascinating eye opening and deeply inspiring Eric Metaxas The history of the United States displays an uncanny pattern At moments of crisis when the odds against success seem overwhelming and disaster looks imminent fate intervenes to provide deliverance and progress Historians may categorize these incidents as happy accidents callous crimes or the product of brilliant leadership but the most notable leaders of the last four hundred years have identified this good fortune as something else a reflection of divine providence Among the stirring illogical episodes described here A band of desperate religious refugees find themselves blown hopelessly off course only to be deposited at the one spot on a wild continent best suited for their survival George Washington's beaten army surrounded by a ruthless foe and on the verge of annihilation manages an impossible escape due to a freakish change in the weather A famous conqueror known for seizing territory frustrated by a slave rebellion and a frozen harbor impulsively hands Thomas Jefferson a tract of land that doubles the size of the United States A weary soldier picks up three cigars left behind in an open field and notices the stogies have been wrapped in a handwritten description of the enemy's secret battle plans a revelation that gives Lincoln the supernatural sign he's awaited in order to free the slaves When millions worry over the nation losing its way Medved's sweeping narrative bursting with dramatic events and lively portraits of unforgettable occasionally little known characters affirms America as fortune's favorite shaped by a distinctive destiny from our beginnings to the present day *The Confessions of a Beachcomber* Edmund James Banfield, 1908 **The Making of British Bourgeois Tragedy** Alex Eric Hernandez, 2019 The rise of the middle class in the eighteenth century has long been taken to usher in a prosaic age synonymous with the death of tragedy an age in which the sheer ordinariness of bourgeois life was both antithetical and inured to the tragic But the period's literature tells a very different story Re-assembling a body of print and performance concerned with the misfortunes of the middling sort *The Making of British Bourgeois Tragedy* argues that these works imagined a particularly modern sort of affliction an ordinary suffering proper to ordinary life divested of the

sorts of meanings rhetorics and affective resonances once deployed to understand it Whereas neoclassical aesthetics aligned tragedy with the heroic and the admirable this bourgeois and domestic tragedy treated the pain of common people with dignity and seriousness meditating upon a suffering that was homely familiar entangled in the nascent values of capitalism yet no less haunted by God Hence where many have seen aesthetic stagnation misfiring emotion and the absence of an idealized tragicness in the genre this volume sees instead a sustained engagement in the emotional processes and representational techniques through which the middle rank feels its way into modernity By attending closely to this long neglected subject *The Making of British Bourgeois Tragedy* turns the critical account of eighteenth century tragedy on its head It reads the genre s emergence in the period as a vigorous cultural conversation on whose life and whose way of life is grievable as well as how mourning might be performed

Who's Afraid of Opera? Michael Walsh,2015-08-04 For anyone who has been intimidated overwhelmed or just plain confused by what they think opera is WHO S AFRAID OF OPERA offers a lively readable guide to what author Michael Walsh describes as the greatest art form yet invented by humankind From opera s origins in Renaissance Italy to The Who s rock odyssey Tommy and Stephen Sondheim s Into the Woods Walsh explores what opera is and what it s not what makes a great singer and why it takes Tristan so long to die So curtain up It s time to settle into your seat close up your program and watch the house lights go down And get ready for the musical ride of your lives

Corsair Jay Aspen,2023-05-24 The epic conclusion to the series as Ariel and Marin venture into the devastated swamplands of Rapathia and confront the corrupted Emperor controlling its capital Summoning the dragon always brings danger and challenging demands and this time Ariel has to solve the sinister mystery of a city in the sky Caught between the orc legions massing in the east and the threat of treachery closer to home the Eldrin will be challenged as never before

Corsair is the fourth book in the epic fantasy *A Dance of Storm and Steel* the adventure romance series by Jay Aspen

The Confessions of a Beachcomber E. J. Banfield,2019-11-29 In *The Confessions of a Beachcomber* E J Banfield presents a lyrical exploration of life on the idyllic yet remote Dunk Island captured through his keen observational prowess and intimate prose The book blends memoir and nature writing showcasing Banfield s reflective musings on the interplay between man and nature His vivid descriptions of the landscape interweave with philosophical reflections positioning the work within the broader literary context of early 20th century nature literature while drawing parallels with the likes of Henry David Thoreau and John Burroughs who also sought to illuminate the beauty of the natural world E J Banfield was a passionate naturalist and writer whose experiences in Australia profoundly shaped his literary voice His time spent as a resident on Dunk Island provided him with a unique perspective on both the local environment and the deeper existential questions concerning humanity s role within it This blend of personal introspection and environmental observation reflects Banfield s commitment to celebrating the untamed beauty of the Australian landscape informed by his extensive knowledge of its flora and fauna I highly recommend *The Confessions of a Beachcomber* to readers interested in nature writing and personal narratives that

evoke the profound connection between humanity and the natural world Banfield's enchanting storytelling will not only inspire wanderlust but also provoke contemplation of our relationship with nature making it a timeless read for those yearning for a deeper appreciation of life's simple pleasures Pride and Solace Norman Jacobson, 2022-03-25 In *Pride and Solace* Norman Jacobson presents a novel perspective on the history of political theory He sees an implicit conspiracy between political thinkers and their audience in which theory feeds the common longing for solace while the conversion of the audience to the thinker's truth gratifies a craving for immortality the thinker's pride In each age since the birth of the modern state political theorists have found new forms of solace to meet the needs and character of their times Machiavelli offers his Prince the political warrior and national savior Hobbes combats people's fears of their innate disorderly passions with great artificial systems of law and science And to give people all the advantages of both the state of nature and civilized life Rousseau fashions the social contract as the new basis of human political community Despite attempts to develop a political theory without solace by such writers as Orwell Arendt and Camus theorists still flourish who profess a dogmatic faith in history or in revolution in Western technological superiority or Third World righteousness and who condone torture and casual murder to attain ends seen as just honorable or foreordained Jacobson's book wages an intellectual struggle on two fronts against the prideful offer of salvation by political means and against the stoical rejection of solace in any form whatever This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 Nuns and Nunneries in Renaissance Florence Sharon T. Strocchia, 2021-04-27 An analysis of Renaissance Florentine convents and their influence on the city's social economic and political history The 15th century was a time of dramatic and decisive change for nuns and nunneries in Florence That century saw the city's convents evolve from small semiautonomous communities to large civic institutions By 1552 roughly one in eight Florentine women lived in a religious community Historian Sharon T Strocchia analyzes this stunning growth of female monasticism revealing the important roles these women and institutions played in the social economic and political history of Renaissance Florence It became common practice during this time for unmarried women in elite society to enter convents This unprecedented concentration of highly educated and well connected women transformed convents into sites of great patronage and social and political influence As their economic influence also grew convents found new ways of supporting themselves they established schools produced manuscripts and manufactured textiles Using previously untapped archival materials Strocchia shows how convents shaped one of the principal cities of Renaissance Europe She demonstrates the importance of nuns and nunneries to the booming Florentine textile industry and shows the contributions that ordinary nuns made to Florentine life in their roles as scribes stewards artisans teachers and community leaders In doing so Strocchia

argues that the ideals and institutions that defined Florence were influenced in great part by the city's powerful female monastics Winner Helen and Howard R Marraro Prize American Catholic Historical Association Strocchia examines the complex interrelationships between Florentine nuns and the laity the secular government and the religious hierarchy The author skillfully analyzes extensive archival and printed sources Choice *Incredible Stories of the Fantasy World* Amrahs Hseham,2024-01-30 The book kicks off with Ant's Army a tale set against the Austrian backdrop Antara an industrious ant transforms her colony into a formidable army to protect her homeland The narrative unfolds a harmonious blend of fantasy and environmental consciousness showcasing the strength that unity holds in the face of adversity The journey continues with Chess of Death returning to the Austrian environment The narrative introduces a high stakes magical chess game that entangles the lives of its players weaving a gripping tale of strategy consequences and the pursuit of victory in the face of peril Barbed Whip unfolds against the mystical ambiance of the Czech Republic Valeria a skilled warrior wields a magical whip in her pursuit of justice against a malevolent force threatening her homeland The story is infused with Czech cultural elements providing a vivid and immersive experience Moving on to Crying River the book explores a haunting tale set in the Czech landscape A river with mystical properties reflects the emotions of those who traverse its waters creating a poignant narrative that delves into the interconnectedness of nature and human emotions *Shakespeare's Comedies* Kiernan Ryan,2020-04-21 In this groundbreaking book one of the most original and compelling voices in contemporary Shakespeare criticism undertakes a detailed study of the ten extraordinary comedies Shakespeare wrote during his first decade as a dramatist The Comedy of Errors The Taming of the Shrew The Two Gentlemen of Verona Love's Labour's Lost A Midsummer Night's Dream The Merchant of Venice The Merry Wives of Windsor Much Ado About Nothing As You Like It and Twelfth Night Through close readings of these plays Kiernan Ryan reveals Shakespeare's deepening disenchantment with his world and his dream of that world transfigured Ryan engages with each comedy as a unique work of dramatic and poetic art with its own distinctive concerns and critical challenges paying special attention to its language and form As the haunting vision shared by the plays emerges from Ryan's acute analysis of each of them the book transforms our understanding and appreciation of Shakespearean comedy Written in a lively accessible style Shakespeare's Comedies is essential reading not only for students and teachers but also for anyone keen to consider these plays from a fresh perspective **Medieval and Renaissance Drama in England** S. P. Cerasano,Heather Anne Hirschfeld,2006-10 Medieval and Renaissance Drama in England is an international volume published annually Each volume contains essays and studies by critics and cultural historians from both hemispheres as well as substantial reviews of books and essays dealing with medieval and early modern English drama before 1642 Volume 19 reflects a variety of scholarly interests The collection opens with two essays each exploring different aspects of John Webster and James Shirley that further our understanding of attribution studies One essay on the ownership of the Bell Savage Playhouse showcases MaRDiE's ongoing interest in early playhouses while another on

Marston's Entertainment at Ashby addresses performance history Two further essays discuss issues related to stage costuming Issues of actual identity are raised in an essay concerning John Lyly's biography while two other authors probe the complex connections between drama and economics William Rowley's *All Lost by Lust* becomes the centerpiece for a reassessment of rape tragedy S P Cerasano is the Edgar W B Fairchild Professor of Literature at Colgate University

The Grimmest of Grimm Brothers Grimm, 2004-10 The stories collected by Jacob and Wilhelm Grimm in the early 19th century reflected life as known to the German people of the time fantastic yet often unpredictable and pernicious Patriotic folklorists they began their collection of tales with the intent of preserving the endangered German oral tradition from a Napoleonic rule intent on suppressing local culture From their earliest release and translation conservative parents and ecclesiastics disparaged the tales for their vestigial raw Gothic content and the brothers and a myriad of editors began to soften them to demure morality and sweetness to make appeal to the upper classes what began as earthy peasant fare This is no such revision sanitized of objectionable material these are the grimmest Cannibalism child abuse dismemberment slaughter of innocents the walking dead deals with the devil are all prevalent in these lesser known works of the brothers Grimm here lushly illustrated for the sick little monkey that is your inner child Featuring 94 illustrations by Terry Beal Benchacco Jon Ferril Luc Hebert Kelly Levy Kathryn McLaughlin Karen Petroff Katy Rose Cyrus Rua
