Robert J. Spitzer, S.J., Ph.D, 2017-04-10 Why would an all loving God allow suffering Aren t suffering and love opposed to one another Does suffering have any benefit for this life Does it have any benefit for eternal life Is there any objective evidence for God for a soul that will survive bodily death for the resurrection of Jesus If there is testable objective evidence for a resurrection what is this resurrection like Who is God anyway benevolent and loving or angry and retributive Father Spitzer gives a comprehensive explanation of contemporary evidence for God the soul and the resurrection and helps us understand how God uses suffering to lead us to the resurrection and to compassion for others He also shows how the Holy Spirit guides us through times of suffering toward our salvation and other s salvation explaining the signs and interior movements that reveal the Spirit s actions But even armed with this eternal perspective serious questions remain If God has power over nature why doesn t He just perform a lot more miracles when we pray for them so that we won t have to suffer Why did God make the natural world imperfect in the first place Wouldn t it have been better to create us in a world without suffering without challenge need and self sacrifice Father Spitzer not only addresses the perplexing questions associated with suffering but he teaches us how to suffer well He points out some of the most

common errors we make in interpreting God's motives for and alleviation of suffering. He explains why suffering in combination with love is one of the most powerful motivating agents for personal cultural and societal development. Suffering and love are inextricably bound up with one another on the highest levels of human meaning. *The Ascent of Society* John S. Hatcher, 2007. In *The Ascent of Society: The Social Imperative in Personal Salvation* author John S. Hatcher answers questions that have been explored by spiritual seekers for many years: how does personal spiritual development translate into social experience? Is there a social imperative connected with individual spiritual growth? Is involvement with others necessary for one to evolve spiritually? This penetrating study describes the objective of personal spiritual growth as an ever-expanding sense of self that requires social relationships in order to develop. Hatcher focuses on the Bahá'í belief that human history is a divinely guided process in which spiritual principles are gradually and progressively expressed in social institutions. He demonstrates that the aspirant to spiritual transformation cannot view personal health and development as being possible apart from the progress of human society as a whole. ***The Light Shines in Darkness*** Udo Schaefer, 1977. *The Imperishable Dominion* Udo Schaefer, 1983. Taking stock of the traditions of modern European thought, Schaefer discusses some of the vital issues affecting society today and proposes solutions drawn from the teachings of the Bahá'í Faith. *World Religions: The A to Z of the Bahá'í Faith* Hugh C. Adamson, 2009-08-20. Apostles' disciples: Hands of the Cause. Knights of Bahá'u'lláh and more than 930 believers: this book is a fundamental reference tool for the Bahá'í Faith. Book Jacket.

Moore, 2013-09-17. Christmas or confusion? Bethlehem or Bedlam? Which will you choose this year? The truth is we don't have to choose because Christmas always happens right in the midst of our confusion. God breaks into our confusion and makes himself known as a human boy. Christmas and confusion weren't they intimately related at the first Christmas when Jesus was born? Sometimes we forget that. But that's what this book is about: how Christ breaks into our chaos and confusion and brings Christmas. How Bethlehem always happens in the midst of bedlam. This thematic Advent study for 2013 has five sessions, one for each Sunday of Advent and one for Christmas. Each session is related to the overall theme of the book. This year's theme is Bethlehem or Bedlam. Discussion questions are included. *Paperbound Books in Print*, 1992. *World Order*, 1994.
