Irish Life In 17th Cent:

Irish Life in the Seventeenth Century Edward MacLysaght, 1979 **Seventeenth-century Ireland** Brendan Fitzpatrick, 1989-01-01 Seventeenth Century Ireland was chosen by CHOICE for the 1989 1990 Outstanding Academic Books and Nonprint Material OABN list The OABN list includes only the top 10% of all books reviewed by CHOICE in 1989 Contents Introduction Identities and Allegiances 1603 25 The Crown and the Catholics Royal Government and Policy 1625 37 Fateful Ideologies The Stuart Inheritance Wentworth and the Ulster Crisis 1638 9 On the Eve of Revolution 1639 41 1641 The Plot That Never Was Insurrection and Confederation 1641 4 In Search of a Settlement Ormond Rinuccini and Cromwell 1645 53 Theology and the Politics of Sovereignty Jansenist Jesuit and Franciscan Ideologies in Conflict 1660 91 References Bibliography Index R *The Economic History of Ireland in the Seventeenth Century* George O'Brien, 1919 The Common Scientist of the Seventeenth Century K Theodore Hoppen, 2013-04-15 Learned societies such as the Royal Society of London and the Dublin Philosophical Society were a central feature of the scientific revolution of the seventeenth century This volume shows that a study of the work and membership of these groups is essential before any realistic assessment can be made of the scientific world at this time Based on a wide range of manuscript and other sources this book illuminates by means of an examination of a particular group of natural philosophers on problems of general interest to all those concerned with the wider aspects of science in this period **The Laws and Other Legalities of Ireland, 1689-1850** Seán Patrick Donlan, 2016-03-03 While Irish historical writing has long been in thrall to the perceived sectarian character of the legal system this collection is the first to concentrate attention on the actual relationship that existed between the Irish population and the state under which they lived from the War of the Two Kings 1689 1691 to the Great Famine 1845 1849 Particular attention is paid to an understanding of the legal character of the state and the reach of the rule of law with contributors addressing such themes as how law was made and put into effect how ordinary people experienced the law and social regulations how Catholics related to the legal institutions of the Protestant confessional state and how popular notions of legitimacy were developed These themes contribute to a wider understanding of the nature of the state in the long eighteenth century and will therefore help to situate the study of Irish society into the mainstream of English and European social history **The Making of Modern Ireland 1603-1923** J.C. Beckett, 2011-11-03 Technically this book is a masterly achievement the collection sorting selecting and balancing of material has meant an immense amount of hard and highly skilful work The presentation is not only learned but cool objective unimpassioned and yet almost always alive and compassionate as well As a reference book alone it is immensely valuable As an example of a humane scholarly expert history Professor Beckett's book will be difficult to surpass D B Quinn Belfast Telegraph He has brilliantly succeeded The book is admirably constructed and written with clarity and economy which carry the narrative unflaggingly through to the end This excellent book supersedes all previous histories of modern Ireland F S L Lyons New Statesman *Early Modern Ireland,*

1534-1691 Theodore William Moody, Francis Xavier Martin, Francis John Byrne, 1991 The third volume of A New History of Ireland opens with a character study of early modern Ireland and a panoramic survey of Ireland in 1534 followed by twelve chapters of narrative history There are further chapters on the economy the coinage languages and literature and the Irish abroad A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to t A History of Ireland Edmund Curtis, 2005-07-28 Edmund Curtis s remarkable survey of Ireland from its earliest origins to the twentieth century is a classic introduction to Ireland s fascinating history Reaching from St Patrick s Mission in 432 to the Anglo Irish Treaty of 1922 this authoritative text explores the formative events of Ireland s past and encompasses the Norman invasion Gaelic recovery Cromwell s Settlement the Act of Union and the Great Famine Lucid and scholarly this all embracing account unfolds the events of Ireland s history and the story of its people through an examination of their political religious social economic and cultural past Ireland s unique history is revealed here through the moving forces the deciding facts and the men who mattered Featuring a chronology of key dates in Irish history and a guideline to the pronunciation of Irish names this celebrated narrative now includes a new introduction by Sean Duffy Irish Life in the 17th Century Edward MacLysaght, 1969 **Elite Women in Ascendancy Ireland, 1690-1745** Rachel Wilson, 2015 The late seventeenth and early eighteenth century was a period of great social and political change within Ireland as the Protestant Ascendancy gained control of the country aided by the English government and aristocracy with whom the ruling class in Ireland mixed through marriage and travel The resulting Anglo Irish elite with its distinct transnational identity differed markedly from the preceding Irish elite but at the same time because of its Irish dimension was very different also from the contemporary English and Scottish upper classes Women played key roles in this Anglo Irish elite and the nature of the Protestant Ascendancy can only be completely understood by considering women s roles fully This book provides a thorough examination of the role of women in Ascendancy Ireland It discusses marriage family and social life explores women s roles in economic and political life and in charitable activities and places Irish elite women of this period in their wider historiographical context The book is based on extensive original research including among the papers of aristocratic families in Ireland and Britain and provides a wealth of detail on elite women s lives in this period Rachel Wilson completed her doctorate in modern history at Queen s University Belfast Boston's Immigrants, 1790-1880 Oscar Handlin, 1991 Examines the lives of immigrants in Boston from 1790 to 1880 discussing the process of arrival in the city the physical and economic adjustment the development of group consciousness hostility toward the Irish and the city s eventual relative stability Theatre and Residual Culture Christopher Collins, 2016-06-29 This book considers the cultural residue from pre Christian Ireland in Synge s plays and performances By dramatising a residual culture in front of a predominantly modern and political

Irish Catholic middle class audience the book argues that Synge attempted to offer an alternative understanding of what it meant to be modern at the beginning of the twentieth century The book draws extensively on Synge s archive to demonstrate how pre Christian residual culture informed not just how he wrote and staged pre Christian beliefs but also how he thought about an older almost forgotten culture that Catholic Ireland desperately wanted to forget Each of Synge s plays is considered in an individual chapter and they identify how Synge s dramaturgy was informed by pre Christian beliefs of animism pantheism folklore superstition and magical ritual

Encyclopedia of European Peoples Carl Waldman,Catherine Mason,2006 Presents an alphabetical listing of information on the origins prehistory history culture languages relationships to other cultures and more regarding European peoples

A History of Women in Ireland, 1500-1800 Mary O'Dowd,2016-02-17 The first general survey of the history of women in early modern Ireland Based on an impressive range of source material it presents the results of original research into women s lives and experiences in Ireland from 1500 to 1800 This was a time of considerable change in Ireland as English colonisation religious reform and urbanisation transformed society on the island Gaelic society based on dynastic lordships and Brehon Law gave way to an anglicised and centralised form of government and an English legal system

Fear and the Shaping of Early American Societies Lauric Henneton,Louis Roper,2016-04-08 Fear and the Shaping of Early American Societies is the first collection of essays to argue that fear permeated the colonial societies of 17th and 18th century America and to analyse its impact on the political decision making processes from a variety of angles and locations Indeed the thirteen essays range from Canada to the Chesapeake from New England to the Caribbean and from the Carolina Backcountry to Dutch Brazil This volume assesses the typically American nature of fear factors and the responses they elicited in a transatlantic context The essays further explore how the European colonists handled such challenges as Indian conspiracies slave revolts famine popery and tyranny as well as werewolves and a dragon to build cohesive societies far from the metropolis Contributors are Sarah Barber Benjamin Carp Leslie Choquette Anne Claire Faucquez Lauric Henneton Elodie Peyrol Kleiber Susanne Lachenicht Bertie Mandelblatt Mark Meuwese L H Roper David L Smith Bertrand Van Ruymbeke Christopher Vernon and David Voorhees

Nature in Ireland John Wilson Foster,Helena C. G. Chesney,1998 How has Irish nature been studied How has it been expressed in literature and popular culture How has it influenced and been influenced by political economic and social change These long neglected questions are pursued in Nature in Ireland a pioneering collection of original essays by leading naturalists science writers and cultural historians who bring us from the geological prehistory of Ireland to the environmental threats of the late twentieth century
