Isaac and Rebekah Dr. Jana Jones McDowell,2020-07-17 In keeping with the underlying theme of the books delving into the mindset and culture surrounding the ancient ancestors of Jesus Christ we will once again go behind the scenes and uncover deep meanings behind the origins of our faith As discovered through the eyes of the ancient Jewish patriarchs and matriarchs in this book Cultivating Israel we will journey back into time and relive the experiences of Isaac and Rebekah as well as their sons Jacob and Esau Navigating the twists and turns of what often seems to be a typical dysfunctional family not unlike what we may experience in today s culture we will step into the mindsets of those who formed the very foundations of Jewish culture As we look at the total picture of antiquity once again we will come to understand how viewing the lives of Jesus ancestors in the context of the day are of utmost importance Cultivating Israel starts with the story of Isaac the son of Abraham and Sarah Isaac is painted to be somewhat of a passive individual in Scripture with his main mention in the Hebrew Bible having to do with complying with his father s Abraham wishes to offer him to sacrifice to the LORD After his father s servant finds him a wife being Rebekah we will then explore the lives of their children Jacob and Esau Jacob and Esau even though twins turn out to be very different individuals As similar as night and day we will discover hidden secrets about these two brothers through looking into the ancient Hebrew language culture and commentaries by ancient Rabbis Of interest is how in His Divine Masterplan God will prune the family ancestral tree of Jesus the Messiah to continue to cultivate His people on the road to the formation of the makings of Israel Even though Jacob starts out as a deceiver and a manipulator and as one who relies on himself rather than God we will see how the LORD works in his life shaping him into the man who

will come to be known as Israel signifying the very beginning of the culture that envelops Jesus ancestors in the future Prepare to journey back to antiquity gaining new knowledge and background to appreciate God s Word with deeper perspective Remember context is not just important it s everything Through understanding our Jewish heritage we as Christians can better understand our Jewish Savior Jesus Christ **Isaac and Rebekah** George E.
