True Irish Ghost Stories Anonymous, 2020-09-28 Of all species of ghostly phenomena that commonly known as haunted houses appeals most to the ordinary person There is something very eerie in being shut up within the four walls of a house with a ghost The poor human being is placed at such a disadvantage If we know that a gateway or road or field has the reputation of being haunted we can in nearly every case make a detour and so avoid the unpleasant locality But the presence of a ghost in a house creates a very different state of affairs It appears and disappears at its own sweet will with a total disregard for our feelings it seems to be as much part and

parcel of the domicile as the staircase or the hall door and consequently nothing short of leaving the house or of pulling it down both of these solutions are not always practicable will free us absolutely from the unwelcome presence There is also something so natural and at the same time so unnatural in seeing a door open when we know that no human hand rests on the knob or in hearing the sound of footsteps light or heavy and feeling that it cannot be attributed to the feet of mortal man or woman Or perhaps a form appears in a room standing sitting or walking in fact situated in its three dimensions apparently as an ordinary being of flesh and blood until it proves its unearthly nature by vanishing before our astonished eyes Or perhaps we are asleep in bed The room is shrouded in darkness and our recumbent attitude together with the weight of bed clothes hampers our movements and probably makes us more cowardly A man will meet pain or danger boldly if he be standing upright occupying that erect position which is his as Lord of Creation but his courage does not well so high if he be supine We are awakened suddenly by the feel that some superhuman Presence is in the room We are transfixed with terror we cannot find either the bell rope or the matches while we dare not leap out of bed and make a rush for the door lest we should encounter we know not what In an agony of fear we feel it moving towards us it approaches closer and yet closer to the bed and for what may or may not then happen we must refer our readers to the pages of this book [The Lively Ghosts of Ireland](#) Hans Holzer,2020-10-04 Ireland is known as the Emerald Isle a land of history and mystery beauty and enchantment But there s much more to this jewel of the North Atlantic than meets the eye Hans Holzer is a renowned ghost hunter who has traveled the world trailing the elusive spirits of souls anxious to be sent beyond the Veil Here he recounts his fascinating journey across this island in search of its soul and its spirits There is an 18th century swordsman who defends the hidden treasure of Ballyheigue Castle a proud house now gutted by fire Princess Orloff originally known as Angelica Parrott who returned home to haunt a jealous sister Lilith a young inhabitant of eerie Skryne Castle who was strangled with foxglove fronds in 1740 Mary Masters a young girl who refuses to forget her horrible death and continues to haunt Dublin s Shelbourne Hotel the ghost at Number 118 Summerhill Dublin who sends workmen into a panic and many more [Irish Ghost Stories](#) Patrick Byrne,1999-01-01 Irish Ghost Stories contains stories that tell of spooky goings on in almost every part of the country They include the tales of the Wizard Earl of Kildare the Scanlan Lights of Limerick Buttoncap of Antrim Maynooth College s haunted room Loftus Hall in Wexford and an account of how the poet Francis Ledwidge appeared to an old friend in County Meath The country of Ireland is full of old castles with secret rooms and while some of the stories are obvious figments of lively imaginations there are other tales that cannot be easily explained away **True Irish Ghost Stories** St John D. A Haunted Land Dr. Robert Curran, 2012-10-15 The spirits of the dead return in many shapes and in many locations in Ireland. There are the wraith-like ghosts and the full-bodied type, the dangerous and damaging, the threatening and the merely frightening. There are notorious buildings where, down through the centuries, spectres have been seen or heard, some such as Leap Castle where psychics have been overwhelmed by the intensity of the atmosphere. There are families pursued by spirits who warn them of impending death or seem to be trying to get back at them for some long forgotten wrongdoing. Here are stories and details of the amazing variety of hauntings to be experienced throughout the country. **Ghost Stories of**

Historic Irish Philadelphia Marita Krivda Poxon, 2014-02-06 *Ghosts Stories of Historic Irish Philadelphia* contains eight historic tales of some grand and some humble Irish in 19th Century Philadelphia in the throws of Industrial expansion. Two important historical events, the Duffy's Cut Murders and the Nativists Riots, act as the backdrop for these sometimes brutal tales of 19th Century Irish who came to Philadelphia seeking an escape from economic hardships in their native Ireland. Religious clashes that began in Ireland came with the new immigrants, faced with hardships that they had not anticipated. The Irish men and women brought to life tell their tales of hardship that have made them ghosts that roam their old haunts in Kensington and outlying rural lands being fitted out with new railroads.
