Irish Chain In A Daysingle And Double:

Irish Chain in a Day--single and Double Eleanor Burns,1986 The Irish Chain is one of the most universally known patterns dating to pre American Revolutionary War times While evidence is lacking that this pattern came from Ireland it has been suggested that the Irish Chain pattern may have been inspired by a similar Irish weaving pattern Whatever the origin the Irish Chain is a timeless pattern that continues to delight quilters today The original Irish Chain in a Day was first published in 1986 in a black and white format While this book remains a best seller Eleanor wanted to update her book and add balance to the quilt Irish Chain in a Day contains two complete quilt patterns The Single Irish Chain and the Double Irish Chain Geared toward the beginner quilter the Single Irish Chain is easy and fun to make It guides a novice step by step through every phase of starting and finishing the quilt The Double Irish Chain is more complex and offers the seasoned quilter a degree of challenge With 112 full color pages Irish Chain in a Day provides yardage and cutting charts for six quilt sizes assistance in color variations with a paste up sheet and border treatments In addition to detailed written instructions illustrations are provided for marking pinning quilting and binding the project Many sample quilt photos are included to inspire creativity
