Fathers Touch Second Edition:

Touch, second edition Tiffany Field, 2014-10-17 Why we need a daily dose of touch an investigation of the effects of touch on our physical and mental well being Although the therapeutic benefits of touch have become increasingly clear American society claims Tiffany Field is dangerously touch deprived Many schools have no touch policies the isolating effects of Internet driven work and life can leave us hungry for tactile experience In this book Field explains why we may need a daily dose of touch The first sensory input in life comes from the sense of touch while a baby is still in the womb and touch continues to be the primary means of learning about the world throughout infancy and well into childhood Touch is critical too for adults physical and mental health Field describes studies showing that touch therapy can benefit everyone from premature infants to children with asthma to patients with conditions that range from cancer to eating disorders This second edition of Touch revised and updated with the latest research reports on new studies that show the role of touch in early development in communication including the reading of others emotions in personal relationships and even in sports It describes the physiological and biological effects of touch including areas of the brain affected by touch and the effects of massage therapy on prematurity attentiveness depression pain and immune functions Touch has been shown to have positive effects on growth brain waves breathing and heart rate and to decrease stress and anxiety As Field makes clear we enforce our society's touch taboo at our peril

Unholy Hands on the Bible Dean J. Burgon, 1990 What do you get when you buy this volume You get all six of the Works of Dean John W Burgon which in effect gives you an excellent introduction to Textual Criticism in The Traditional Text of the New Testament In The Causes of the Corruption of the Traditional Text of the Gospels you will learn how the Gnostics Manicheans Ebionites Arians and other heretics sought to halt the spread of Christianity by putting out corrupt manuscripts Discover the

motivation that caused the critics to elevate these adulterated manuscripts to a place of adoration See for yourself the overwhelming evidence against the thousands of changes in the popular new versions that dilute the Scriptures The Last Twelve Verses According to the Gospel of Mark shows that over 2 000 manuscripts and as many Greek lectionaries contain these verses without any brackets or doubting footnotes Did you know that except for the NKJV MKJV LITV the nine other major new versions have bracketed the last 12 verses of Mark or in a footnote indicated that they do not believe they are authentic WHY It s a mystery There are only three 3 Greek manuscripts that do not have these verses And in 200 pages of proofs Burgon shows that those two are so edited at the place where these verses belong that anyone can see the scribes were looking at these verses in the older mss they were copying As Dr Gordon H Clark wrote If a version brackets these verses then you know that they are not going by the evidence The Revision Revised is a Critique of the English Revised Version of 1881 with additional applications to the Modern Translations There is an excellent critique of the Westcott and Hort textualtheories Proof of the Genuineness of God Manifested in the Flesh contains an unanswered and unanswerable defense of 1 Timothy 3 16 The Woman Taken In Adultery gives a defense of the authenticity of John 7 53 8 11 Conflation and The Neutral Text by Edward Miller M A gives an additional critique of Dr Hort s theories Get this volume and arm yourself to fight for the God breathed words that God has preserved for you that you might have life and faith Every one of His words are precious We need not give up thousands of them
