Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the church At the end of each day s devotional an appropriate prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer I Am With You Always

Benedict C.F.R. Groeschel,2011-02-18 A Study of the History and Meaning of Personal Devotion to Jesus Christ for Catholic Orthodox and Protestant Christians The devotional life of Christians over the two millennia since Jesus birth has been one of motion changing and growing in response to the challenges presented to the Church the temperaments of newly baptized nations and controversies about how we can and should relate to God And yet the core of authentic Christian devotion has not changed it remains today as it was in the time of the Church Fathers the trusting and personal encounter with Christ that is both open and foundational to the life of all Christian believers In this book the well known spiritual writer and teacher Fr Benedict Groeschel C F R surveys the development and trials of Christian devotion from the days of the martyrs until the twentieth century Tracking it through the centuries and among sadly divided branches of Christianity he finds a commonality of experience and even of language that is constantly ignored among Christians themselves By observing what image of Christ the canvas of common devotion portrays he hopes we will move not to discredit this image but to sharpen it and make it more consistent with the New Testament and the ancient Church Though the devotional life is sometimes brushed off as unimportant in comparison to a theological understanding of Christ Groeschel warns that such dismissal threatens to make distant unknown and obscure the Savior who said I am with you always The answer instead is to draw near to Jesus in devotion and with authentic expressions of that devotion which themselves help paint the image of Christ found concretely in revelation onto the minds and daily life of the devout Begun on a pilgrimage to the Holy Land and the result of years of preparation and a whole life of guiding people as priest public preacher psychologist and spiritual director this book will help Catholic Orthodox and Protestant believers gain not only a comprehensive view of how pious Christians over the centuries have lived out their devotion to God but the examples and perspective they need to live more devoutly today **Hilltop Scriptural Meditations** Rev. Benjamin A Vima,2016-06-30 During all the HILLTOP moments in Jesus life not only he was informed and confirmed by his Father about his true identity and mission but also he shared those inspirations with his

followers This is what the Scriptures and the Church exhorts us to encounter during our personal prayertime The author esteems of his retirement life of solitude as a hilltop milieu which is very conducive to meditate in the presence of God who is the Highest According to the author Where the Highest is there the Hilltop is And he asserts the meditations found in this work have been collected when he was at His Highest Place This book contains 105 weekend meditations based on Liturgical Years A B Sunday Scriptural passages Author writes in his Forward I dream to see this work as a handbook to be used either in the hands of every Christian at his her Sabbath Prayer Hours or at the desks of preachers during the preparation of their Sunday homilies **Gerhard's Sacred Meditations** Johann Gerhard,1896 *Wesleyan-Methodist Magazine* ,1884
