## **Freedom Of Simplicity Finding Harmony In A Complex World:**

*Freedom of Simplicity* Richard J. Foster, 2005-08-30 A revised and updated edition of the manifesto that shows how simplicity is not merely having less stress and more leisure but an essential spiritual discipline for the health of our soul

**Following Jesus** Phillip C. Thraillkill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me [The Upside Down Way](#)

Matthew Ingalls, 2017-02-14 Jesus' life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus' life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle [The Upside Down Way](#) is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith

[Free to Run the Race](#) Gary V. Ventimiglia, 2016-09-22 [Free to Run the Race](#) describes the living out of our life in Christ Hebrews 12:1 It speaks of running with endurance the race that is set before us This can be done by fixing our eyes on Jesus [Undoing the Burden of Parental Disregard](#) speaks to a specific encumbrance that weighs the runner down making it harder to keep focus and finish the race The burden is called parental disregard It is not being allowed to be oneself to pursue one's inner direction or natural proclivity in one's life It is the experience of developmental woundedness that says being oneself in temperament aptitudes natural talents and the expressing of this is prohibited Prov 22:6 says train up a child according to his own way The burden of parental disregard is the emotional pain in living out an identity that is not

based on any expression of one's natural way or bent's. This makes the development of trust in a heavenly Father parent difficult. The relieving of this burden takes a ruthlessly honest focus on this woundedness and its working out its implications honestly that allows a more truthful understanding of God's love for our lives. *The Complete Idiot's Guide to Getting Out of Debt* Ken Clark, CFP, 2009-02-03 Borrowing from Peter to pay Paul The American economy is dragging with unemployment rates rising and consumer debt hitting 2.5 trillion. Moreland, 2009-07-22 J. P. Moreland Christian philosopher theologian and apologist issues a call to recapture the drama and power of kingdom living to cultivate a revolution of Evangelical life spirituality thought and Spirit-led power. Drawing insights from the early church he unpacks three essential ingredients of this revolution Recovery of the Christian mind Renovation of Christian spirituality Restoration of the power of the Holy Spirit Western society is in crisis the result of our culture's embrace of naturalism and postmodernism and a biblical worldview has been pushed to the margins. Christians have been strongly influenced by these trends with the result that their personal lives often reflect the surrounding culture more than the way of Christ and the church's transforming influence on society has waned as a result. Kingdom Triangle is divided into two major sections. The first examines and provides a critique of secular worldviews and shows how they have ushered in the current societal crisis. The second lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world. Moreland believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision. With clear insight he puts the thoughtful Christian in a position to understand our current cultural struggle and to return to a responsible presentation of the way of Christ as not just a way of right living but also a way of knowledge and meaningful life.

**When You Come Together** Amy S. Anderson, 2011-04-01 WHEN YOU COME TOGETHER brings us back to primitive theological truths such as the church as family the body with its interconnected parts and the presence of the Holy Spirit Who delights to reveal God's heart and mind to His gathered people. Amy Anderson contends that belonging to God's people should involve us all in something less like a music concert and more like a jazz session with every person participating as an essential instrument following a common thread while also expecting the Holy Spirit to weave new themes into the established patterns. Anderson provides a nitty gritty guide to both why and how we can ditch the concert paradigm and instead learn to gather alertly in God's presence allowing Him to speak in our midst and turn our lives upside down. **Mom Connection** Tracey Bianchi, 2012-05 A mom's guide to creating vibrant friendships with other women that feed both their

creativity and sense of purpose in the larger world      *The HTML of Cruciform Love* John Frederick, Eric Lewellen, 2020-01-01 Despite an increasing portion of our lives being conducted online the topic of the internet is vastly underrepresented in the current literature on technology and theology The HTML of Cruciform Love challenges outdated misconceptions about internet theology and asserts that there is no topic more pertinent to our daily walk as contemporary followers of Jesus Christ than the theological implications of the internet age These twelve essays investigate the themes of community and character formation in the digital realm A host of interrelated sub themes are represented including the application of patristic theology to contemporary internet praxis a demonology of the internet and virtue ethics in cyberspace while other studies consider the influence of internet technology on aesthetics personhood and the self Together the essays work towards a collaborative constructive cruciform theology of the internet as something more than a supplementary component to our personal lives rather it is a vital medium for the digital communion of the saints through the HTML of cruciform love      *The Year of Small Things* Sarah Arthur, Erin F. Wasinger, 2017-01-31 When Sarah and Tom Arthur were appointed to a suburban church after three years in an urban Christian community they faced a unique challenge how to translate the practices of radical faith into their new context Together with their friends and fellow church members Erin and Dave Wasinger the Arthurs embarked on a yearlong experiment to implement twelve small practices of radical faith not waiting until they were out of debt or the kids were out of diapers or God sent them elsewhere but right now This book is Sarah and Erin s story told with humor theological reflection and practical insight exploring such practices as simplicity hospitality accountability sustainability and social justice but most of all discernment Along the way readers will consider how God might be calling them to embark on their own year of small but radical changes right where God has planted them Each chapter includes discussion questions and suggested readings Foreword by Jonathan Wilson Hartgrove For more information visit [www YearofSmallThings com](http://www.YearofSmallThings.com)      *Glittering Vices* Rebecca Konyndyk DeYoung, 2020-06-02 Drawing on centuries of wisdom from the Christian ethical tradition this book takes readers on a journey of self examination exploring why our hearts are captivated by glittery but false substitutes for true human goodness and happiness The first edition sold 35 000 copies and was a C S Lewis Book Prize award winner Now updated and revised throughout the second edition includes a new chapter on grace and growth through the spiritual disciplines Questions for discussion and study are included at the end of each chapter      *Extravagant* Brady Boyd, 2022-10-25 From the senior pastor of New Life Church a timely thought provoking inspiring and uplifting The Gazette Colorado book that redefines the notion of extravagance by using the parable of the Good Samaritan to demonstrate how to live a truly compassionate and selfless life of giving freely without expecting anything in return We all know people in our lives who have yes faces They are calm but energetic present but still purposeful with their time They re genuine in their desire to know about you how you re doing what you re up to how you feel Even with full lives of their own they somehow still have the energy to inquire about others

**Flunking Sainthood** Jana Riess, 2011-11-01 This wry memoir tackles twelve different spiritual practices in a quest to become more saintly including fasting fixed hour prayer the Jesus Prayer gratitude Sabbath keeping and generosity Although Riess begins with great plans for success Really how hard could that be she asks blithely at the start of her saint making year she finds to her growing humiliation that she is failing not just at some of the practices but at every single one What emerges is a funny yet vulnerable story of the quest for spiritual perfection and the reality of spiritual failure which turns out to be a valuable practice in and of itself Praise for Flunking Sainthood Flunking Sainthood is surprising and freeing it is fun and funny and it is full of wisdom It is in fact the best book on the practices of the spiritual life that I have read in a long long time Lauren Winner author of Girl Meets God and Mudhouse Sabbath Jana Riess reminds us that saints are different from most of us They are special we are barely normal They get it right we rarely get it They see God we strain to see much of anything And Jana is no saint Rather than climbing to the pinnacle and sitting on a pedestal to tell us how it could be Jana slides right next to us and reminds us that sainthood is overrated With humor and insight she whispers to us that our lives matter just as they are She prods us to never let our failures hold us back She calls us to something greater than spiritual success ordinary faithfulness Flunking Sainthood is the book I m giving to my friends who are seeking to make sense of their emerging faith Doug Pagitt author of A Christianity Worth Believing Jana Riess may have flunked at sainthood but she s written a wonderful book It s both reverent and irreverent and it will make you want to become a better Christian or Jew or Muslim or Zoroastrian or Jedi or whatever you happen to be AJ Jacobs author of The Year of Living Biblically Warm light hearted and laugh out loud funny Jana Riess may indeed have flunked sainthood but this memoir assures us that she is utterly and deeply human and that is something even more wonderful Honest and sincere she will endear you from page one Donna Freitas author of The Possibilities of Sainthood With a helpfully hilarious account of her own grappling with godliness Jana Riess proves to be a standup historian well practiced in the art of oddly revivifying self deprecation She loves her guides historical and contemporary even as she finds them alternately impractical harsh or infuriatingly jolly The book is freaking wonderful a candid and committed tale of prayers that resists supersizing and spirituality that has no home save the glory and the muck of the everyday David Dark author of The Sacredness of Questioning Everything Jana Riess s new book is a delight fun funny

engaging and a powerful reminder that the greatest work in our lives is not what we'll do for God but what God is doing in us Margaret Feinberg [www.margaretfeinberg.com](http://www.margaretfeinberg.com) author of *Scouting the Divine* and *Hungry for God* Flunking Sainthood allows those of us who have attempted new spiritual practices and failed to breathe a great sigh of relief and to laugh out loud Jana Reiss's exposé of her year long and less than successful attempts at eleven classic spiritual practices entertains and educates us with its honesty and down to earthiness In spite of Jana's paltry attempts at piety and her botched prayer makeovers God showed up in the surprising sneaky ways that only God does Jana is the kind of girlfriend I like to have hilarious smart stubborn irreverent and totally gaga over God She writes in the unfiltered uncensored way I'd write if I had the skill and the guts Oh sorry Mom I meant gumption not guts Sybil MacBeth author of *Praying in Color* **Vainglory** Rebecca Konyndyk DeYoung, 2014-12-03 Vainglory a keen desire for attention and approval Although contemporary culture has largely forgotten about vainglory it was on the original list of seven capital vices and is perhaps more dangerous than ever today DeYoung tells the story of this vice moving from its ancient origins to its modern expressions She defines vainglory gives examples from popular culture and discusses other vices associated with it such as hypocrisy and boasting She then explores personal spiritual practices that can help us resist it and community practices that can help us handle glory well *Aquinas's Disputed Questions on Evil* M. V. Dougherty, 2016 This collection of specially commissioned new essays explores the philosophical issues and subjects of Aquinas's major work **Knowing as We Are Known** Eugene T. Yotka, 2012-07-23 Immerse yourself in that still place within in which God speaks to the true self that you have been created to be This book is more than simply information about inner stillness it is a guide into the experience of inner stillness itself This is the author's journey to that place where God speaks to our spirits and calls us children This is a call not so much to do something as much as it is a call to be who God created us to be Through the experiences of contemplation waiting hope and assurance it is the goal of this writing that you will find rest for your soul body and mind in a fresh new and enduring way We all long to live from the center of an authentic self Gene Yotka has provided an important resource for helping us identify and express a spiritual life from that center His book is a gift Dr Steve Harper Professor of Spiritual Formation Asbury Theological Seminary Gene has demystified contemplative prayer and made it accessible to the average believer Dr Stephen Seamands Professor of Christian Doctrine Asbury Theological Seminary 1,800 Miles Joshua Daniel Phillips, 2010-01-01 We must be actively against instead of passively for sexual violence 1,800 Miles Sexual violence is a cultural issue that will not go away just because we ignore it Three college friends understood this and decided to do something With few resources and little funding they headed to Miami in the summer of 2008 and were ready to walk all the way to Boston in an effort to raise awareness about sexual violence Carry their only possessions on their backs and never knowing where they would be sleeping at the end of each day they slowly made their way up the East Coast However they did have their set backs as certain days included being chased by dogs and walking numerous miles through the rain Despite these adversities the three

walkers continued forward for three long hot summer months Along the way they talked to the media met survivors and even spent the night with a Senator 1 800 Miles recounts those stories both humorous and heartbreaking from the walk and is sure to be a story that inspires other social activists to start moving forward one step at a time 7 Keys to Spiritual

Richard J. Foster,2010-05-04 Too often our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment But what if we approached the Bible differently and instead of transforming the text to meet our needs allowed it to transform us That s exactly the idea behind Life with God Richard J Foster s much anticipated book on the Bible Foster bestselling author of Celebration of Discipline and general editor of The Renovar Spiritual Formation Bible claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation According to Foster the Bible is all about human life with God As we read Scripture we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed By opening our whole selves mind body spirit thoughts behavior and will to the page before us we begin to grasp all the Bible has to teach about prayer obedience compassion virtue and grace and apply it to our everyday lives to achieve a deeper relationship with God With a wealth of examples and simple yet crucial insights Life with God is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge literary appreciation or religious instruction **Good Sense Budget Course Part Gde** Dick Towner,John Tofilon,2002-05-27 Grace Joy Freedom This is a field tested proven resource for changing hearts and lives in the area of finances
