Is There A God:

Is There a God? Richard Swinburne,1996-02-01 Is There a God offers a powerful response to modern doubts about the existence of God It may seem today that the answers to all fundamental questions lie in the province of science and that the scientific advances of the twentieth century leave little room for God Cosmologists have rolled back their theories to the moment of the Big Bang the discovery of DNA reveals the key to life the theory of evolution explains the development of life and with each new discovery or development it seems that we are closer to a complete understanding of how things are For many people this gives strength to the belief that God is not needed to explain the universe that religious belief is not based on reason and that the existence of God is intellectually a lost cause Richard Swinburne one of the most distinguished philosophers of religion of our day argues that on the contrary science provides good grounds for belief in God Why is there a universe at all Why is there any life on Earth How is it that discoverable scientific laws operate in the universe Professor Swinburne uses the methods of scientific reasoning to argue that the best answers to these questions are given by the existence of God The picture of the universe that science gives us is completed by God *Is There a God?* Trung Nguyen,2015-09-29 Is there a god This question has haunted our ancestors since time immemorial It still haunts billions of people today in every corner of the Earth However the god question has always been Whose god Religion is an ingrained part of modern life It is pervasive in business politics and war But is religion necessary for a civil society Or is religion the linchpin of a divided society Take a stroll through history to determine if it is possible that any human conceived god ever existed Then decide if a supreme being is responsible for the physical psychological and spiritual worlds The truth shall set your mind free *The God Of All Comfort* Charles H. Spurgeon ,Horatius Bonar ,John Owen,John C. Ryle,Jerry Bridges,Richard Sibbes,Octavius Winslow ,Arthur W. Aren't there contradictions in the Bible? How can I trust the Bible if men wrote it? Isn't the Bible full of myths like Jonah and the whale? Leading apologist Bobby Conway will help you discover Q & A style answers that are life changing. And make no mistake, never has the culture and the church been in greater need of understanding who God is and what the Bible has to say to every one of us.

The God of Abraham, Isaac, and Jacob Watchman Nee, 1993-05-01 The Christian life is based upon the irrevocable promises of God, the enjoyment of all that God has prepared for us in Christ, and the transformation that results from the loving discipline of the Spirit. In *The God of Abraham, Isaac, and Jacob*, Watchman Nee draws upon the experiences of the Old Testament patriarchs and presents their lives as an allegory of the complete Christian experience. From our response to God's promises by faith to our ultimate transformation into sons who are conformed to the image of Christ, we must pass through the same life experiences of Abraham, Isaac, and Jacob. Like Abraham, we have been given the promise of God for the inheritance; like Isaac, we can enjoy all that God has planned for us in Christ, His Son; and like Jacob, we must experience the discipline of the Holy Spirit for the sake of our growth and transformation.

The God of the King James Bible James Coffey, 2019-08-05 No book revealed God better than the King James Bible. Its translation from the original Hebrew and Greek scriptures was faithfully literal and yet gracefully poetic. Its language was so beautiful that today the King James Bible is regarded as literature and one of the great achievements of Western civilization. Its influence was powerful and far-reaching. Its translators were intelligent, godly, and untarnished by the corruption of the modern world. If you want to know who God is and what he is like, read how he is described in the King James Bible.

The God Life Janet Brazee, 2017-06-01 Life is not as usual. You were not created to live a dull, ordinary, defeated life. In fact, if your life seems boring and ordinary, you have not tapped into *The God Life*. You were meant to live this earth and everything in it was made for you. You were told to rule and reign, and God has given you purpose and power to carry it.

The God of the Old Testament R. W. L. Moberly, 2020-11-17 Walter Moberly is a top Old Testament theologian known for his creative, accessible, and provocative writing. The God Exchange Criss Cross, 2015-10-28 It is time to evaluate your current value system. How do you make decisions? Do you base them on cultural references you find on TV or in movies? Do you ask your friends and even strangers what they recommend? Do some wrong ideas become so implanted in your mind that you need a bulldozer to clear them out? Can the relationship between a pet dog and its owner tell us anything about our relationship to God? Author Criss Cross *The God Exchange* uses everyday examples to look at how God created human beings and how it impacts our decisions. We make decisions every day. Some are big, like buying a car or major appliance, changing jobs, or getting married. Others are smaller, such as those involving what

were going to wear and eat Every decision is made based on what we like and what we perceive as having good value Cross shows how the things we value and the people whose opinions we value influence our decisions and not always in good ways Many of us leave God completely out of the decision making process When that happens there are eternal consequences As you'll read in *The God Exchange* some wrong decisions can be really funny and amusing others are not They are all part of life and how God designed us as humans Once you're aware of what influences your decisions you can be on your way to making better ones

The God Who Plays Brian Edgar, 2017-12-20 Many people would be surprised to hear that a playful attitude towards God and the world lies at the heart of Christian faith Traditionally Christians have focused on the serious responsibilities of service sacrifice and commitment But the prophets say that the future kingdom is full of people laughing and playing which has implications for Christians who are called to live out the future kingdom in the present Play is not trivial or secondary to work and service only a playful way of living does justice to the seriousness of life Play is the essential and ultimate form of relationship with God which is why Jesus told people to learn from children Indeed a playful attitude is an important part of all significant relationships This book explores grace faith love worship redemption and the kingdom from the perspective of a playful attitude It describes how to create a play ethic to match the work ethic and discusses play as a virtue Aquinas's warning against the sin of not playing enough and Bonhoeffer's claim that in a world of pain it is only the Christian who can truly play
