

Irish Studs

Christopher Somerville

Irish Studs:

Irish Studs Irving Kaplan, Judith Kaplan, 2000-05 Twenty years after the murder of her father an agent for British intelligence and her mother's conviction of the crime Fiona Cartwright now a grown woman returns to Ireland to prove her mother's innocence In a case long closed and cold as Siberia Fiona struggles to find clues to the real assassin She helps thwart the family barrister Sir Dylan Kerrigan who is immersed in a treacherous plot to fund the IRA's plan to bomb the London Tower Bridge Possessed by her need to solve the case she confronts the secret society of the Shamrock Brotherhood an organization long part of her father's life as a double agent The answers are almost in place but Fiona faced anew with the tragedy of her mother's death falls over the edge into drunkenness and despair Her childhood nanny Erin whose lapse of memory prevented her from revealing her secrets is treated with a drug that loosens her tongue Not until an unexpected accident knocks her unconscious is Fiona transported back to the night of the murder and she discovers the identity of the assassin

The Irish National Stud, 1900-2025 Declan Monaghan, 2025-06-25 This book examines the history of a pioneering Thoroughbred horse breeding operation the Irish National Stud By incorporating and integrating a diverse array of primary sources from various repositories and supplementing them with contemporary and secondary materials the main narrative reveals the intricate details of Ireland's complex relationship with Britain through sport and politics The publication adopts a chronological thematic approach beginning at the turn of the nineteenth century and tracing the development of the Stud through the twentieth century and into the twenty first century This book encompasses the political cultural and social dimensions of horse breeding racing and the role of what would become the Irish National Stud The first period of its history covers the establishment of Tully Stud in Kildare under Colonel William Hall Walker in 1900 The second period from 1916 to 1944 begins with Hall Walker gifting Tully Stud to the British government which then rebranded it as the National Stud This coincided with the Irish independence struggle and the formation of the new Irish Free State leading to over two decades of deadlock over which government Irish or British legally owned the Stud The third period saw the progression of the new Irish National Stud from its creation in 1944 to the present day offering a comparison with the British National Stud and providing a thorough analysis of the influence of elite Thoroughbred breeders on the Irish National Stud and the broader industry in both Ireland and Great Britain

The Irish National Stud Company, Limited Ireland. Oireachtas. Joint Committee on Commercial State-Sponsored Bodies, 1990

Sports around the World John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports Sports Around the World History Culture and Practice provides a unique global overview of sports and sports cultures Unlike most works of this type this book provides both essays that examine general topics such as globalization and sport international relations and sport and tourism and sport as well as essays on sports history culture and practice in world

regions for example Latin America and the Caribbean the Middle East and North Africa Europe and Oceania in order to provide a more global perspective These essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major controversies Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts The entries provide suggestions for further reading on each topic helpful to general readers students with school projects university students and academics alike Additionally the four volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player *The Irish Horse*, 1964 *Men and Masculinities in Irish Cinema* D. Ging, 2012-12-03 Spanning a broad trajectory from the New Gaelic Man of post independence Ireland to the slick urban gangsters of contemporary productions this study traces a significant shift from idealistic images of Irish manhood to a much more diverse and gender politically ambiguous range of male identities on the Irish screen **Ireland** AA.VV., 2024-10-29T00:00:00+01:00 National Geographic Traveler guidebooks contain must know travel information inspiring photography insider tips and expert advice you won't find on the internet for bucket list destinations around the world Ireland is a land steeped in history and legend with an extraordinary heritage of folklore and tradition This newly updated guidebook part of a best selling series is packed with insider tips and top travel advice Twenty maps detail every region from Dublin in the east to the west coast's rocky plateaus of the Burren and even venturing into Northern Ireland to lively Belfast and historical places of note between Derry and Ulster Whether you're in search of natural wonders like the iconic Cliffs of Moher the delightful rolling hills of County Wicklow and the secluded beaches of Donegal or architectural marvels like St Patrick's Cathedral in bustling Dublin the lively pubs of popular Temple Bar and the literary heritage of authors like James Joyce and Oscar Wilde this knowledgeable guidebook will ensure you experience it like the locals do as you plan the trip of a lifetime in the Emerald Isle **Ireland** Christopher Somerville, 2022-09-13T00:00:00+02:00 The National Geographic Traveler guidebooks are in tune with the growing trend toward experiential travel Each book provides inspiring photography insider tips and expert advice for a more authentic enriching experience of the destination These books serve a readership of active discerning travelers and supply information historical context and cultural interpretation not available online History and culture based tourism is experiencing an unprecedented boom and Ireland is a destination that is rich in both Tower after tower the Irish Anglo Norman castles stud the island They are the calling card of the country's ancient culture and turning the pages of this guide readers will discover them one by one in the company of Christopher Somerville one of the U.K.'s most famous travel narrators The guide covers all of the regions of Ireland including the

cosmopolitan capital city of Dublin the charming hills of Wicklow and the limestone plateau in Burren It covers Northern Ireland as well beginning with the lively city of Belfast and continuing on to Ulster Derry and a number of other significant historical destinations Every page offers useful advice about how to get around and about the best way to visit each location Images in the guide include 170 photographs more than 20 maps and the three dimensional drawings that illustrate the intricate architectural structures of Dublin's Kilmainham Gaol which was once a prison but is now a museum With suggestions from local experts visitors can dive into Irish culture through firsthand experiences such as learning traditional Irish dancing in Galway taking Irish language lessons in Ennis or helping volunteers to restore Ireland's raised bogs

Making the Irish American J.J. Lee, Marion R. Casey, 2007-03 Explores the history of the Irish in America offering an overview of Irish history immigration to the United States and the transition of the Irish from the working class to all levels of society Ethnicity and Family Therapy Monica McGoldrick, Joe Giordano, Nydia Garcia Preto, 2005-08-18 This widely used clinical reference and text provides a wealth of knowledge on culturally sensitive practice with families and individuals from over 40 different ethnic groups Each chapter demonstrates how ethnocultural factors may influence the assumptions of both clients and therapists the issues people bring to the clinical context and their resources for coping and problem solving

National Geographic Traveler - Ireland Christopher Somerville, 2015-01-06 Vols for 2004 by Christopher Somerville *Where Mountainy Men Have Sown: War and Peace in Rebel Ireland 1916-21* Micheál Ó Súilleabháin, 2013-04-10 *Where Mountainy Men Have Sown* gives a first hand account of the fight for freedom in West Cork from 1916-21 It chronicles the social and military aspects of the War of Independence and describes the IRA's activities in the area from Macroom to as far west as Ballineary and Coolea and covering Inchigeelagh to Ballyvourney and the Derrynasaggart Mountains Micheál Ó Súilleabháin joined the armed struggle for freedom in his local area of Kilnamartyra at the age of thirteen and describes attacks on armed police patrols barracks and a large scale engagement against the elite of Britain's specially recruited fighting forces in Ireland the infamous Auxiliaries all ex commissioned officers and decorated veterans of the First World War This is a personal record of ambushes etc carried out by young Volunteers who did not wait to be confronted but went on the attack against better armed and trained men and emerged victorious **The Educational year book. [5 issues].**, 1879

Famous Irish Men and Women Sean Sheehan, 2008-03 The titles in this series focus on important events in Irish history and on exploring Ireland's geography The questions posed are designed to develop children's historical skills by asking them to question how information can be interpreted in different ways and why historians may disagree The engaging and informative text is divided into easily digestible paragraphs with key words highlighted Questions ask the reader to search for visual clues and identify differences and similarities between different periods Photographs maps and diagrams are provided along with suggested activities for individuals groups and classes a full glossary and index and extensive notes for teachers and parents **Politics in the Republic of Ireland** John Coakley, Michael Gallagher, 2012-12-12 Politics in the

Republic of Ireland is now available in a fully revised fourth edition Building on the success of the previous three editions this text continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyzes and interprets the background to Irish government and contemporary political processes Crucially it brings the student up to date with the very latest developments New patterns of government formation challenges to the established political parties ever deepening if sometimes ambivalent involvement in the process of European integration a growing role in the politics of Northern Ireland and sustained discussion of gender issues are among these developments along with evidence revealed by several tribunals of enquiry that Irish politics is not as free of corruption as many had assumed

Secret Histories David Wyatt,2010-11-01 Secret Histories claims that the history of the nation is hidden in plain sight within the pages of twentieth century American literature David Wyatt argues that the nation s fiction and nonfiction expose a secret history that cuts beneath the straight histories of our official accounts And it does so by revealing personal stories of love work family war and interracial romance as they were lived out across the decades of the twentieth century Wyatt reads authors both familiar and neglected examining double consciousness in the post Civil War era through works by Charles W Chesnutt W E B Du Bois and Booker T Washington He reveals aspects of the Depression in the fiction of F Scott Fitzgerald Anzia Yezierska and John Steinbeck Period by period Wyatt s nuanced readings recover the felt sense of life as it was lived opening surprising dimensions of the critical issues of a given time The rise of the women s movement for example is revived in new appraisals of works by Eudora Welty Ann Petry and Mary McCarthy Running through the examination of individual works and times is Wyatt s argument about reading itself Reading is not a passive activity but an empathetic act of cocreation what Faulkner calls overpassing to love Empathetic reading recognizes and relives the emotional cultural and political dimensions of an individual and collective past And discovering a usable American past as Wyatt shows enables us to confront the urgencies of our present moment

The Pistoleer - Pirates Skye Smith,2019-04-16 Cover Flap No one will ever know what Colonel Lunsford was thinking Perhaps he was angered that his well trained war horse had stopped still and was nudging playfully at the lass He drew his sabre from its sheath in a long practised swoop of his arm a swoop which would end when the blade slashed flesh and the blood gushed Daniel could not believe his eyes when he saw the glint of the sabre the very sabre that Daniel had handed back to this officer on the battlefield once he had surrendered it The Wyred sisters who wove irony into the fates of men were always perverse Would sparing this man s life in Newbourne now cost him a daughter here in London He flipped his winter cloak open so he could reach for his pistol About the Author Skye Smith is my pen name The Pistoleer is a series of historical adventure novels set in Britain in the 1640 s I was encouraged to write them by fans of my Hoodsman series This is the third of the series and you should read the first novel HellBurner before you read Pirates because it sets the characters and scene for the entire series The sequence of the books follows the timeline of the Republic of Great Britain The chapter headings identify the dates and

places The Appendix gives historical insight in the form of an FAQ Enjoy Other Novels By The Same Author The Hoodsmen 12 historical adventures set in the Norman conquest Maya's Aura 8 new age adventures while tripping around the world Knut many historical adventures set in the Viking Era The Pistoleer 9 historical adventures set in the English Civil War The Pistoleer 1 Hellburner 1638 1640 The Pistoleer 2 Slavers 1640 1641 The Pistoleer 3 Pirates 1641 1642 The Pistoleer 4 Edgehill 1642 The Pistoleer 5 Brentford 1642 The Pistoleer 6 Invasion 1642 1643 The Pistoleer 7 Roundway Down 1643 The Pistoleer 8 Bristol 1643 The Pistoleer 9 Lyme 1644

Reforming Men and Women Bruce Dorsey, 2006 Before the Civil War the public lives of American men and women intersected most frequently in the arena of religious activism Bruce Dorsey broadens the field of gender studies incorporating an analysis of masculinity into the history of early American religion and reform His is a holistic account that reveals the contested meanings of manhood and womanhood among antebellum Americans both black and white middle class and working class Urban poverty drink slavery and Irish Catholic immigration for each of these social problems that engrossed Northern reformers Dorsey examines the often competing views held by male and female activists and shows how their perspectives were further complicated by differences in class race and generation His primary focus is Philadelphia birthplace of nearly every kind of benevolent and reform society and emblematic of changes occurring throughout the North With an especially rich history of African American activism the city is ideal for Dorsey's exploration of race and reform Combining stories of both ordinary individuals and major reformers with an insightful analysis of contemporary songs plays fiction and polemics Dorsey exposes the ways race class and ethnicity influenced the meanings of manhood and womanhood in nineteenth century America By linking his gendered history of religious activism with the transformations characterizing antebellum society he contributes to a larger quest to engender all of American history
