Light From The Hearth:

The Hearthkeeper Ebosetale Perfect Esegboria , Hestia the quiet goddess of the hearth has been the steady heart of Olympus tending the flame that binds gods and mortals alike But when the fire falters she is forced to leave the safety of her hearth and embark on a journey of self discovery and transformation In a world rife with divine conflict and shifting loyalties Hestia must navigate ancient betrayals forge unexpected alliances and uncover the truth of her own power The Hearthkeeper is a poignant and fresh retelling of Greek mythology celebrating quiet strength resilience and the enduring legacy of hope

The Oxford Handbook of Light in Archaeology Costas Papadopoulos, Holley Moyes, 2021-12-09 The first volume of its kind to address the impact and influence of light in different facets of archaeology from myth and ritual to houses and museum exhibitions Combines theory and methodology from archaeology anthropology architecture urban design art philology and computer science Arranged in a thematic structure based on uses of light in different spatial contexts to allow quick reference to specific aspects of light in archaeology Richly illustrated throughout Book jacket **A Child of Elvish** Nancy Varian Berberick, 2000-09-01 *Tales from the Hearth* Eleanor Edmonson, 2014-11-02 A collection of short stories told in the Irish Celtic Northern European tradition of the hearthside tale These were personal stories that spoke of magic and of history they helped the people get through the harsh time of Small Sun **Home: The Foundations of Belonging** Paul O'Connor, 2017-11-22 Questions of home and belonging have never been more topical Populist politicians in both Europe and America play on anxieties over globalisation by promising to reconstitute the national home through cutting immigration and taking back control Increasing numbers of young people are unable to afford home ownership a trend with implications for the future shape of families and communities The dominant conceptualisations of home in the twentieth century the nation state and the suburban nuclear household are in crisis yet they continue to shape our personal and political aspirations Home The Foundations of Belonging puts these issues into context by drawing on a range of disciplines to offer a deep anthropological and historical perspective on home Beginning with a vision of modernity as characterised by both spiralling liminality and an ongoing quest for belonging it plumbs the archaic roots of Western civilisation and assembles a wide body of comparative anthropological evidence to illuminate the foundations of a sense of home Home is theorised as a stable centre around which we organise both everyday routines and perspectives on reality bringing order to a chaotic world and overcoming liminality Constituted by a set of ongoing processes which concentrate and embody meaning in intimate relationships everyday rituals and familiar places a shared home becomes the foundation for community and society The Foundations of Belonging thus elevates home to the position of a foundational sociological and anthropological concept at a moment when the crisis of globalisation has opened the way to a revaluation of the local *The Homelessness of Being* Prashan Ranasinghe, 2025-03-14 The Homelessness of Being invites readers to consider what it means to be human This dialogue between sociology and the early and middle phases of Heidegger's writings argues that to be human is to be

homeless This homelessness is not one of materiality of being houseless but one that is ontological the homelessness that constitutes the essence of humanity where one is disconnected from the essence of one's self or being Prashan Ranasinghe theorizes this homelessness as an indeterminate nothingness where the notion of being is unsettled because it is an amalgam of something and nothing More broadly the book adds to existing debates about whether especially after the global pandemic the social sciences have failed to explore everyday affects such as anxiety and boredom as revelatory of the essential homelessness of being human It will interest philosophers sociologists and scholars engaging with Heidegger's ideas *The Hearthkeepers of Morningvale: A Curse of Whispers and Warmth* Erica Vaughn, *The Cricket on the Hearth* Charles Dickens, 1890 [Christmas Books](#) Charles Dickens, 1867 [The Mycenaeans](#) Rodney Castleden, 2005-03-25 Following on from Rodney Castleden's best selling study Minoans this major contribution to our understanding of the crucial Mycenaean period clearly and effectively brings together research and knowledge we have accumulated since the discovery of the remains of the civilization of Mycenae in the 1870s In lively prose informed by the latest research and using a full bibliography and over 100 illustrations this vivid study delivers the fundamentals of the Mycenaean civilization including its culture hierarchy economy and religion Castleden introduces controversial views of the Mycenaean palaces as temples and studies their impressive sea empire and their crucial interaction with the outside Bronze Age world before discussing the causes of the end of their civilization Providing clear easy information and understanding this is a perfect starting point for the study of the Greek Bronze Age [Good company \[afterw.\] Round the hearthstone](#), ed. by J.J. Wray James Jackson Wray, 1885 [Architecture, Society, and Ritual in Viking Age Scandinavia](#) Marianne Hem Eriksen, 2019-02-28 In this book Marianne Hem Eriksen explores the social organization of Viking Age Scandinavia through a study of domestic architecture and in particular the doorway A highly charged architectural element the door is not merely a practical constructional solution Doors control access generate movement and demark boundaries yet also serve as potent ritual objects For this study Eriksen analyzes and interprets the archaeological data of house remains from Viking Age Norway which are here synthesized for the first time Using social approaches to architecture she demonstrates how the domestic space of the Viking household which could include masters and slaves wives and mistresses children and cattle was not neutral Quotidian and ritual interactions with through and orchestrated by doorways prove to be central to the production of a social world in the Viking Age Eriksen's book challenges the male dominated focus of research on the Vikings and expands research questions beyond topics of seaborne warriors trade and craft **Sites Unseen** Dianne Harris, D. Fairchild Ruggles, 2007-05-27 Sites Unseen challenges conventions for viewing and interpreting the landscape using visual theory to move beyond traditional practices of describing and classifying objects to explore notions of audience and context While other fields such as art history and geography have engaged poststructuralist theory to consider vision and representation the application of such inquiry to the natural or built environment has lagged behind This book by treating landscape as a spatial psychological and

sensory encounter aims to bridge this gap opening a new dialogue for discussing the landscape outside the boundaries of current art criticism and theory As the contributors reveal the landscape is a widely adaptable medium that can be employed literally or metaphorically to convey personal or institutional ideologies Walls gates churchyards and arches become framing devices for a staged aesthetic experience or to suit a sociopolitical agenda The optic stimulation of signs symbols bodies and objects combines with physical acts of climbing and walking and sensory acts of touching smelling and hearing to evoke an overall vision of landscape Sites Unseen considers a variety of different perspectives including ancient Roman visions of landscape the framing techniques of a Moghul palace and a contemporary case study of Christo s The Gates as examples of human attempts to shape our sensory cognitive and emotional experiences in the landscape **David Rittenhouse** Edward Ford,2017-01-31 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **The American Gas Light Journal** ,1893 **From Lake to Sand.
