Light Across The Prairies:

Rails Across the Prairies Ron Brown, 2012-06-30 Follow the evolution of the rail legacy of the Canadian Prairies from the arrival of the first engine on a barge to today's realities. *Rails Across the Prairies* traces the evolution of Canada's rail network including the appearance of the first steam engine on the back of a barge. The book looks at the arrival of European settlers before the railway and examines how they coped by using ferry services on the Assiniboine and North Saskatchewan Rivers. The work then follows the building of the railways, the rivalries of their owners and the unusual irrigation works of Canadian Pacific Railway. The towns were nearly all the creation of the railways from their layout to their often unusual names. Eventually the rail lines declined though many are experiencing a limited revival. Learn what the heritage lover can still see of the Prairies railway legacy including existing rail operations and the stories the railways brought with them. Many landmarks lie vacant including ghost towns and elevators while many others survive as museums or interpretative sites.

Prairie View Jerry Travis, 2004-04-13 Over a long Fourth of July weekend Joby Shelton a history teacher in Wisconsin returns to his hometown Prairie View South Dakota for his father's funeral. While fishing and disposing of his father's ashes he witnesses from a distance a fight between two men one of whom is apparently drowned. When he tries to explain what he has seen to his old friend and nemesis Chief of Police Bernie Moser he isn't taken seriously. He meets and falls in love with a young English teacher at the local high school. He also reunites with friends from his youth: Gillie Swartz now a corporate lawyer in Sioux City Iowa; Beegee a former girlfriend and now wife of Bernie Moser; and Billy Bone Clubs a Sioux giant and would-be artist. The plot thickens when the body of George Charboneaux a militant reservation Sioux is discovered by two Indian boys miles west of the Sioux Reservoir. Al Scioto a Chicago underling and paid killer comes to Prairie View to see how his boss's investment is progressing and tries to extricate himself and his local partner from the mess that has been created. The whole thing comes to a head on the evening of the Fourth of July and culminates in a standoff on top of Rattlesnake Butte a west river landmark.
