

Organized religion is a sham and a crutch
for weak-minded people who need strength
in numbers. It tells people to go out and
stick their noses in other people's business.

Is Organized Religion A Sham:

Is Organized Religion a Sham Ed Sepernik, 2004-06 IS ORGANIZED RELIGION A SHAM Delivers a well researched treatise on the origins of various religions their effects on mankind and takes into account aspects of history theology and sociology The text is an accumulation of facts from primitive man s first practice of animism to today s televangelism Through this historic detail the book focuses on the religious righteous and their manipulation of theology to control the masses Clearly not everyone will agree with my provocative conclusions however even the most devout practitioner of any religion will find it difficult to argue with the historical accuracy of the research I begin with how primitive man conceived gods The early chapters hinge on specific moments in history and biblical accounts such as Moses first encounter with Yahweh Following this is a survey of Jesus the man and how Christianity started In chapter five I focus on the beliefs and obligations of Islam and in subsequent chapters move on to Hinduism and Buddhism I Cover religious cults and discuss televangelist figures Jerry Falwell Jim Bakker and Jimmy Swaggart In chapter twelve I lay out crimes committed in the name of God and in chapter fifteen I have juxtaposed both the creationist and evolutionist arguments for existence Overall my contribution is designed to enlighten and provoke thought as well as to participate in what may be viewed as an ongoing debate *When Bad Christians Happen to Good People* Dave Burchett, 2011-07-19 Dave allowed God to navigate him through the pain of religious moralism to arrive at insightful compelling and gracious wisdom He remains a sincere lover of God s church and people as he directs weary pilgrims to safer lodging John Lynch coauthor of TrueFaced and Bo s Caf Have you been betrayed by a Christian friend Are you disillusioned with the church If you have been hurt by Christians you know all about anger and resentment But what about a workable solution How can the words and actions of bad Christians be addressed so the mistakes are not repeated When Bad Christians Happen to Good People offers a workable response and ultimately a new way of living In this revised and updated edition you will find healing for hurts inflicted by others At the same time you will discover ways to help Christians and church leaders recognize the damage that is done by unexamined assumptions words and actions After dealing with his own hurt Dave Burchett now shows believers how to Live as Jesus followers not rule enforcers Stop using religious performance as the standard for accepting others Let go of moralism legalism and an allegiance to trying harder Discover God s grace as a daily reality not just a word to use in evangelism Working toward a solution will benefit your own life at the same time it helps others Whether you have been a bad Christian in the past or have been hurt by one there is a better way to live Discussion Guide Included for Individual and Small Group Use **Isn't Religion Weird? Quotations for Atheists** Dave Lane, 2008-08-08 The title says it all A collection of quotations from all areas of the religious and atheist world to make you think and to keep you amused Although the author is an atheist he has no problem whatsoever with anyone s religious beliefs He believes that if a persons religion brings them inner peace personal satisfaction or just gives them the feel good factor then good luck to them He also wishes these people well just as

he wishes well to all who gain satisfaction from believing in the Tooth Fairy Father Christmas or the Golden Gnome at the bottom of the garden Be warned no attempt whatsoever has been made to make this book either fair or balanced The Awakening of Global Consciousness Jawara D. King, D.D.,2010-07-26 One of the world s leading spiritual teachers returns with an inspiring and provocative message with solutions to our planetary crises offering effective steps to change the world and integrate all levels of our Being Religion is psychological entrapment promoting the controlled behavior of the herd civilization Institutionalized organized religion is the cause of enslavement violence prejudice hatred classism and war False religious institutions created god in their own personal image and after the likeness of their own mind for control and money Every religious holy book has been altered dissected rewritten and censored to appear as the word of God and all the gods of religious holy books are controlled by fundamentalists Organized religion is a serious threat to the human race and a mental illness that afflicts over 80% of the world s population It has nothing to do with spirituality and is no more than a collection of unholy lies The spiritual terrorism of religion frowns upon free will dispises questions prohibits doubt and survives on blind faith Eternal life with God is only promised to the obedient religious slaves who unconditionally follow rigid religious belief structures This mythology was created based on division not unity Control is the essence of evil The easiest way to control humanity is through fear which is why the religious Elite created gods of intimidation and fear to control others and solicit money The Awakening of Global Consciousness is a must read for the millions who ve read Jawara s earlier classic books and a great beginning for those unfamiliar with his great works questioning the validity of the world s three major religions

You Are STILL Being Lied To Russ Kick,2009-01-01 A must have revised and expanded edition of The Disinformation Company s classic anthology You Are STILL Being Lied To contains more than a dozen all new essays from contributors like Norman Solomon Graham Hancock Alex Jones John Major Jenkins Robert Bauval Richard DeGrandpre Alexandra Bruce John Hogue Gregory Davis and Scott Creighton on topics ranging from the misleading marketing of antidepressants to the truth about the North American Union from media consolidation to the New Thought movement Editor Russ Kick s massive collection acts as a battering ram against the distortions myths and outright lies that have been shoved down our throats by the government the media corporations organized religion the scientific establishment and others who want to keep the truth from us An unprecedented group of researchers including Howard Zinn Noam Chomsky Howard Bloom Sydney Schanberg Michael Parenti Riane Eisler Jim Marrs and many many others paint a picture of a world where crucial stories are ignored or actively suppressed and the official version of events has more holes in it than Swiss cheese A world where real dangers are downplayed and nonexistent dangers are trumpeted In short a world where you are being lied to *Organized Religion* Lee Simon,2017-11-25 This little book is for those who believe and for those who no longer believe It is an argument against organized religion It is written in easy to read easy to understand English It is if I may say so an eraser for the mind The topics discussed are these Heaven and Hell morals absolute truth the soul creation myths dogma social control consciousness

science faith evil and truth This is not an academic treatment of those topics It is thoughts of the author who has been thinking about these things for over 50 years If nothing else this book will challenge your thinking if you are a believer it will support your thinking if you are not Read it with an open mind an open heart and a desire to replace the scam with reason and rationality A Supreme Question Lee Richey, 2020-04-06 Though certainly not an original or novel topic of discussion cellist conductor and curious thinker Lee Richey invites and encourages the reader to think question consider and explore the specifics and meaning of their faith or philosophy most specifically belief in a Supreme Being Hence A Supreme Question While offering no definitive conclusion Richey combines personal perspectives with the scholarly documentation of renown religious and scientific authors in an attempt to help illuminate how and why humanity is drawn to religion deities God science evolution or any combination At the very least he hopes to encourage a continued and respectful dialogue and debate

The Hijacked Mind Matthew Simmons , We are in a very real war a war between Jesus Christ and the anti Christ a war between the flesh and the Spirit In this supernatural war you will demonstrate either courage or cowardice Let me hammer the nail in the coffin real tight God hates cowardice But the cowardly the unbelieving the vile the murderers the sexually immoral those who practice magic arts the idolaters and all liars they will be consigned to the fiery lake of burning sulfur This is the second death Revelation 21:8 NIV Who is first on the list of this ragtag mob The cowardly Today the churches are filled with kissing cowards who stand at the crossroads of their sinful and pagan past and run back Orpah kissed Naomi and left Demas kissed Paul and left Judas betrayed the Son of God with a kiss and left Surround yourself with navy seals of God and not people who will cry cut out and kiss you goodbye Do you want to be surrounded by kissing cowards or rock ribbed soldiers of the cross garmented with obedience who have your back Cowardly kissing Christians say It is not my place to judge because they are too cowardly to confront sin Confronting sin is not judging but loving To watch someone sin their way to hell is hatred and cowardly to the core Look at this supernatural war People have been scarred by Satan serial deception and the surgeons of sin People are mingled in lifestyles of pantheism paganism an exploding satanism black cat smooching crystal rubbing and chicken bone massaging witchcraft transgenderism serial fornication homosexuality and public schools teach the gender confusion curriculum People are involved in corruption in the government that defies description state supported and recreational murder abortion back handed and pistol whipped addictions and perpetual pathological hatred and racism Law will not stop murder adultery stealing rape child sex trafficking and government corruption the least government is the best government but Christ can do that You cannot legislate morality immorality and virtue Law philosophy poetry positive thinking and psychology cannot change you Shelley Keats Bryon and Shakespeare cannot change you Jesus can change you The only solution is a blood transfusion from the veins of the Lamb of God translated transformed and reborn This book retards the deliverance ministry which is the sneeze cough and vomit movement People are conjuring up coughing up and vomiting up Charismatic spirits and looking like utter fools satanically manifesting like godless pagans

Urlick,2011-03 Cults and false religions are dangerous They preach a false gospel and lead people into a false spirituality Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain Major Cults and False World Religions reveals several key characteristics that make them unbiblical It also exposes several major false cults and religions that have the majority of the world's population deceived and headed for Hell This book is the result of thirty one years of evangelism work studying comparative religions and apologetic research and debate It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks The Gnostic New Age April D.

DeConick,2016-09-27 Gnosticism is a countercultural spirituality that forever changed the practice of Christianity Before it emerged in the second century passage to the afterlife required obedience to God and king Gnosticism proposed that human beings were manifestations of the divine unsettling the hierarchical foundations of the ancient world Subversive and revolutionary Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity This mystical strain affected not just Christianity but many other religions and it characterizes our understanding of the purpose and meaning of religion today In The Gnostic New Age April D DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity Gnosticism alleviated human suffering soothing feelings of existential brokenness and alienation through the promise of renewal as God DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries and contemporary New Age spiritual philosophies As these theories find expression in science fiction and fantasy films DeConick sees evidence of Gnosticism's next incarnation Her work emphasizes the universal countercultural appeal of a movement that embodies much more than a simple challenge to religious authority Jack Vance: Seven Articles on His Work and Travels Michael Andre-Driussi,2017-08-22 Seven
