planets **The Seventh Day** Kris Doulos,2017-04-13 According to the Lord one day is the same as one thousand years and one thousand years is the same as one day 2 Pet 3 8 Based upon dates recorded in the Bible and the words of Christ this world has just begun its seventh millennial day Why did God create man and this universe What commonly known creative force is left out of the theory of evolution What speed is greater than the speed of light What language is used to communicate with animals and inanimate objects What makes people in all religions acceptable to God Who are the Father Son and Holy Spirit if there is only one God What does 600 60 6 represent When did the apocalypse happen When was the battle of Armageddon For people waiting for Christ to return where is he now What is he doing What causes more death and destruction than all other forces combined An unbiased person who trusts the information in the Bible and secular history will readily see the answers to these questions You may be surprised at the simplicity of these answers **Tree of Souls** Howard Schwartz,2006-12-27 Drawing from the Bible the Pseudepigrapha the Talmud and Midrash the kabbalistic literature medieval folklore Hasidic texts and oral lore collected in the modern era Schwartz has gathered together nearly 700 of the key Jewish myths For each myth he includes extensive commentary revealing the source of the myth and explaining how it relates to other Jewish myths as well as to world literature from publisher description **Light** ,1993 A retelling of the story of creation from the book of Genesis *The Zohar* Michael Laitman,2009-01-01 The wisdom of Kabbalah teaches us how to perceive and live in the reality that spreads before us It is a systematic method that has evolved over thousands of years nurtured by individuals whose task was to ensure that the true wisdom would be given to those ready to receive it The Book of Zohar The Book of Radiance is an ageless source of wisdom and the basis for all Kabbalistic literature Since its appearance nearly 2 000 years ago it has been the primary and often only source used by Kabbalists Written in a unique and metaphorical language The Book of Zohar enriches our understanding of reality and expands our worldview However this text should not be read in an ordinary fashion We should patiently and repeatedly read and think about each sentence as we try to penetrate the author s feelings We should read it slowly and try to extract the nuances of the text Although the text deals with one subject only how to relate to the Creator it approaches it from different angles This allows each of us to find the particular phrase or word that will carry us into the depths of this profound and timeless wisdom *The Writings of Baal HaSulam - Volume Two* Yehuda Leib HaLevi Ashlag,2019-05-02 For the first time we are seeing the publication of the essential writings of the greatest Kabbalist of the 20th century Rav Yehuda Leib HaLevi Ashlag 1885 1954 also known as Baal HaSulam author of the Sulam Ladder commentary on The Zohar The Writings of Baal HaSulam contains all the texts required for any person interested in learning the wisdom of Kabbalah The book contains all of Baal HaSulam s introductions and forewords all his essays letters the articles contained in the book Shamati I Heard the book Beit Shaar HaKavanot Gatehouse of Intentions Commentaries on the writings of the ARI and The Writings of the Last Generation in which Baal HaSulam analyzes political regimes and presents a model for the construction of the future society In addition to the learning
