

And many sissy maids are exhibitionists, just loving to go out to parties all dressed up and perform services for the domina in public.

And the sissy maid's duties are very clear. The sissy maid especially likes to serve and do chores, either for the domina alone, with a group of her friends, or better yet, at a party. Performing chores and giving service is the sissy maid's idea of heaven. In a private setting, the sissy likes to cook for the domina and serve her dinner, then do the necessary cleanup. Sissies are better than most doing the hand wash, because some of the things they are washing are their own. If they put runs in the hosiery by getting it entangled in the sink snapper, the best way to discipline a sissy is to bend her over a chair, pull her skirt up, and apply some form of direct and immediate punishment. Hand spankings and paddling are favorites of sissies. And, she will have to replace the item she ruined by her clumsiness.

The sissy maid's strong desire to be trained is undeniable but it is the individual's aptitude that is questionable here. Some just aren't cut out for adept service. So if he drops the tea tray on a regular basis, and it does seem like he is really putting his best effort into it, maybe something as refined as tea service is out of his league. But he can be trained to empty ashtrays, dust the furniture, vacuum, and wash the dishes, empty the cat litter, change the bed linens, all the services a real maid would perform. The sissy's pleasure comes mostly from being allowed to wear her outfit in full view of at least one other person while performing the chores assigned to her.

### *The Virgin*

The virgin fantasy of the cross-dresser obviously involves some threat to the he-she's virginity, or else there wouldn't be much of a fantasy here. Virgin fantasies have many set dressings, but the basic theme is that virginity just cries out to be vanquished, tarnished, conquered—and all of the scripts revolve around that theme. Some males set their virgin fantasies in "ye olde days" so they can dress in a costume of that time that imparts an air of purity and chasteness, for example wearing a white dress or flowing robe, with white lingerie and stockings underneath, and white shoes. Temple virgins of old, modern-day virgins pretending to be afraid of men, and/or those who are afraid of being raped are popular virgin scenarios. I find these very entertaining. For me, it is complete fantasyland. It's like being the Big Bad Wolf in Little Red Riding Hood, the Witch in Sleeping Beauty, one of the Barbarian Horde (a Visigoth maybe), or the Shadow pursuing his own considerable dark side to the exclusivity of all else.

Depending on the ravisher you are playing to his virgin, strong wardrobe,
