Shift Ron McIntosh,2022-09-13 There s a SHIFT coming to the Body of Christ to America the world and to your life The Church in many corridors has become prevalent but not powerful We are recognized behind our four walls but not much outside of them As the culture drifts from biblical values it is time to shift to eternal perspectives It s time for a shift *The Church God Blesses* Jim Cymbala,Stephen Sorenson,2002 In this second book of a three book series the pastor of The Brooklyn Tabernacle describes the kind of church God wants to bless and use , HRILIU: Symbolic Explorations of the Gnostic Mass IAO131,2016-04-23 HRILIU Symbolic Explorations of the Gnostic Mass is an in depth look at the central ritual of Ordo Templi Orientis O T O The first half of the book gives a general overview of the Gnostic Mass from several different perspectives including an examination of the basic symbols at work in the mass the Officers magical energy and how Baphomet might play a major factor The second half of the book is a detailed analysis of the rubric of Liber XV Ecclesiae Gnosticae Catholicae Canon Missae the ritual text of the Gnostic Mass itself IAO131 goes line by line through the text and goes into symbolic aspects of every part of the Gnostic Mass The book takes its title HRILIU from the climax of this ritual when the Priest and Priestess simultaneously utter this angelic word in rapturous communion Overall this tome comes in at almost 400 pages of symbolic and Qabalistic exploration of this beautiful and sacred Rite **Practical Theology and Majority World Epistemologies** Alfred Brunsdon,Calida Chu,2024-11-08 This book offers insights into the thinking of

majority world practical theologians and introduces the reader to faith realities previously unknown in a quest to create a more inclusive and welcoming practical theological network Practical theologians are situated in all corners of the globe attempting to make sense of their lived experiences and of those around them from a faith perspective Historically practical theology tended to be constructed from academics situated in the West and indirectly marginalized those in and from the majority world Against this backdrop this book is a deliberate attempt to empower practical theological voices from the further corners of the global village based upon the conviction that sharing epistemologies creates an opportunity not only to learn about others and the contexts in which they live but from them enhancing the meaning making of practical theology in the present Cognisant that epistemology as a formal discipline does not always centre lived experience practical theology has historically prioritised the importance of wisdom worldview and a way of life for individual and collective knowing The diverse issues addressed in this work offers insights into the thinking of mainly Asian and African practical theologians and introduces readers to the faith realities previously unknown to create a more inclusive and welcoming practical theological network This book was originally published as a special issue of the journal Practical Theology

Strategic Warfare in Bed Taiwo Olusegun Ayeni, 2015-08-14 Why is your bed strategic Because the place where you sleep is a site of divine renewal or Satanic regression You could be either made or marred on your bed Lying on your bed in the solemnity of day or serenity of night you can initiate maintain and sustain fruitful thinking that will change your life Great thoughts of glorious happenings could be inspired on your bed as you thoughtfully guard your hearts in deep search for divine mysteries Strategic Warfare in Bed encourages you to watch how you go to bed Do not allow the enemy to take control of your mind A bad night will produce a grumpy and agitated morning

and the cycle continues Operate in wisdom and win the fight for the possession of your mind on your bed **Where God's People Are Going, Life Giving Messages** Lyle McTeer,2012-10-11 For many years the church has prayed for revival to come never knowing or understanding how God might answer that prayer Today we are witnessing the greatest shaking that we have ever known and on a world wide scale As financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come Everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope But what will become of it all and how will we survive Where Gods People are Going is like an oracle from the Lord He tells us in His word that My sheep hear My voice and I know them and they follow Me John 10 27 Until we come to know the Lords voice our relationship and our knowledge of Him is vague at best The life giving messages in this book are just that messages that bring life to dark situations and answers to lifes questions about today and what is yet to come My questions to the Lord often reflect the times in which we live as I ask the simple question why **Targeted Prayers** BEN NEBECHUKWU,2013-10-23 Achieving Spiritual Freedom is not for the weak meek sensitive passive or faint of heart You must go after Spiritual freedom aggressively passionately and strategically You must be prepared to pray the daring prayers necessary to set yourself free from every form of captivity including witchcraft late marriage childlessness poverty rejection failure at the point of breakthrough generation curses and household wickedness Targeted Prayers is a book that will help you learn the dynamics of prayers and also equip you to arrest and court martial every opposition resisting your desired breakthroughs They are harvesting prayers Civilization of the Eastern Irānians in Ancient Times: Ethnography and social life Wilhelm Geiger,Darab-Dastur Peshotan Sanjānā,1885

Drawers of Power from the Heavenlies Dr. D. K. Olukoya,2013-12-16 Many people suffer today because of gross ignorance concerning what is actually going on in the spiritual realm Some of the stubborn problems that men are struggling with today were actually programmed Into human lives through certain hidden powers These powers carry out their activities in the day and in the night through association with very powerful spiritual strongholds The Importance of this message is to show you that many problems are caused by powers which rule the day and the night These powers have continued to perpetrate all forms of wickedness in the lives of millions if not billions of men and women You will experience a great change in your life the moment you begin to understand and control the powers that rule the day and the night **The Great Taboo** Grant Allen,2019-11-26 In The Great Taboo Grant Allen explores the intricacies of human sexuality and the moral dilemmas surrounding it in Victorian society Through a compelling narrative that blends elements of mystery social commentary and psychological insight Allen delves into themes of repression desire and the quest for personal freedom His vivid characterizations and eloquent prose reflect the era s rigid norms while challenging the very foundations of societal taboos making the work a provocative study of the human condition and enlightenment Grant Allen was not only a novelist but also a biologist which greatly informed his understanding of human behavior and relationships His progressive views on

sexuality stemmed from the backdrop of the late 19th century a time when debates about sexual morality and freedom were increasingly pertinent Drawing from his own experiences and the scientific discourse of his time Allen sought to confront the hypocrisies of society through engaging narratives that foster both empathy and critical examination For readers interested in the intersections of literature psychology and social critique The Great Taboo is a fascinating read that invites reflection on the complexities of desire Its relevance continues to resonate with contemporary discussions on sexuality and freedom making it essential for those wishing to understand both historical and modern perspectives on these crucial issues
