The Adventures of Lightfoot the Deer Thornton W. Burgess, 2017-06-28 CHAPTER I PETER RABBIT MEETS LIGHTFOOT Peter Rabbit was on his way back from the pond of Paddy the Beaver deep in the Green Forest He had just seen Mr and Mrs Quack start toward the Big River for a brief visit before leaving on their long difficult journey to the far away Southland Farewells are always rather sad and this particular farewell had left Peter with a lump in his throat a queer choky feeling If I were sure that they would return next spring it wouldn't be so bad he muttered It's those terrible guns I know what it is to have to watch out for them Farmer Brown's boy used to hunt me with one of them but he doesn't any more But even when he did hunt me it wasn't anything like what the Ducks have to go through If I kept my eyes and ears open I could tell when a hunter was coming and could hide in a hole if I wanted to I never had to worry about my meals But with the Ducks it is a thousand times worse They've got to eat while making that long journey and they can eat only where there is the right kind of food Hunters with terrible guns know where those places are and hide there until the Ducks come and the Ducks have no way of knowing whether the hunters are waiting for them or not That isn't hunting It's it's Well what is it What are you talking to yourself about Peter Rabbit Peter looked up with a start to find the soft beautiful eyes of Lightfoot the Deer gazing down at him over the top of a little hemlock tree It's awful declared Peter It's worse than unfair It doesn't give them any chance at all I suppose it must be so if you say so replied Lightfoot but you might tell me what all this awfulness is about Peter grinned Then he began at the beginning and told Lightfoot all about Mr and Mrs Quack and the many dangers they must face on their long journey to the far away Southland and back again in the spring all because of the heartless hunters with terrible guns Lightfoot listened and his great soft eyes were filled with pity for the Quack family I hope they will get through all right said he and I hope they will get back in the spring It is bad enough to be hunted by men at one time of the year as no one knows better than I do but to be hunted in the spring as well as in the fall is more than twice as bad Men are strange creatures I do not understand them at all None of the people of the Green Forest would think of doing such terrible things I suppose it is quite right to hunt others in order to get enough to eat though I am thankful to say that I never have had to do that but to hunt others just for the fun of hunting is something I cannot understand at all And yet that is what men seem to do it for I guess the trouble is they never have been hunted themselves and don't know how it feels

Sometimes I think I ll hunt one some day just to teach him a lesson What are you laughing at Peter At the idea of you hunting a man replied Peter Your heart is all right Lightfoot but you are too timid and gentle to frighten any one Big as you are I wouldn t fear you With a single swift bound Lightfoot sprang out in front of Peter He stamped his sharp hoofs lowered his handsome head until the sharp points of his antlers which people call horns pointed straight at Peter lifted the hair along the back of his neck and made a motion as if to plunge at him His eyes which Peter had always thought so soft and gentle seemed to flash fire Oh cried Peter in a faint frightened sounding voice and leaped to one side before it entered his foolish little head that Lightfoot was just pretending

Lightfoot The Deer Introduction

In today's digital age, the availability of Lightfoot The Deer books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lightfoot The Deer books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lightfoot The Deer books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lightfoot The Deer versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lightfoot The Deer books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lightfoot The Deer books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lightfoot The Deer books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lightfoot The Deer books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lightfoot The Deer books and manuals for download and embark on your journey of knowledge?
