Fathering Daughters:

Fathering Daughters Dewitt Henry, 1999-05-20 A landmark collection of original essays that fills the void of writing by men about their daughters Contributors include Phillip Lopate Rick Bass Gerald Early Gary Soto Scott Sanders Nicholas Delbanco and Alan Cheuse **The Best Kept Secret** Roberta L. Coles, 2009-03-16 The Best Kept Secret studies the often overlooked group of single African American custodial fathers While the media focuses on the increase of single mothers and the decline in marriage in the black community Roberta Coles paints a nuanced picture of single black dads Based on qualitative research the author looks at the parenting experience of these fathers who may have become single parents through nonmarital births divorce widowhood and adoption The fathers ranging in age from 20 to 76 discuss their motivations for taking custody of their children what roles they enact as parents what they hope for their children how they socialize their children in a diverse society how parenting daughters differs from sons and what parenting has done for them personally Coles then recommends policy changes to improve the situations for children and single parents particularly often unseen fathers Filled with dynamic interviews and intriguing case studies The Best Kept Secret shows that single black custodial fathers do exist and looks at the ways raising children has shaped their lives **Father Figure** Jordan Shapiro, 2021-05-11 A thoughtful and utterly mind blowing exploration of fatherhood and masculinity in the 21st century New York Times There are hundreds of books on parenting and with good reason becoming a parent is scary difficult and life changing But when it comes to books about parenting identity rather than the nuts and bolts of raising children nearly all are about what it s like to be a mother Drawing on research in sociology economics philosophy gender studies and the author s own experiences Father Figure sets out to fill that gap It s an exploration of the psychology of fatherhood from an archetypal perspective as well as a cultural history that challenges familiar assumptions about the origins of so called traditional parenting roles What paradoxes and contradictions are inherent in our common understanding of dads Might it be time to rethink some aspects of fatherhood Gender norms are changing and old economic models are facing disruption As a result parenthood and family life are undergoing an existential transformation And yet the narratives and images of dads available to us are wholly inadequate for this transition Victorian and Industrial Age tropes about fathers not only dominate the media but also contour most people s lived experience Father Figure offers a badly needed update to our collective understanding of fatherhood and masculinity in general It teaches dads how to embrace the joys of fathering while guiding them toward an image of manliness for the modern world **Our Father** Rosalyn V. Green, 2008-12 An intriguing and compelling narrative that focuses on a number of women who experienced dysfunctional distant or non existent relationships with their fathers and a valuable guide to forming healthy relationships **Health, Parenting, and Community Perspectives on Black Fatherhood** Tasha L. Alston, Brianna P. Lemmons, Latrice S. Rollins, 2024-09-11 From slavery to present day the narratives of Black fatherhood have been fraught with biases and stereotypes failing to accurately capture the voices and lived

experiences of Black fathers Contrary to these narratives Black fathers play an important role in the lives of their children and families Health Parenting and Community Perspectives on Black Fatherhood Defying Stereotypes and Amplifying Strengths edited by Tasha L Alston Brianna P Lemmons and Latrice S Rollins celebrates Black fatherhood and highlights the ways Black men defy stereotypes and embrace their role as fathers with unwavering resilience Drawing on the expertise of well regarded experts in the field and using a strengths based perspective this comprehensive book provides insight into the experiences of Black fathers in three key areas health parenting and community The contributors explore the salience of the co parenting relationship for Black fathers community based participatory research with Black fathers the Black father daughter relationship the male in law relationship in Black families support systems for Black fathers parenting autistic children and more This volume is an essential resource for scholars in social work psychology sociology child development allied health and similar disciplines and professions

Dads and Daughters Joe Kelly, 2002-06-18 Every father can make a huge difference in his daughter s life As the primary male role model in a girl s life fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large But men often don t realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning Especially as girls move into adolescence fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic Communication becomes difficult and parenting issues more complicated But this is also the time when daughters most need their fathers to be an even greater presence in their lives Dads and Daughters is a tool to bridge that gap and build a rewarding and joyful father daughter relationship From father to father and with insights from many other dads Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring Starting with a self assessment quiz titled How Am I Doing as My Daughter s Father dads can immediately see what kind of role they play in their daughter s life To educate fathers and offer solutions when problems arise Dads and Daughters then offers thoughtful coverage of the most pivotal issues today s girls face such as sex and dating body image alcohol and drugs media culture and violence money and responsibility and the future In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding healthy lives

Daughters Need Fathers, Too Tina M. Kelly Ph.D., 2017-12-22 Fathers are important role models for their daughters They are the first men that their daughters relate to and the relationships with their fathers set the tone for any relationships their daughters have in the future There is no doubt that fathers daughter relationships impact daughters both

positively and negatively There are similarities between the father daughter relationships the daughters perception of themselves and how other men perceive them to be Daughters drastically need their fathers support acceptance and love Daughters who have positive relationships with their fathers are left with strong values confidence and high self esteem The daughters who have experience failed relationships with their fathers are in need for compassionate relationships with other men and other people who are vulnerable to their plan Daughters who suffer from negative relationships should learn to place high values on themselves acknowledge that they are somebody and that they hold the key to their own happiness Many people do not identify the impact fathers have on their daughters lives As a result these daughters can go through endlessly with no expectations of healing from the damage caused by lack of positive relationships with their fathers If one is to comprehend the impact of father daughter relationships one must be open to comprehend the effect of that relationships Fathers impacts their relationship with their daughters especially the role fathers play after divorce After parents divorce daughters have various feelings of support love comfort discomfort honor and disappointment When fathers are part of their daughters lives they grow up feeling safe secured and protected because their fathers were always around Daughters needs their fathers to be the standard against which they will judge all men *Lost Fathers* Laraine Herring,2005-03-03 Examines the long term ramifications for adult women who as adolescent girls lost their fathers to death divorce or addiction helps them understand how their behaviors were shaped by that loss at a pivotal developmental stage and provides some interactive exercises to help them heal Original **To Each Its Own Meaning** Stephen R. Haynes,Steven L. McKenzie,1999-01-01 This volume introduces the reader to the most important methods of biblical criticism It serves as an indispensable handbook for the work of students approaching biblical studies for the first time and for the professional interpreter of scripture who wants to understand the latest currents in biblical scholarship **Female Psychology** Eleanor Schuker,Nadine A. Levinson,2020-09-23 This book provides a psychoanalytic perspective on female psychology and includes articles with divergent theoretical viewpoints It is useful for both research and clinical study and may also provide a bridge to scholars teachers and clinicians outside of psychoanalysis itself **Father-Daughter Relationships** Linda Nielsen,2019-06-04 In this fully revised new edition Father Daughter Relationships Contemporary Research and Issues summarises and analyses the most relevant research regarding father daughter relationships aiming to break down the persistent misconceptions regarding fatherhood and father daughter relationships and encourage the reader to take a more objective and analytical approach The research is brought to life with compelling personal stories from fathers and daughters including well known celebrities and politicians Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between real life fathers and daughters Nielsen discusses the father daughter relationship within a diverse range of family structures including divorced and separated parents gay parents adopted children and children of sperm donors Covering a wide range of topics including the father s impact on his

daughter's cognitive academic social and physical wellbeing ethnic minorities and incarcerated or abusive fathers Father Daughter Relationships Contemporary Research and Issues gives panoramic view of the most recent research and statistics This book is essential reading for upper level undergraduate and for graduate students as well as for practitioners working with families such as social workers mental health professionals and family counsellors It is especially relevant for courses in psychology sociology women's studies and counselling Linda Nielsen is a Professor of Adolescent and Educational Psychology at Wake Forest University A member of the faculty for 35 years she is a nationally recognized expert on father daughter relationships
