Babysitter Joyce Carol Oates, 2023-06-06 From one of America s most renowned storytellers the bestselling author of Blonde comes a novel about love and deceit and lust and redemption against a backdrop of shocking murders in the affluent suburbs of Detroit Hannah s unreliable elliptical narrative is seductive and compelling like following someone into a fever dream Oates is in no hurry to trigger the action dropping tiny morsels of foreshadowing to keep us on our toes The New York Times Book Review

Unsettling mysterious deft sinister eerily plausible Margaret Atwood best selling author of The Handmaid s Tale and The Testaments via Twitter In the waning days of the turbulent 1970s in the wake of unsolved child killings that have shocked Detroit the lives of several residents are drawn together with tragic consequences There is Hannah wife of a prominent local businessman who has begun an affair with a darkly charismatic stranger whose identity remains elusive Mikey a canny street hustler who finds himself on a chilling mission to rectify injustice and the serial killer known as Babysitter an enigmatic and

terrifying figure at the periphery of elite Detroit As Babysitter continues his rampage of abductions and killings these individuals intersect with one another in startling and unexpected ways Suspenseful brilliantly orchestrated and engrossing Babysitter is a starkly narrated exploration of the riskiness of pursuing alternate lives calling into question how far we are willing to go to protect those whom we cherish most In its scathing indictment of corrupt politics unexamined racism and the enabling of sexual predation in America Babysitter is a thrilling work of contemporary fiction *Bottomline* M.
