Irish Recollections Justin McCarthy, 1912      *Irish Recollections (Classic Reprint)* Justin McCarthy, 2017-12-21 Excerpt from *Irish Recollections* I was born in the City of Cork a city surrounded by some of the most picturesque poetic and delightful regions to be found anywhere throughout the island It is divided by the River Lee and the Lee itself passes down through a district ornamented by beautiful although not lofty hills and through exquisite plains rich meadows and delightful gardens then streams through the city and at last pours itself into the harbour of Queenstown called in my early days the Cove of Cork or more commonly by the abbreviated name of Cove into the open sea The home which I remember best in Cork was made up of a small house with a garden running down to the edge of the river and when one had closed the gate behind him he seemed to be removed entirely from the commonplace working day world of business and traffic He was standing at one end of a pretty garden with its little meadow its fruit trees and its abundant flowers and just beneath him flowed the River Lee there a narrow rushing stream along whose opposite bank were meadows and trees and in the farther background gently sloping hills About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Irish Recollections** Justin McCarthy, 1911      *Irish Recollections* Charlotte Elizabeth, 2004 Contains letters 5-17 in which Charlotte Tonna gives a vivid account of her time in Ireland of the violent activities of the Rockite movement in the mid 1820s in Kilkenny Tipperary and of the apocalyptic ultra Evangelical siege mentality during the Tithe War and the run up to Catholic Emancipation Publisher description      **Recollections** Roisin Ni Mheara, 2015-12-03 When World War II broke out some were trapped in Berlin among them many foreigners such as the author of this book Her stay until almost the end of the war in Berlin drove her into situations and actions she would have never dreamt of Spies poets radio commentators and political intrigues were the order of the day Somehow she had to survive which is what she recollects in this book      Irish Varieties, for the Last Fifty Years James Dowling Herbert, 1836
