## Fen Tigers:

**The Law of Rights of Light** Michael Barnes KC, 2016-04-21 The book provides the authoritative statement on the current law on rights of light in England and Wales The protection of the access of natural light to properties has been a part of our property law for centuries but in recent years has come into particular prominence This is due to a number of reasons including the existence of easements of light being regarded as an inhibition on new development and the unsatisfactory nature of parts of the law on this subject This has given rise to two reports in recent years by the Law Commission one on easements generally in 2011 and one on rights of light specifically in 2014 both containing major proposals for law reform The purpose of this legal textbook is to explain the law as clearly as possible In practice rights of light issues and disputes involve technical subjects and inevitably answers to these questions require the expertise of technical experts such as light surveyors An attempt is made in the book to explain from a non technical point of view the way in which measurements and calculations are carried out in this area It is therefore hoped that the book will be of use to lawyers as well as to landowners who may not always understand these technical subjects and to surveyors who may not always be familiar with the legal concepts and difficulties involved in the area of the law of rights of light

*Ellie* Peter Hawkins, 2016-08-26 Chris hadn't had much success with ladies until he met Ellie someone older than him but still beautiful and young looking From the start Ellie found herself deeply in love with Chris He believed he felt the same way about her Their time together taught him much about pleasing females how to talk to them and give them physical pleasure They experienced full sex together but he never felt the completion of the act In attempts to ensure he stayed with her she gave him gifts although without telling him she had As time passed the need to keep Chris with her became too strong and the gifts became more and more extreme until Chris realized what she had done He knew that there was more to Ellie than he'd imagined Finally Chris knew that they must separate He came to the conclusion that there was only one way he could manage to get safely away from her But would he be able to put into effect his plan of escape

*Confessions of the Fox* Jordy Rosenberg, 2019-03-05 A New York Times Editors Choice A mind bending romp through a gender fluid eighteenth century London a joyous mash up of literary genres shot through with queer theory and awash in sex crime and revolution NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker HuffPost Kirkus Reviews Finalist for the Lambda Literary Award Shortlisted for the Center for Fiction First Novel Prize A dazzling tale of queer romance and resistance Time Jack Sheppard and Edgeworth Bess were the most notorious thieves jailbreakers and lovers of eighteenth century London Yet no one knows the true story their confessions have never been found Until now Reeling from heartbreak a scholar named Dr Voth discovers a long lost manuscript a gender defying exposé of Jack and Bess's adventures Is *Confessions of the Fox* an authentic autobiography or a hoax As Dr Voth is drawn deeper into Jack and Bess's tale of underworld resistance and gender transformation it becomes clear that their fates are intertwined and only a miracle will save them all Writing with the narrative mastery of Sarah Waters and the

playful imagination of Nabokov Jordy Rosenberg is an audacious storyteller of extraordinary talent Praise for Confessions of the Fox A cunning metafiction of vulpine versatility an action adventure tale with postmodern flourishes an academic comedy spliced with period erotica an intimate meditation on belonging Katy Waldman The New Yorker Confessions of the Fox is so goddamned good Reading it was like an out of body experience I want to run through the streets screaming about it It should be in the personal canon of every queer and non cis person Read it Carmen Maria Machado National Book Award finalist for Her Body and Other Parties A hat tip to Moby Dick a running footnote hall of mirrors to rival Borges one of the most trenchant calls for progressive action that I have read in a very long time The New York Times Book Review An ambitious work of metafiction a sexy queer love story a bold first novel Entertainment Weekly Tort Law Jenny Steele, 2017 Tort Law offers a stimulating introduction to the subject Jenny Steele provides a sound analysis of the key principles before exploring a wide range of critical perspectives through an extensive selection of cases and materials Valued Environments John R. Gold, Jacquelin Burgess, 2019-03-21 First published in 1982 People care about places Inhabitants demand more participation in the changes proposed for their local environments activists urge greater protection of countryside and natural environments decision makers feel threatened by the antagonism aroused by their powers and plans The essays in this book have been drawn together to discover what lies behind these expressions of concern and discontent Valued environments are places for which people feel commitment and affection places which support a sense of personal identity and well being The authors explore the character and constituents of valued environments asking how our experiences of environments may be enhanced What is the impact of environmental change How can the future be accommodated in both rural and urban environments without destroying their essential qualities The reader will find substantive evidence from case studies of environments valued by inhabitants and outsiders which answer these questions Examples are taken from wilderness areas fenland market towns and large cities commercial streets and residential neighbourhoods environments of the past and those imagined in science fiction The essays are united in their focus on the meaning of places and landscapes The subtle but highly significant role of valued environments is examined thoroughly in the book It will be of interest to all who care deeply about their surroundings reflecting perhaps some of their own experiences as well as conveying information about the environmental experiences of others Students of geography environmental planning and conservation should also find the book directly relevant to their interests in man environment relationships *Eugene* John G Smith, *Rain* Melissa Harrison, 2016-03-01 A wonderful meditation on the English landscape in wet weather by the acclaimed novelist and nature writer Melissa Harrison Whenever rain falls our countryside changes Fields farms hills and hedgerows appear altered the wildlife behaves differently and over time the terrain itself is transformed In Rain Melissa Harrison explores our relationship with the weather as she follows the course of four rain showers in four seasons across Wicken Fen Shropshire the Darent Valley and Dartmoor Blending these expeditions with reading research memory and imagination she reveals how rain is not

just an essential element of the world around us but a key part of our own identity too      **Outing** ,1889      **Outing Magazine** Poultney Bigelow,James Henry Worman,Ben James Worman,Caspar Whitney,Albert Britt,1889      History After Hobsbawm John Arnold,Matthew Hilton,Jan Rüger,2018 What does it mean and what might it yet come to mean to write history in the twenty first century History After Hobsbawm brings together leading historians from across the globe to ask what being an historian should mean in their particular fields of study Taking their cue from one of the previous century s greatest historians Eric Hobsbawm and his interests across many periods and places the essays approach their subjects with an underlying sense of what role an historian might seek to play and attempt to help twenty first century society understand how we got here They present new work in their sub fields but also point to how their specialisms are developing how they might further grow in the future and how different areas of focus might speak to the larger challenges of history both for the discipline itself and for its relationship to other fields of academic inquiry Like Hobsbawm the authors in this collection know that history matters They speak to both the past and the present and in so doing introduce some of the most exciting new lines of research in a broad array of subjects from the medieval period to the present      **A Pride of Tigers** Sybil Marshall,2001-04-01 Sybil Marshall was born in 1913 in one of the lowest and most isolated of the black fens in what was then Huntingdonshire All her antecedents except one can be traced to within a few miles of Ramsey back at least to the beginning of the 18th century Sybil can claim to be a genuine fen tiger one of the few still left She writes about her clannish warm hospitable gifted and laughter loving family her kin and the friends and neighbors who shared a life style dictated by the environment and the isolation Work dress food fashions customs everything from a mouth watering recipe for onion dumplings to the advent of the wireless is recorded      *Tort Law* Nicholas J McBride,Roderick Bagshaw,2018-05-17 Written by two leading scholars Tort Law combines detailed coverage of the legal principles supported by hypothetical case scenarios and guided further reading with critical discussion of the key academic debates and literature in the subject making it ideal for use by anyone studying tort law at undergraduate or postgraduate level Extensively updated this new edition covers all important case law and legislative developments including the expansion of vicarious liability in Mohamud v Wm Morrison Supermarkets the treatment of the notion of defect under the Consumer Protection Act 1987 in Wilkes v Depuy International Ltd the reinvigoration of the tort in Wilkinson v Downton by O a child v Rhodes the recognition of a tort of the malicious institution of civil proceedings in Willers v Joyce and the attempts to reform the law on the defence of illegality in Patel v Mirza      Legacy of Lies Jane A. publishes a story which makes derogatory comments about someone Or if a resident plays loud music every night so that their neighbour cannot get any sleep Tort law is a collection of such misbehaviours or misadventures where the law deems it appropriate to intervene with civil remedies Tort Law is written to enable students to gain a thorough understanding of tort law in England and Wales as well as to develop the critical reasoning and problem solving skills that are needed in an exam situation The law is explained with clear writing and an accessible approach relating the subject to everyday examples There are key learning points to help anchor the reader's basic understanding and sections of analysis to guide the reader to a more advanced critical engagement Above all tort law is interesting for it covers so much of our daily lives and is a constant source of evolving litigation This second edition has been thoroughly updated throughout to reflect changes in the law and includes a new chapter on artificial intelligence and emerging technologies This book is supported by a range of online multiple choice and essay questions developed to aid your learning keep you up to date and help you prepare for assessments The Routledge Spotlights series brings a modern contemporary approach to the core curriculum for the LLB and GDL which will help students move beyond an understanding of the law refine and develop the key skills of problem solving evaluation and critical reasoning discover sources and suggestions for taking your study further By focusing on recent case law and real world examples the Routledge Spotlights series will help you shed light on the law understand how it operates in practice and gain a unique appreciation of the contemporary context of the subject

**Private Law and Power** Kit Barker, Simone Degeling, Karen Fairweather, Ross Grantham, 2017-01-12 The aim of this edited collection of essays is to examine the relationship between private law and power both the public power of the state and the private power of institutions and individuals It describes and critically assesses the way that private law doctrines institutions processes and rules express moderate facilitate and control relationships of power The various chapters of this work examine the dynamics of the relationship between private law and power from a number of different perspectives historical theoretical doctrinal and comparative They have been commissioned from leading experts in the field of private law from several different Commonwealth Jurisdictions Australia the UK Canada and New Zealand each with expertise in the particular sphere of their contribution They aim to illuminate the past and assist in resolving some contemporary difficult legal issues relating to the shape scope and content of private law and its difficult relationship with power

**Thompson's Modern Land Law** Mark P. Thompson, Martin George, 2017 Doctrinal and critical Thompson's Modern Land Law looks at the core areas of this subject area through a theoretical lens The authors excel at explaining difficult rules and concepts clearly but without oversimplification guiding students around the common pitfalls in areas where there is typically misunderstanding or confusion Straightforward accounts of the law are underpinned by insightful author commentary on areas of debate exposing students to critical reasoning Examples of the context in which land law operates helps students to understand abstract topics and encourages them to appreciate the social importance of this subject

**Tort Law: Cases and Materials** Jodi

Gardner, Sarah Green, 2024-06-27 Tort Law Cases and Materials offers a fresh approach to the study of tort law. It is the essential companion to Green and Gardner's Tort Law textbook. Comprehensively covering the tort law curriculum, the inclusion of extracts from key cases, statutes, newspaper reports, and articles demonstrates the law in action. The clear and insightful commentary accompanying each extract explains the significance of each and provides students with an enhanced understanding of the material, ensuring they can respond with depth and analysis in their essay questions. In addition to the standard and oft-cited materials, the expert authors have selected alternative voices, including feminist approaches, socio-legal perspectives, and comparative material from multiple international jurisdictions. This provides students with a thorough and wide-ranging examination of tort law. Accompanying online resources for this title can be found at [bloomsbury pub tort law 2e](#). These resources are designed to support teaching and learning when using this book and are available at no extra cost.

**The Protection of Property Rights Through Tort Law** Victoria Evans, 2025-08-07 This book analyses the problems caused by relying on tort law mechanisms to protect tangible property interests in the common law and suggests a new way of thinking to rectify these issues. As English common law relies primarily on tort law for the protection of tangible property interests, property rights are protected by a group of claims that as a whole are informed by a set of concerns that have little to do with the vindication of property rights. The book demonstrates how tort law tends to focus on loss within the case law and argues that this fundamental mismatch wholly undermines the category of property rights since the protection of property through tort is simultaneously too broad and too narrow. Discussing trespass to goods, trespass to land, private nuisance, conversion, and negligent property damage, the book advances a novel way of rethinking about the property-protecting torts far better suited to their unique role within the law. Using cases throughout, the book will be of interest to students, scholars, and practitioners within the fields of property law, tort law, and private law in general. [Construction Law, Costs and Contemporary Developments: Drawing the Threads Together](#) Julian Bailey, 2018-11-15 Lord Justice Jackson's retirement in March 2018 concluded a career of almost 20 years on the bench. His judicial career has seen a remarkable transformation of construction law, construction law litigation, and the litigation landscape more generally. [Drawing the Threads Together](#) is a Festschrift which considers many of the important developments in these areas during the Jackson era. The Festschrift discusses most of the leading construction cases decided by Lord Justice Jackson with subject matter including statutory adjudication, fitness for purpose obligations, consideration delays, and extensions of time, liquidated damages, time bar provisions, the prevention principle, neighbour rights, limitation clauses, negligence, good faith bonds, and guarantees, and concurrent duties of care. It also includes a discussion of the background to the Jackson Review of Civil Litigation Costs 2009/2010 and its impact on litigation, as well as considering the development of the Technology and Construction Court during and subsequent to Mr Justice Jackson's tenure as judge in charge of that court. [Defences in Tort](#) Andrew Dyson, James Goudkamp, Frederick Wilmot-Smith, 2015-02-26 This book is the first in a series of essay collections

on defences in private law It addresses defences to liability arising in tort The essays range from those adopting a primarily doctrinal approach to others that examine the law from a more theoretical or historical perspective Some essays focus on individual defences while some are concerned with the links between defences or with how defences relate to the structure of tort law as a whole A number of the essays also draw upon concepts and literature that have been developed mainly in relation to the criminal law and consider their application to tort law The essays make several original contributions to this complex important but neglected field of academic enquiry
