

Like A Prairie Fire

Algot E. Strand

Like A Prairie Fire:

The Pacific Tourist Henry T. Williams, 1878 *Guerrilla USA* Daniel Burton-Rose, 2010 In this astonishing microhistory Daniel Burton Rose captures the pathos of the new Left's bizarre sequel the gang who bombed Seattle Mike Davis author of *In Praise of Barbarians* Essays against Empire and City of Quartz Excavating the Future of Los Angeles Literature Henry Duff Traill, John Kendrick Bangs, 1899 Literature , 1899 Williams' Pacific Tourist and Guide Across the Continent Henry T. Williams, 1876 **Modern Medical Science, Continuing the Sanitary Era** , 1897 **The Chisholm Trail** James E. Sherow, 2018-09-27 One hundred fifty years ago the McCoy brothers of Springfield Illinois bet their fortunes on Abilene Kansas then just a slapdash way station Instead of an endless horizon of prairie grasses they saw a bustling outlet for hundreds of thousands of Texas Longhorns coming up the Chisholm Trail and the youngest brother Joseph saw how a middleman could become wealthy in the process This is the story of how that gamble paid off transforming the cattle trade and with it the American landscape and diet The Chisholm Trail follows McCoy's vision and the effects of the Chisholm Trail from post Civil War Texas and Kansas to the multimillion dollar beef industry that remade the Great Plains the American diet and the national and international beef trade At every step both nature and humanity put roadblocks in McCoy's way Texas cattle fever had dampened the appetite for longhorns while prairie fires thunderstorms blizzards droughts and floods roiled the land Unscrupulous railroad managers stiff competition from other brokers Indians who resented the usurping of their grasslands and farmers who preferred growing wheat to raising cattle all threatened to impede the McCoy's vision for the trail As author James E Sherow shows by confronting these obstacles McCoy put his own stamp upon the land and on eating habits as far away as New York City and London Joseph McCoy's enterprise forged links between cattlemen entrepreneurs and restaurateurs between ecology disease and technology and between local national and international markets Tracing these connections The Chisholm Trail shows in vivid terms how a gamble made in the face of uncontrollable natural factors indelibly changed the environment reshaped the Kansas prairie into the nation's stockyard and transformed Plains Indian hunting grounds into the hub of a domestic farm culture The Pacific Tourist Frederic Eichelberger Shearer, 1879 **The Pacific Tourist** Frederick E. Shearer, 1881 **Buell Hampton** Willis George Emerson, 2020-07-27 Reproduction of the original Buell Hampton by Willis George Emerson *The Routledge History of Rural America* Pamela Riney-Kehrberg, 2016-04-14 The Routledge History of Rural America charts the course of rural life in the United States raising questions about what makes a place rural and how rural places have shaped the history of the nation Bringing together leading scholars to analyze a wide array of themes in rural history and culture this text is a state of the art resource for students scholars and educators at all levels This Routledge History provides a regional context for understanding change in rural communities across America and examines a number of areas where the history of rural people has deviated from the American mainstream Readers will come away with an enhanced understanding of the interplay between urban and rural

areas a knowledge of the regional differences within the rural United States and an awareness of the importance of agriculture and rural life to American society The book is divided into four main sections regions of rural America rural lives in context change and development and resources for scholars and teachers Examining the essays on the regions of rural America readers can discover what makes New England different from the South and why the Midwest and Mountain West are quite different places The chapters on rural lives provide an entrance into the social and cultural history of rural peoples women children and men as well as a description of some of the forces shaping rural communities such as immigration race and religious difference Chapters on change and development examine the forces molding the countryside such as rural urban tensions technological change and increasing globalization The final section will help scholars and educators integrate rural history into their research writing and classrooms By breaking the field of rural history into so many pieces this volume adds depth and complexity to the history of the United States shedding light on an understudied aspect of the American mythology and beliefs about the American dream
